Alfred's Basic Adult Piano Course: Greatest
Hits Book 1 Dec 14 2021 This series answers
the often-expressed need for a variety of
supplementary material in many different
popular styles. What could be more fun for
an adult than to play the music that
everybody knows and loves? When the books in
the Greatest Hits series are assigned in
conjunction with the Lesson Books, these
appealing pieces reinforce new concepts as
they are introduced. In addition, the
motivation the music provides could not be
better. The emotional satisfaction students
receive from mastering each popular song
increases their enthusiasm to begin the next
one. With the popular music available in the
Greatest Hits series (Levels 1 and 2), the

use of both books will significantly increase every adult's interest in piano study. Two selections from this book are featured on the Royal Conservatory of Music Popular Selection List (2007 Ed.): * The Rainbow Connection * Nadia's Theme
