Gloria Pitzer's Cookbook - The Best of the Recipe Detective May 05 2021 FAMOUS FOODS FROM FAMOUS PLACES have intrigued good cooks for a long time ? even before fast foods of the 1950's were a curiosity. When cookbooks offer us a sampling of good foods, they seldom devote themselves to the dishes of famous restaurants. There is speculation among the critics as to the virtues of re-creating, at home, the foods that you can buy ?eating out?, such as the fast food fares of the popular franchise restaurants. To each, his own! Who would want to imitate ?fast food? at home? I found that over a million people who saw me demonstrate replicating some famous fast food products on The Phil Donahue Show (July 7, 1981) DID ? and their letters poured in at a rate of over 15,000 a day for months on end! And while I have investigated the recipes, dishes, and cooking techniques of ?fine? dining rooms around the world, I received more requests from people who wanted to know how to make things like McDonald's Special Sauce or General Foods Shake-N-Bake coating mix or

White Castle's hamburgers than I received for those things like Club 21's Coq Au Vin.

Good and Cheap Nov 18 2019 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool Kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

The Fast 800 Recipe Book Aug 08 2021 Following Dr Michael Mosley's No.1 bestselling Fast 800, this fabulous companion cookbook offers a collection of delicious, nutritious recipes to help you incorporate the new 800-calorie programme into your daily life.

Chang's™, Red Lobster™, and many more—and shows readers how to make them at home for a fraction of the price. A Little Me Oct 22 2022 TLC star Amy shares what it was like growing up with dwarfism, how she struggled to overcome obstacles both physical and emotional while learning, as we all must, to accept herself for who she is. “God doesn't make mistakes.” For Amy Roloff, star of TLC's hit reality show Little People, Big World, her father's words would repeatedly serve as an anchor, reminding her of her inherent worth and purpose, whenever feelings of insecurity

and inadequacy surfaced and threatened to overwhelm her. In *A Little Me*, Amy shares what it was like growing up with achondroplasia dwarfism, how she struggled to overcome obstacles both physical and emotional—navigating the average-size world as a little person, dealing with a serious illness as a young girl, bullying, and issues of body image and unachievable beauty ideals—while learning, as we all must, to accept herself for who she is. Finally allowing herself to be vulnerable enough to open up to others, she learned that it's worth risking possible rejection for a chance at genuine relationships. Ultimately, it was Amy's faith, as well as the support and encouragement of her community of loving family and good friends, that saw her through the dark times and allowed her to realize her greatest dreams and beyond. Amy's memoir is an inspiring and at times heart-wrenching account of resilience and the strength of the human spirit to overcome seemingly insurmountable obstacles.

Recipe Journal Feb 20 2020 Nothing says "home" like a home-cooked meal, and food plays such an important role in the journey of our lives. But if you make more than 3 dishes you probably have a pile of go-to recipes floating around your kitchen, computer, or phone. The problem with that, especially if you're a foodie like me, is keeping all of those recipes straight can be a real hassle! Before the internet our moms and grandmothers had card boxes and big 3-ring binders that EVERYTHING fell out of. Then we moved on to "recipe boxes" on our favorite websites, then pinning, and bookmarking, and storing on Google drives... But if you're like me this is still an organizational nightmare! And personally, I'm putting my computer, phone, or tablet in peril every time I cook with it. (I've ruined 3 laptops by spilling various liquids in the keyboard and we won't talk about the number of times I've dropped my phone in the middle of a pile of ingredients!) So how the heck do you keep everything organized and USABLE without jeopardizing your electronics!?! Simple! Mix a dash of old school with a pinch of modern... and voila! Recipe Journals are the perfect way to keep organized and have your recipes handy. Step 1 - Find your favorite recipes on the internet Step 2 - Print them off and paste them in the book Step 3 - Record the recipe title and the page number in the Table of Contents (yes the pages are all numbered, and yes there is a table of contents at the beginning) - When you find a recipe in a magazine, simply cut it out, paste it in and repeat the instructions above. - If you're watching a cooking show just jot the recipe down and you'll never have to remember what the heck that show was so you can go find the thing online (hoping of course that it's still there!) - And you can also safely store those cherished recipes that have been passed down from family members and friends. The journals in this collection are made to be used - they aren't fancy so you don't have to worry if you spill something on it - it's inexpensive and replaceable. There is no spiral binding to get crushed or unravel. And no hole punched pages that get weak with use and tear. It's a regular paperback so just crack the spine so it lays as flat and don't feel guilty about it! All the journals have cute or classy covers so even though they're super-functional they look nice sitting around the kitchen. Each book has 180 numbered and lined pages with a Table of Contents on the first page so you can keep organized. I have about a dozen of them and I choose designs I love to match what they contain. A gorgeous watercolor rooster for the cover of my Poultry Recipe journal Baskets of garden-produce for my Vegetable Recipe Journal A cute painting of cupcakes for my Desserts (OK I'll confess I have 2 for desserts) Farnyard animal paintings for beef and pork dishes A retro style for old family recipes A holiday table scene for my family's Christmas and New Year favorites The list goes on... A recipe journal is also the perfect gift for family and friends (give it pre-filled or blank) and makes a great addition to gift baskets of home-made treats from your kitchen. They're great as a house warming gift or for a celebration like a wedding or bridal shower (one of my nephew's just got married and we gave he and his new wife an assortment of kitchen items and included a journal with the recipes he loved to have when he visited our house growing up). It's awesome to send with a student going off to college too (we're sending one with my older son's favorite dishes when he leaves next fall). Get started today and fill your own blank cookbook with your favorite romantic meals, holiday favorites, and secret family desserts, or just clean up that mess you've got on Pinterest and Google!
