Kendra Wilkinson has revealed herself before—in the pages of *Playboy* and on her reality show, *Kendra*. Now she reveals her private side, sharing the ups and downs, the joys and challenges of motherhood, marriage, and life in the spotlight. In this intimate follow-up to her New York Times bestseller, *Sliding into Home*, Kendra confides her most candid thoughts and feelings on her experiences as a new mom, and she divulges her secrets on how to do it all and make it look easy, sexy, and fun—even when it's not. Now with a husband and baby in her life, a booming brand to manage, and her own needs to think about too, Kendra is learning the art of balance, sometimes the hard way. Not wanting to pawn her child off to nannies like so many other stars, Kendra relishes the role of supermom—kissing boo-boos, making lunches, scheduling playdates—all while juggling appearances, workout videos, and even training for the ultra-competitive hit show *Dancing with the Stars*. While *Being Kendra* is full of humor and true stories that women can relate to, it's also a heartrending look at Kendra's very personal journey through some dark places, including a private struggle with postpartum depression and a very public tussle with post-baby weight loss. Kendra, who has always been known for her athletic (and enhanced) figure, opens up about her efforts to get her bikini body back and the difficulty of not looking sexy, which she believed was her most valuable quality. Her fight to lose weight at any cost, chronicled on the covers of countless magazines, has become yet another triumph for Kendra as she continues to succeed in the face of adversity. From dental assistant, to *Playboy* girlfriend and face of a franchise, to wife and new mother, Kendra has embraced what life has thrown at her with determination, fortitude, and a ready laugh. This daring and honest memoir captures Kendra and her family in their best and worst moments as she lives, loves, rebounds, and, ultimately, finds her place in her new world. What began as a public-health project by a Harvard medical student evolved into an intimate, ambitious, six-year study of the brothel ecosystem and a book that puts an unforgettable face on America's maligned and caricatured subculture. "A fascinating glimpse into a hidden lifestyle.... It's an instantly gratifying page-turner.... It emerges as a personality-filled memoir about an unforgettable group of women." —Seattle Weekly Not a single legal prostitute in Nevada had contracted HIV since testing began in 1986. Why? Harvard medical student Alexa Albert traveled to Nevada in search of answers. Gaining unprecedented access to the infamous and notoriously secretive Mustang Ranch, Albert reveals a fascinatingly insular world where the women share their experiences with unexpected

candor. There's Dinah, Mustang's oldest prostitute, who turned her first trick years ago at age fifty-one. And Savannah, a woman who views her work as a "healing" social service for needy men. Nevada's legal brothels are an incredibly rich environment for examining some of this nation's thorniest social issues. From problems of class and race to the meaning of family, honor, and justice—all are found within this complex and singular microcosm. And in a country where prejudice is a dirty word—but not as dirty as hooker—these social issues are compounded and deepened by the stifling stigma that has always plagued the profession. But in the end, all of Mustang's working girls are just women trying to earn their way to happiness. Brothel is a landmark work that probes beyond the veil of desire and fantasy in which the sex trade shrouds itself—and uncovers the naked humanity at its core. The real Hugh Hefner—the extraordinary inside story of an American icon

""Riveting... Watts packs in plenty of gasp-inducing passages.""-Newark Star Ledger ""Like it or not, Hugh Hefner has affected all of us, so I treasured learning about how and why in the sober biography.""-Chicago Sun Times ""This is a fun book. How could it not be? Watts aims to give a full account of the man, his magazine and their place in social history. Playboy is no longer the cultural force it used to be, but it made a stamp on society.""-Associated Press ""In Steven Watts' exhaustive, illuminating biography Mr. Playboy, Hefner's ideal for living -- marked by his allegiances to Tarzan, Freud, Pepsi-Cola and jazz -- proves to be a kind of gloss on the Protestant work ethic.""-Los Angeles Times

Gorgeous young women in revealing poses; extravagant mansion parties packed with celebrities; a hot-tub grotto, elegant smoking jackets, and round rotating beds; the hedonistic pursuit of uninhibited sex. Put these images together and a single name springs to mind—Hugh Hefner. From his spectacular launch of Playboy magazine and the dizzying expansion of his leisure empire to his recent television hit *The Girls Next Door*, the publisher has attracted public attention and controversy for decades. But how did a man who is at once socially astute and morally unconventional, part Bill Gates and part Casanova, also evolve into a figure at the forefront of cultural change? In *Mr. Playboy*, historian and biographer Steven Watts argues that, in the process of becoming fabulously wealthy and famous, Hefner has profoundly altered American life and values. Granted unprecedented access to the man and his enterprise, Watts traces Hef's life and career from his midwestern, Methodist upbringing and the first publication of Playboy in 1953 through the turbulent sixties, self-indulgent seventies, reactionary eighties, and traditionalist nineties, up to the present. He reveals that Hefner, from the beginning, believed he could overturn social norms and take America with him. This fascinating portrait illustrates four ways in which Hefner and Playboy stood at the center of several cultural upheavals that remade the postwar United States. The publisher played a crucial role in the sexual revolution that upended traditional notions of behavior and expectation regarding sex. He emerged as one of the most influential advocates of a rapidly developing consumer culture, flooding Playboy readers with images of material abundance and a leisurely lifestyle. He proved instrumental—with his influential magazine, syndicated television shows, fashionable nightclubs, swanky resorts, and movie and musical projects—in making popular culture into a dominant force in many people's lives. Ironically, Hefner also became a controversial force in the movement for women's rights. Although advocating women's sexual freedom and their liberation from traditional family constraints, the publisher became a whipping boy for feminists who viewed him as a prophet for a new kind of male domination. Throughout, Watts offers singular insights into the real man behind the flamboyant public persona. He shows Hefner's personal dichotomies—the pleasure seeker and the workaholic, the consort of countless Playmates and the genuine romantic, the family man and the Gatsby-like host of lavish parties at his Chicago and Los Angeles mansions who enjoys well-publicized affairs with numerous Playmates, the fan of life's simple pleasures who hobnobs with the Hollywood elite. Punctuated throughout with descriptions and anecdotes of

life at the Playboy Mansions, Mr. Playboy tells the compelling and uniquely American story of how one person with a provocative idea, a finger on the pulse of popular opinion, and a passion for his work altered the course of modern history. Spans from Hefner's childhood to the launch of Playboy magazine and the expansion of t Forget poorly written prose and clichéd love scenes: Book Lovers answers the call for sexy literature with substance. This collection of toe-curling tales written by and for word-worshippers offers well-crafted fiction and creative nonfiction that connects literature to libido. From a Vonnegut-inspired tryst to an imaginary ménage à trois with Henry Miller and Anaïs Nin, the book encompasses a veritable buffet of literary fantasies. Whether they're conjuring Junot Díaz between the sheets or dreaming of a modern-day enactment of Wuthering Heights—this time refusing Edgar in favor of lusty, bodice-ripping nights with Heathcliff—the stories in Book Lovers are designed for readers' brains and bodies. Includes contributions from Izabella St. James, Slash Coleman, Trina Calderón, Cara Bruce, and Stephanie Auteri. You are six years old. Every day after school your father takes you to a sprawling castle filled with exotic animals, bowls of candy, and half-naked women catering to your every need. You have your own room. You have new friends. You have an uncle Hef who's always there for you. Welcome to the world of Playground, the true story of a young girl who grew up inside the Playboy Mansion. By the time she was fourteen, she'd done countless drugs, had a secret affair with Hef's girlfriend, and was already losing her grip on reality. Schoolwork, family, and "ordinary people" had no meaning behind the iron gates of the Mansion, where celebrities frolicked, pool parties abounded, and her own father—Hugh Hefner's personal physician and best friend, the man nicknamed "Dr. Feel Good"—typically held court. Every day was a party, every night was an adventure, and through it all was a young girl falling faster and faster down the rabbit hole—trying desperately hard not to get lost. "This book takes you through the collection gallery by gallery, illuminating the art and installations in each room"--From preface. When a father reveals his haunting past, a daughter takes an incredible journey of self-discovery . . . Emmy® award-winning journalist, TV host, and New York Times bestselling author Rita Cosby has always asked the tough questions in her interviews with the world's top newsmakers. Now, in a compelling and powerful memoir, she reveals how she uncovered an amazing personal story of heroism and courage, the untold secrets of a man she has known all her life: her father. Years after her mother's tragic death, Rita finally nerved herself to sort through her mother's stored belongings, never dreaming what a dramatic story was waiting for her. Opening a battered tan suitcase, she discovered it belonged to her father—the enigmatic man who had divorced her mother and left when Rita was still a teenager. Rita knew little of her father's past: just that he had left Poland after World War II, and that his many scars, visible and not, bore mute witness to some past tragedy. He had always refused to answer questions. Now, however, she held in her hand stark mementos from the youth of the man she knew only as Richard Cosby, proud American: a worn Polish Resistance armband; rusted tags bearing a prisoner number and the words Stalag IVB; and an identity card for an ex-POW bearing the name Ryszard Kossobudzki. Gazing at these profoundly telling relics, the well-known journalist realized that her father's story was one she could not allow him to keep secret any longer. When she finally did persuade him to break his silence, she heard of a harrowing past that filled her with immense pride . . . and chilled her to the bone. At the age of thirteen, barely even adolescent, her father had seen his hometown decimated by bombs. By the time he was fifteen, he was covertly distributing anti-Nazi propaganda a few blocks from the Warsaw Ghetto. Before the Warsaw Uprising, he lied about his age to join the Resistance and actively fight the enemy to the last bullet. After being nearly fatally wounded, he was taken into captivity and sent to a German POW camp near Dresden, finally escaping in a daring plan and ultimately rescued by American forces. All this before he had left his teens. This is Richard Cosby's story, but it is also

Rita's. It is the story of a daughter coming to understand a father whose past was too painful to share with those he loved the most, too terrible to share with a child . . . but one that he eventually revealed to the journalist. In turn, Rita convinced her father to join her in a dramatic return to his battered homeland for the first time in sixty-five years. As Rita drew these stories from her father and uncovered secrets and emotions long kept hidden, father and daughter forged a new and precious bond, deeper than either could have ever imagined. A loud, wild, cuddly and in-your-face party girl with sky-high hair and a spray tan, the pint-size Snooki has emerged as the breakout star of the wildly successful Jersey Shore. She's been parodied on Saturday Night Live, appeared on almost every major talk show (including Leno and Conan), was featured in the New York Times, and has more than 300,000 followers on Twitter. Snooki also has attracted a slew of celebrity fans, like Leo DiCaprio, Sean "Diddy" Combs, Ashton Kutcher, Demi Moore, Zach Braff and Tinsley Mortimer. This attractively designed full colour book will feature tons of photos, tips, and fascinating details from American's favourite guidette and will be a must have for fans of Snooki and Jersey Shore. \* Snooki Style: The poof never dies; Waving, streaking and bangin' it - my other sick hairstyles; Why orange you tan; The guidette wardrobe - what to rock. \* Guidos, Gorillas & Juiceheads: What I look for in a gorilla; Different types of gorillas; How to break up with a guido so he isn't a stage-5 cling; Warning signs that the guy is a creeper; 5 sure signs a guy isn't a guido. \* How To Be a Guidette: The Guidette Pose; 12 things a guidette would never do; The Snictionary, or a Guidette's favourite words. So begins the no-holds-barred autobiography of Monica Mayhem—a porn star and proud of it. In her funny and disarmingly candid voice, she reveals the ins and outs of making it big in Los Angeles, the pornography capital of the world. Just how did a girl who was taunted at school because her eyes were “too big,” and who carved out a respectable career for herself trading oil futures in the financial markets of Sydney and London, go on to make over four hundred hardcore adult movies (and counting), win numerous industry awards, and even land herself a role in the first Sex and the City movie? From her troubled childhood to her first show at the famous Spearmint Rhino in London to her favorite sex toys, Monica reveals how she built her empire—which now includes hundreds of films, a website, and lucrative burlesque performances. Absolute Mayhem lifts the lid on the sex, rock, and mayhem of Monica's truly extraordinary professional life and unveils the private person behind it all. The Black Bunny Hop is the story of Pat Lacey, whose Playboy career spanned the entire organization, including Bunny, Jet Bunny, Bunny Mother and Coordinator of Playmate Promotions. Pat Lacey rejected what the world told her to be and became what she was born to be, a woman on the frontlines of the 20th Century cultural revolution. She takes you behind the scenes of the Playboy organization and the exciting world of being a Playboy Bunny. Did you know that 44-year-old Frank Sinatra had an affair with 14-year-old Tuesday Weld? And that Elvis started dating Priscilla when she was 14? The Allure of Nymphets chronicles famous and infamous age-discrepant relationships from Emperor Augustus to Woody Allen and man's fascination with very young women (i.e., nymphets) as shown in literature, films, plays, television, music and the advertising industry. “I invite you to take a wild ride with me into the mysterious, taboo cultures of Burlesque, Porn and Kink through my personal, intimate, historical account of my journey in the Golden Age from 1983 to the present day. Share in my exploration of my own personal sexual evolution and my part in the sexual revolution. “This book will show you that not all Porn Stars are victims of their life's circumstances. Some of them, like myself, actually face life's challenges by diving deeply into their own self/sexual growth. Burlesque, Porn and Kink are not what you may have been taught to believe, or even what you believe today. ‘Porn is a bad thing?’ ‘Porn exploits women?’ Reading this book will certainly give you another viewpoint to these beliefs, and allow you to gain a new philosophy about some very old professions.” – Porsche Lynn Porsche Lynn is a

legend in the world of Adult Entertainment and known as The Girl with the Million Dollar Legs. She started her career as a burlesque performer, gracing the pages of most men's magazines like High Society, Chic, and Cheri. She then went on to star in over 250 XXX-rated films between the years 1985-2002. During that time she became part of the Adult Hall of Fame, Legends of Erotica, Free Speech Coalition, X-Rated Critics, and the Hustler Hall of Fame. She is an activist for Free Speech, especially in the area of Adult Entertainment and Sexual Education. She was an integral part in the making of the Free Speech Coalition poster, which recreated the raising of the flag at Iwo Jima. In her time after the camera, she went on to become one of the premiere Domina's, as well as owning and operating her own dungeon located in Phoenix, AZ, where she continues to be an advocate for free speech, sexual exploration (especially in the area of power exchange), and sexual education.

KENDRA BARES ALL Fans of the E! smash hit series The Girls Next Door fell in love with sporty Playboy beauty Kendra Wilkinson's care-free spirit, infectious laugh, and down-to-earth nature. Now that she's moved out of the world's most famous bachelor pad and into her own delightfully chaotic world on Kendra as wife to NFL star Hank Baskett and mother to their newborn son, we've watched her hilarious antics as she adjusts to domestic life. But how much do we really know about the fun-loving star? In this humorous and optimistic, sometimes heartbreaking, but always unflinchingly honest memoir, Kendra reveals the highs and lows of her extraordinary journey. She wasn't always the quintessential girl next door. Before she was a reality television superstar, Hugh Hefner's girlfriend, or one of the most popular Playboy cover models ever, Kendra was an athletic tomboy whose father walked out on her family when she was a little girl. She grew into a rebellious teenager with a serious drug habit before she quit cold turkey and beat the odds to graduate from a high school that almost didn't give her a second (or third, or fourth) chance. Following her rocky teenage years, an out-of-the-blue phone call from Hugh Hefner changed everything. Kendra dishes candidly about life in the Playboy Mansion: the sex, the parties, the show, and even her relationships with her Girls Next Door costars—Hef, Holly, and Bridget. She tells the true story about how she and Hank met and built a relationship in secret while she was still Hef's girlfriend and a public face of Playboy. Finally, she reflects on the slew of unexpected changes in the short space of a year that have brought her sliding into home from Playboy party girl to wife and mother with a blooming Hollywood career. If you think you've seen all of Kendra, think again. She's only warming up. . . .

When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her "break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the E! reality show, The Girls Next Door, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking—and bed—order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, Bunny Tales is compulsively readable and endlessly entertaining! "[A] breezy, charming chronicle." —Time Out New York The legendary founder of Playboy magazine, Hugh Hefner invites you into his world with Hef's Little Black Book, an illustrated treasury of advice and maxims. The only book ever written by the iconic publisher and unabashed hedonist, Hef's Little Black Book features a new, updated Afterword from Hef himself. Dedicated Playboy

readers and fans of *The Girls Next Door*, the hit reality TV series that takes you behind the doors of the Playboy Mansion, will not want to miss this fantastic guide to the very good life from the man who has lived it better than anyone. The former Playboy bunny and entertainer presents her favorite places and activities in Las Vegas, including nightclubs, casinos, and shows. What happens in the Mansion, doesn't stay in the Mansion! How did I get here? I was raised a nice Catholic girl in Ontario, Canada. I am an only child whose parents lavished their attention and resources on me. I have a Bachelor of Arts degree and a law degree, and I'm studying to take the California bar. I am comfortable with my own sexuality, responsible for my own orgasm, and have never been sexually or emotionally abused. And yet for two years, I lived at the infamous Playboy Mansion, rolled in a posse of seven succulent beauties, and was a co-girlfriend of the father of the sexual revolution and the world's largest living hedonist. What is wrong with this picture? The Bunnies. The Girlfriends. The Mansion. The Grotto. The Myth. The Man. The Fantasy. The Reality. Izabella St. James left colder climes for the beaches of Malibu. Young, blond, and pretty, she was looking for fun, and the SoCal nightlife was a powerful magnet. Out clubbing one night, she met Hugh Hefner and his friends. Beyond the silk robe and age-proof good looks, Hugh was a genial man who invited Izabella to join his group of friends and then to move into the world-famous Mansion as one of Hef's girlfriends. (Plural.) *Bunny Tales* is Izabella's story-of-a party girl who discovered what work it is to play all the time. Plastic surgery, gorgeous clothes, cool cars, and a generous weekly allowance are the perks of Mansion life, but Hef's girlfriends are a clique, a sorority, a group of best buds, and bitter rivals, the worst of high school in an adult party circuit. Izabella was witness to the growing pains of an empire-and legend-built on a revolution long over. Like the best relationships, *Bunny Tales* is honest and fun, revealing and real, satisfying and surprising. No longer will the girls next door have all the fun. Now, for the first time, every woman can learn to work it like a Playboy Bunny! With unprecedented candor, three professional Bunnies—one a career-driven diva, one a quintessential party girl, and one happily married—get together and dish on everything. And we mean everything. They share insider tricks on how to wow a first date, walk in heels, look (and feel) great naked, give an unforgettable striptease, choose the right makeup and lingerie, care for hair (down there), and so much more! *The Bunny Book* gives a gal everything she needs to know to refine her image and expand her repertoire. Influence is about the Olsen twins' influences in fashion and style, the book includes interviews with: Karl Lagerfeld Diane Von Furstenberg John Galliano Lauren Hutton Christian Louboutin amongst many others. From Marilyn Monroe to Cindy Crawford, Linda Evans to Farrah Fawcett, Playboy has celebrated the sensuality (and even launched a few careers) of celebrities for more than fifty years. Here, in all their glory, are over 150 breathtaking photographs of the magazine's most famous heavenly bodies. Celebrity models such as Naomi Campbell and Stephanie Seymour, Playmates Jenny McCarthy and Pamela Anderson, rockers such as Debbie Harry, and many more reveal all—posing for equally renowned photographers such as Herb Ritts and David LaChapelle. With an introduction by Hugh Hefner himself and an afterword by Gary Cole, the magazine's director of photography for the past 30 years, this definitive collection from Playboy is a potent portfolio of celebrity nudes. The #1 New York Times bestselling author returns with this candid, humorous, and captivating memoir chronicling her journey toward reinvention and self-acceptance. When you've come out the other side of the bizarre, twisted world of the Playboy mansion, where do you land? If you're Holly Madison . . . there's no place like Las Vegas! After making the sudden decision to reclaim her life, Holly broke free from the sheltered, deceptive confines of the mansion (which meant exiting a hit television show) and was determined to start her life over . . . from scratch. Without the security of a job or relationship, she set out to reinvent herself on no one's terms but her own. Deciding to roll the dice and begin again in the glamorous and dreamlike city of Las Vegas,

Holly quickly realized that while she may have left her past in the rearview mirror, the labels and stereotypes that came from it weren't so quick to leave her. With a fierce commitment to take charge of her own narrative, Holly dives headfirst into a journey of self-discovery. After a whirlwind stint on *Dancing with the Stars*, she snags the coveted lead role in the Strip's hottest new burlesque spectacular and lands a reality series spotlighting her new life as a single woman. If her own television show and dream job as a showgirl weren't enough to keep her busy, Holly explores the decadent, exclusive inner-world of Sin City, navigating its social and dating scene with humor and heart. When it comes to romance, she is met with an eclectic cast of characters, from fame hounds to long distance loves to the occasional celebrity and more than one tabloid mishap. In this reflective, heartwarming memoir, Holly learns that each dating disaster holds an important, and in some cases difficult to face, lesson about herself. *The Vegas Diaries* is a comedy of errors, set against the glitz and glamour of the dazzling Vegas strip. Through the wild and crazy experiences on one young woman's quest to "have it all," Holly faces her fears, anxieties, and insecurities to discover that her journey to self-sufficiency is also her path to healing. Letting go of trying to prove herself to others, Holly finally gains the courage to confront her past—and in the process finds the life and love she deserves. How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In *Sinner Takes All*, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her unglamorous job in a nursing home; her first forays into the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary pages and scintillating sidebars, *Sinner Takes All* takes the tell-all to raunchy new heights. The real, untold, and unvarnished story of life inside the legendary Playboy Mansion—and the man who holds the key—from the woman who was Hef's #1 girlfriend and star of *The Girls Next Door*. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice in Wonderland after she plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex and the infamous parties, as well as what her relationships with her *Girls Next Door* co-stars, Bridget and Kendra were really like. Holly talks candidly about a subsequent abusive relationship, her own successful television series, and the hard work of healing, including her turn on *Dancing with the Stars*. A cautionary tale and a celebration of personal empowerment, *Down the Rabbit Hole* reminds us of the importance of fighting for our dreams—and finding the life we deserve. **YOU PROBABLY THINK YOU KNOW ALL THERE IS TO KNOW. ANNA NICOLE SMITH LOST HER SON. SHE ACCIDENTALLY OVERDOSED. SHE WAS A DRUG ADDICT. YOU DON'T KNOW A THING...** She was famous for being famous-Americana at its Scarlet Letter-wearing best. A bodacious young girl from Texas, Anna remade herself into the centerfold of the world. She was a "dumb blonde," a stripper, a Playboy Playmate, who boldly took her case against her billionaire husband's family all the way to the U.S. Supreme Court. Her tragic life and untimely death evoke

an odd mix of fascination, shock, and dismay. And through it all, there still exists a voracious thirst to discover more about who she actually was...and how she really died. In a book that is sure to surprise even the most avid pop culture junkies, Rita Cosby blows the lid off this astounding story. After an in-depth investigation, this is the definitive journalistic account of the Anna Nicole Smith saga—with unearthed secrets and explosive, never-before-told information. From Ross Mathews, the nationally bestselling author of *Man Up!*, judge on RuPaul's *Drag Race*, and alum of *Chelsea Lately*, comes "a delightful mix of sweet and sour celebrity experiences" (*Shelf Awareness*) in this hilarious and irreverent collection of essays. Pretend it's happy hour and you and I are sitting at the bar. I look amazing and, I agree with you, much thinner in person. You look good, too. Maybe it's the candlelight, maybe it's the booze. Either way, let's just go with it. Keep this all between you and me, and do me a favor? Don't judge me if I name drop just a little. Television personality Ross Mathews likes telling stories. He was always outrageous and hilariously honest, even when the biggest celebrity he knew was his favorite lunch lady in the school cafeteria. Now that he has Hollywood experience—from interning behind the scenes at *The Tonight Show* with Jay Leno to judging RuPaul's *Drag Race*—he has a lot to talk about. In *Name Drop*, Ross dishes about being an unlikely insider in the alternate reality that is showbiz, like that time he was invited by Barbara Walters to host *The View*—only to learn his hero did not suffer fools; his Christmas with the Kardashians, which should be its own holiday special; and his news-making talk with Omarosa on *Celebrity Big Brother*, which, as it turns out, was just the tip of the iceberg. Holding nothing back, Ross shares the most treasured and surprising moments in his celebrity-filled career, and proves that while exposure may have made him a little bit famous, he is still as much a fanboy as ever. Filled with "charmingly told" (*Booklist*) tales ranging from the horrifying to the hilarious—and with just the right "Rossipes" and cocktails to go along with them—*Name Drop* is every pop culture lover's dream come true. Playboy Centerfold Stephanie Heinrich, small-town girl, responded to an ad seeking models for one of Playboy's issues. She soon found herself a favored playmate of Hugh Hefner—and a friend and confidant of Hef's powerful personal secretary, Mary O'Connor. In the most revealing, humorous, and upbeat *Playmate* memoir of all! Originally published in France in 2012, Pascal Mérigeau's definitive biography of legendary film director Jean Renoir is a landmark work—the winner of a Prix Goncourt, France's top literary achievement. Now available in the English language for the first time, *Jean Renoir: A Biography*, is the definitive study of one of the most fascinating and creative artistic figures of the twentieth century. The life of the French filmmaker is divided between his native France and California, where he lived from 1941 until his death in 1979. Renoir was both an eyewitness and active player of his times: he was wounded in 1915 during World War I; became a director out of a love for film; attached his fortunes to the Communist Party in 1936; was hosted by Fascist Italy in 1940; and then went to Hollywood to make films and become an American citizen. He made movies in France, America, India, and Italy and became a writer during the last part of his life. An estimated 75 percent of the book details previously unknown information about the filmmaker, including: –Renoir's close affiliation with Communism in the '30s, when he was the Party's official director –His previously uncredited Hollywood film, *The Amazing Mrs. Holiday* –His desire to become an "American director" and appeal to American audiences Drawing from unpublished or little-known sources and featuring previously unpublished photos, this biography is a completely fresh look at the maker of *Grand Illusion* and *The Rules of the Game*, redefining the very function of the movie director and recounting the history of a century. "You are a man who has vowed to protect his family, even at the cost of your own life. So you have no other choice. . . . You must fight, Samson. You must." The year is 1941, and Samson Abrams makes a life-or-death decision that lands him, and his entire family, in the notorious concentration camp Auschwitz. When

Samson is recognized by Dr. Josef Mengele and Commandant Rudolf Höss as a former boxing champion, he is ordered to box for their entertainment. A win means extra rations, but the penalty for losing is death in the gas chambers. One question haunts Samson as he and his family face one atrocity after another: Where is God in the face of such evil? An unexpected friendship between the Jewish Samson and the Polish Catholic priest Maximilian Kolbe challenges Samson to examine what little is left of his faith, but will it give him strength when he needs it most? Based on true stories, *Samson: A Savior Will Rise* blends Shawn Hoffman's thorough research with a compelling narrative that provokes questions about faith, hope, and love. Here for the first time is the complete, captivating story of an on-set romance that turned into a lifelong love story between silver screen legends Audrey Hepburn and William Holden. In 1954, Hepburn and Holden were America's sweethearts. Both won Oscars that year and together they filmed *Sabrina*, a now-iconic film that continues to inspire the worlds of film and fashion. *Audrey & Bill* tells the stories of both stars, from before they met to their electrifying first encounter when they began making *Sabrina*. The love affair that sparked on-set was relatively short-lived, but was a turning point in the lives of both stars. *Audrey & Bill* follows both Hepburn and Holden as their lives crisscrossed through to the end, providing an inside look at the Hollywood of the 1950s, '60s, and beyond. Through in-depth research and interviews with former friends, co-stars, and studio workers, *Audrey & Bill* author Edward Z. Epstein sheds new light on the stars and the fascinating times in which they lived. In this sexy, darkly funny, and surprisingly poignant memoir, famed New York call girl Natalie "Natalie" McLeenan tells her full story for the first time. A cautionary tale about a bright, confident young woman who sells her future for easy money and glamour, *The Price* takes readers inside the world of the twenty-five-year-old-girl "New York" magazine labeled "The \$2,000-An-Hour Hooker." A gorgeously illustrated collection of twelve "lush and deliciously sinister fairy tales" (Kelly Link) by the New York Times bestselling author of *The Hazel Wood* and *The Night Country!* Before *The Hazel Wood*, there was Althea Proserpine's *Tales from the Hinterland... Journey into the Hinterland*, a brutal and beautiful world where a young woman spends a night with Death, brides are wed to a mysterious house in the trees, and an enchantress is killed twice—and still lives. Perfect for new readers and dedicated fans alike, *Melissa Albert's Tales from the Hinterland* features full-page illustrations by Jim Tierney, foil stamping, two-color interior printing, and printed endpapers. From Karen Gravano, a star of the hit VH1 reality show *Mob Wives*, comes a revealing memoir of a mafia childhood, where love and family come hand-in-hand with murder and betrayal. Karen Gravano is the daughter of Sammy "the Bull" Gravano, once one of the mafia's most feared hit men. With nineteen confessed murders, the former Gambino Crime Family underboss—and John Gotti's right-hand man—is the highest ranking gangster ever to turn State's evidence and testify against members of his high-profile crime family. But to Karen, Sammy Gravano was a sometimes elusive but always loving father figure. He was ever-present at the head of the dinner table. He made a living running a construction firm and several nightclubs. He stayed out late, and sometimes he didn't come home at all. He hosted "secret" meetings at their house, and had countless whispered conversations with "business associates." By the age of twelve, Karen knew he was a gangster. And as she grew up, while her peers worried about clothes and schoolwork, she was coming face-to-face with crime and murder. Gravano was nineteen years old when her father turned his back on the mob and cooperated with the Feds. The fabric of her family was ripped apart, and they were instantly rejected by the communities they grew up in. This is the story of a daughter's struggle to reconcile the image of her loving father with that of a murdering Mafioso, and how, in healing the rift between the two, she was able to forge a new life. In Jill Ann Spaulding's "Jill Ann: Upstairs," she reveals what really goes on behind closed doors at Hef's mansion- shocking and dangerous sexual practices, misguided and backstabbing young

women, and more intrigue than a novel-only it's all true. A cautionary tale for young starlets and models . . . Melissa Joan Hart explained it all-from dating to bullies-in her groundbreaking role as Clarissa Darling on Clarissa Explains It All. She cast a spell on millions more viewers as Sabrina, the Teenage Witch. Now, in Melissa Explains It All, Melissa tells the frank and funny behind-the-scenes stories from her extraordinary past and her refreshingly normal present. Melissa has been entertaining audiences most of her life; when there were no girls named Melissa on her favorite show, the forceful four year old decided she'd get on television her way. From that moment on, Melissa has shown a singular determination and focus-whether it's for booking three national commercials so her dad would build her a tree house or for nailing the audition for Clarissa. From her first commercial to her current starring role in ABC Family's hit Melissa and Joey, Hart never let fame go to her head. She always had one foot in Hollywood and one foot in reality-and still does. Melissa makes us laugh along with her as she talks about: -- guest appearances in shows like Saturday Night Live and The Equalizer --auditioning for Punky Brewster and Clarissa --her early Broadway days --wacky parties she's thrown and attended -- the actors who influenced her and whom she befriended, worked with and competed against --her experiences both on and off-set-with Sabrina's Salem the Cat and Elvis the Alligator on Clarissa --how she met the love of her life at the Kentucky Derby Melissa Joan Hart explains all that she's learned along the way-what's kept her grounded, normal and working when others have not been so fortunate-and that she's the approachable, hilarious girl-next-door her fans have always thought she'd be. Hefner presents an illustrated, chronological selection of highlights from "Playboy" magazine's first 25 years. Welcome to Shadow Valley where the Dirty Angels MC rules. Get ready to get Down & Dirty because this is Axel's story... When you're a cop, life can be complicated when the woman you love is MC born and raised... Though the club blood runs thick in Axel's veins, he's despised by them for being a cop. They also hate him because his family turned their back years ago not only on the club but his brother, the president of the Dirty Angels MC. However, he's loved Bella forever, watched her marry the wrong man, one who broke her in almost every imaginable way, and yet she's still the strongest person he knows. Despite their rivaling families, he won't let anything stand in the way of making her his this time. Bella hasn't known anything other than alpha bikers her whole life. Her marriage to one turned into a tragedy, one that changed the rest of her life. She was never the same after that one fateful night that Axel came to save her. Though he remains on the outskirts of her life, he's always there: watching, waiting, worrying about her. Especially when a rival MC continues to wreak havoc on all of their lives. Like Romeo and Juliet, his family may never accept her, and hers him, but they're both determined to tear down the wall that divides them. Note: This book can be read as a standalone. It includes lots of steamy scenes, biker slang, cursing, some violence and, of course, an HEA. If you like alpha males who like to take charge, this book is for you. When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her "break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the E! reality show, The Girls Next Door, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking -- and bed -- order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile

guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, *Bunny Tales* is compulsively readable and endlessly entertaining! The life of one of the Great Lovers of all time, John Dante lived the life of a bachelor's fantasy, going from his humble beginnings in a small Italian village to the Playboy Mansion, where he lived for 26 years with Hugh Hefner and 40 of the most beautiful women in the world. John Dante was a key figure in the first years of the Playboy empire, hiring Bunnies, training Bunny Mothers, and managing the Playboy jet. He befriended some of the most popular and important figures of our time, including Hugh Hefner, whom John paints as a "fascinating, complex man," as well as Shel Silverstein, Lenny Bruce, Linda Lovelace, Don Adams, James Caan and myriad other personalities and stars. A first hand, inside look. An important book from the life of the second-in-command. "This is a highly original way of telling the story of John Dante, self-made namesake of the more famous Dante. Using the medieval poet's vision of Hell as a kind of running parallel narrative, Anthony Valerio weaves a fascinating tale of ambition, excess, friendship, and rocking good times back in the day of the Playboy Clubs, replete with Bunnies, orgies, and hedonistic fun. Valerio writes with verve and compassion about men and women who ran after their dreams and their pleasures with abandon, living as if youth, potency, and beauty would never end. They did, of course, and this gives a poignant quality to the book. This is also the life story of an Italian American who came up from very humble origins to the heights of Hugh Hefner's sexy Never Never Land. I didn't always like these players' choices, and the machismo of that world is sometimes hard to take. Women are prized for their long, smooth legs, their willingness to service the men, their decorative essence, all of which is not the most admirable way of viewing women. But those were the times and those were the values that dominated Hef's universe. John Dante did have his own moral code, unusual as it was, and he was above all a good and faithful friend. Valerio is so expert at making us feel the lives of others, even those very far from our own experiences, and his colloquial style is just right. It seems that he wrote this book out of friendship, and so it is ultimately a kind, compassionate book. I am looking forward to many more tales told by the master storyteller, Anthony Valerio "

Rebecca West, professor, University of Chicago Being a Playboy bunny is every girls dream. Betty (Dyer) Miller found the world of Playboy to be a world full of glamour, glitz and excitement when she was chosen to be one of the very first Playboy bunnies when the Playboy Club opened in Cincinnati in 1964. Leaving the Playboy Club, she made many attempts at becoming a star. The story follows Betty as she invents many strange and unusual acts to achieve stardom. One act she attempted was being a snake dancer with her supposed boa constrictor, Sheila, which turned out to be a dangerous snake called an anaconda. We all know how fierce an anaconda can be. Another act found Betty being the Dancing Corpse, actually coming out of a casket and scaring a troop of African American cub scouts when she was doing publicity shots in a public park. This chapter is entitled Feet, Do Your Duty. Among her five husbands was celebrity Kenny Jones, who was a guitar player on the Midwestern Hayride - a popular television show that was telecast nationally. She had watched Kenny on the show for years, never dreaming that one day she would meet him and even marry him. What a thrill that had to have been. Being married to Kenny threw her into the world of top name performers like Kris Kristofferson and Johnny Paycheck who would jam with Kenny at a club called Whiteys in Cincinnati. Betty also narrowly escaped being one of the Cincinnati Stranglers victims as she encountered him one night after leaving the Playboy Club. Her encounter with him is chilling and will have readers on the edge of their seats. Readers will be memorized by her story. Should Hollywood ever get hold of it, the life and times of Betty Miller would make an excellent and very entertaining movie. When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her

"break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun.
