They want more for themselves--but sometimes they don't quite know what that more should be. That's where Miss Black New Jersey 2018 and Teen Vogue "It Girl" turned fashion writer Tarah-Lynn Saint-Elien comes in. Through her insightful comments on media, pop culture, and pervading cultural myths about beauty, fashion, and womanhood, Tarah-Lynn dismantles the messages that feed into the insecurities, fears, doubts, and guilt that young women experience today. She introduces them to an understanding of God as a loving Father and the King of all kings, who bestows upon his daughters a crown of love, worth, and power. And she shows them how to not only claim the promises of God but also walk purposefully in them as independent women (no prince necessary!) who respond to adversity with righteousness and authority. Noble Laureate S. Y. Agnon brings together what has always been at the heart of Jewish religious consciousness: the Sinai event, the Revelation--as both memory and continuously renewed experience. Publisher Description This work has been brought up to date and revised to drink from the wells of its zealous and hearty resolve for the truth by those who both preached and taught the doctrine which stood behind both the National Covenant in Scotland, and Solemn League and Covenant. These documents create a religious and binding foundation for the framers of the Westminster Confession of Faith, and the Catechisms. What was their purpose? To uphold the “reformation and defense of religion.” They desired this, 1) to preserve “the reformed religion in the Church of Scotland, in doctrine, worship, discipline, and government, against our common enemies,” and 2) to bring about the “reformation of religion in the kingdoms of England and Ireland, in doctrine, worship, discipline, and government, according to the Word of GOD, and the example of the best reformed Churches.” Such a consensus of unity on the issue of doctrine should be a hearty witness to the 21st century’s church. Authors include Samuel Rutherford, James Kerr, Alexander Henderson, Philip Nye, Thomas Case, Joseph Caryl, Edmund Calamy, Robert Douglas, and many more. To help Christians apply the person and work of the incarnate Christ as they think about the nature of politics or engage in political activity. In Scotland in 1679, sixteen-year-old Angus M’Kethe and his family struggle to be true to their Covenanter faith as they face physical and religious persecution at the hands of King Charles II and his English and Highlander supporters. Spock and McCoy must help Kailyn, a beautiful princess, ascend the Shaddon throne before the Klingons obtain the Shaddon crown and control of the whole quadrant Duncan and Angus, brothers in a Covenanter family in seventeenth-century Scotland, come of age in the midst of physical and spiritual battles. This incredible history presents a precise overview of the events of 17th-Century Scotland. The author, David Hay Fleming, delivered an accurate report on The National Covenant (1638) and the Solemn League and Covenant (1643), the defining agreements of two different phases of the mid-17th-century Covenanting Revolution. The National Covenant was signed by the people of Scotland in 1638, resisting the suggested reforms of the Church of Scotland by King Charles I. On the other hand the Solemn League and Covenant was an agreement between the Scottish Covenanters and the heads of the English Parliamentarians in 1643 during the First English Civil War. Fleming included the names of the famous personalities linked with the events and the several places and dates of their occurrence. In addition, he wrote several unknown facts about the subject that keep the readers curious throughout. It’s a perfect read for history beginners and enthusiasts.
