NATIONAL BESTSELLER To get ahead today, you have to be a jerk, right? Divisive politicians. Screaming heads on television. Angry campus activists. Twitter trolls. Today in America, there is an “outrage industrial complex” that prospers by setting American against American, creating a “culture of contempt”—the habit of seeing people who disagree with us not as merely incorrect, but as worthless and defective. Maybe, like more than nine out of ten Americans, you dislike it. But hey, either you play along, or you’ll be left behind, right? Wrong. In *Love Your Enemies*, social scientist and author of the #1 New York Times bestseller *From Strength to Strength* Arthur C. Brooks shows that abuse and outrage are not the right formula for lasting success. Brooks blends cutting-edge behavioral research, ancient wisdom, and a decade of experience leading one of America’s top policy think tanks in a work that offers a better way to lead based on bridging divides and mending relationships. Brooks’ prescriptions are unconventional. To bring America together, we shouldn’t try to agree more. There is no need for mushy moderation, because disagreement is the secret to excellence. Civility and tolerance shouldn’t be our goals, because they are hopelessly low standards. And our feelings toward our foes are irrelevant; what matters is how we choose to act. *Love Your Enemies* offers a clear strategy for victory for a new generation of leaders. It is a rallying cry for people hoping

for a new era of American progress. Most of all, it is a roadmap to arrive at the happiness that comes when we choose to love one another, despite our differences. *Know Your Limits-Then Ignore Them* contains 101 "Nuggets of Truth" to help you break through barriers, reach new heights and live your dreams. In *An Enemy Called Average*, John Mason presents principles to help you get from where you are to where your dreams are; ultimately breaking the chains of mediocrity. You'll find 29 short chapters that will set you on track to dream big and achieve your goals! Learn to deal with negative feedback, be open to change, set deadlines, hang on to your dreams like a bull dog and so much more! To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better. Change your way of thinking and you can change your life. In *You Can Do It--Even If Others Say You Can't*, bestselling author John Mason offers readers inspirational truth in bite-sized pieces, making them easy to remember and apply to life's issues, big and small. He powerfully shows that the past does not equal the future and readers can live fruitful and fulfilling lives when they step forward in faith, believing that God will provide the means to accomplish the impossible. A former FBI Special Agent and leading cybersecurity expert offers a devastating and essential look at the misinformation campaigns, fake news, and electronic espionage operations that have become the cutting edge of modern warfare—and how we can protect ourselves and our country against them. Clint Watts electrified the nation when he testified in front of the House Intelligence Committee regarding Russian interference in the 2016 election. In *Messing with the Enemy*, the cyber and homeland security expert introduces us to a frightening world in which terrorists and cyber criminals don't hack your computer, they hack your mind. Watts reveals how these malefactors use your information and that of your friends and family to work for them through social media, which they use to map your social networks, scour your world affiliations, and master your fears and preferences. Thanks to the schemes engineered by social media manipulators using you and your information, business executives have coughed up millions in fraudulent wire transfers, seemingly good kids have joined the Islamic State, and staunch anti-communist

Reagan Republicans have cheered the Russian government's hacking of a Democratic presidential candidate's e-mails. Watts knows how they do it because he's mirrored their methods to understand their intentions, combat their actions, and coopt their efforts. Watts examines a particular social media platform—from Twitter to internet Forums to Facebook to LinkedIn—and a specific bad actor—from al Qaeda to the Islamic State to the Russian and Syrian governments—to illuminate exactly how social media tracking is used for nefarious purposes. He explains how he's learned, through his successes and his failures, to engage with hackers, terrorists, and even the Russians—and how these interactions have generated methods of fighting back. Shocking, funny, and eye-opening, *Messing with the Enemy* is a deeply urgent guide for living safe and smart in a super-connected world. New York Times bestselling author Penelope Douglas introduces Quinn, younger sister to Jared, Madoc, and Jaxon, in this compelling novella in the *Fall Away* series. Quinn Caruthers has several problems: her father, Jason, and her three older brothers, Jared, Madoc, and Jaxon. Under the close watch of the men in her family, Quinn has found it nearly impossible to spread her wings—or even date—without them jumping in to hover. And when a family friend—several years older—from her childhood captures her heart, she knows they're going to be a problem. Lucas Morrow is a man—experienced, sophisticated, and important. And knowing her brothers, he may as well be forbidden. But Lucas left town years ago and shows no signs of returning. Quinn knows she shouldn't wait for him anymore. But then a package turns up on her doorstep with no return address and its contents reveal family secrets that threaten to turn Quinn's world upside down. She's never asked about the tumultuous path of her parents' romantic history, but she soon learns their happy marriage had a very rocky and passionate start. As she begins to see things around her with new eyes, Quinn will have to make tough choices about whether she'll keep waiting...or finally go after what she really wants. This runaway national best seller is one of the most quoted books in Christian circles. It is an established backlist bestseller, having sold over 400,000 copies. Written to those who refuse to accept mediocrity in their lives, its short, quick-hitting nuggets of truth allow readers to capture the power of the author's inspirational challenge to really live. An upbeat and energizing guide provides catchy and memorable inspirational advice, encouraging readers to embrace life and eliminate the barriers to excellence. Original. George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of

Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Politics and the English Language*, the second in the *Orwell's Essays* series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's *Politics and the English Language* is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can - and must - be rediscovered with every age.' — Irish Times "The right story at the right time. . . . It's not just a narrative; it's an experience. It's the novel we've been waiting for." —The New York Times

A boy tries to steer a safe path through the projects in Harlem in the wake of his brother's death in this outstanding debut novel that celebrates community and creativity. **** WINNER OF THE CORETTA SCOTT KING-JOHN STEPTOE AWARD FOR NEW TALENT! ** MICHAEL B. JORDAN TO DIRECT MOVIE ADAPTATION! SIX STARRED REVIEWS!** It's Christmas Eve in Harlem, but twelve-year-old Lolly Rachpaul and his mom aren't celebrating. They're still reeling from his older brother's death in a gang-related shooting just a few months earlier. Then Lolly's mother's girlfriend brings him a gift that will change everything: two enormous bags filled with Legos. Lolly's always loved Legos, and he prides himself on following the kit instructions exactly. Now, faced with a pile of building blocks and no instructions, Lolly must find his own way forward. His path isn't clear—and the pressure to join a "crew," as his brother did, is always there. When Lolly and his friend are beaten up and robbed, joining a crew almost seems like the safe choice. But building a fantastical Lego city at the community center provides Lolly with an escape—and an unexpected bridge back to the world. David Barclay Moore paints a powerful portrait of a boy teetering on the edge—of adolescence, of grief, of violence—and shows how Lolly's inventive spirit helps him build a life with firm foundations and open doors. **MORE PRAISE FOR THE STARS BENEATH OUR FEET: A New York Times Notable Book A Time Top 10 Children's Books of the Year A Boston Globe Best Children's Book of the Year A Publishers Weekly Best Book of the Year A Kirkus Reviews Best Children's Book of the Year A Shelf Awareness Best Children's Book of the Year An ALA-YALSA Quick Pick An ALA-ALSC Notable Children's Book** "A fast and furious read in which we meet some amazing people, people that stay with us. David Barclay Moore is an exciting new voice. We definitely haven't heard the last of his brilliance." —Jacqueline Woodson, Newbery Honor and National Book Award-winning of *Brown Girl Dreaming* "The Stars Beneath Our Feet is about the weight of the world on the back of a child, and the creative tools necessary to alleviate that pressure. I found myself rooting for Lolly, and you will too." —Jason Reynolds, Coretta Scott King Honor Award

Winner for As Brave As You Following three Afghans - a Taliban commander, a US-backed warlord and a housewife trapped in the middle of the fighting - through years of US missteps, this dramatic narrative reveals the workings of America's longest war and the truth behind its prolonged agony. 25,000 first printing. This is the new, updated and expanded version of the national best-selling book, *An Enemy Called Average* originally published in 1990.

Stand Out - Don't Blend In! Within every person is a desire to be fully who they were created to be. No one really wants to "just get by." Regardless of where you are in life, how much you have or have not accomplished, God is not finished with you yet! Divided into 52 "nuggets" of truth, *An Enemy Called Average* is a source of godly wisdom, scriptural motivation, and practical principles. The words of this book will stir up the gifts and dreams within you. Instead of digging through ten pages to find one good idea, you'll find ten good ideas on every page. Think about it... Your problem is your promotion Worry is interest paid in advance on something you may never own The faith to move mountains always carries a pick People are born originals, but most die copies Ideas go away, but direction stays Stop every day and look at the size of God "John Mason wrote a very good book that I recommend you read: *An Enemy Called Average*. I learned from this book: 'Know your limits, then ignore them. The most unprofitable item ever manufactured is an excuse. Don't sit back and take what comes. Go after what you want' " (excerpt from her book, *A Leader in the Making*). - Joyce Meyer, Minister and Best-selling Author "The originality and practicality of John Mason's words and wisdom are a proven commodity which makes every new book of his a celebrated event...Read and prosper!" - Jack Hayford, Founding Pastor of Church on the Way and Author Give *An Enemy Called Average* one year, just one nugget a week, and your life will never be the same. About the Author: John Mason is an internationally recognized best-selling author, speaker, minister and author coach. His books have sold over 1.5 million copies and have been translated into thirty-five languages. Five of his books have reached #1 on an Amazon best-seller's list." There are lots of things in life that might make us want to give up, stop short, or not finish the race. But God is there to help us overcome anything that holds us back from achieving our best. In his signature style, bestselling author John Mason offers readers 52 nuggets of truth that will break down the barriers to excellence in their lives. Leaders, entrepreneurs, students, and anyone ready to launch an all-out attack on mediocrity will love this upbeat and energizing book. The winner is the one who refuses to lose. *Fall Seven Times, Stand Up Eight* presents 52 key principles, actions, and encouragements that equip readers to develop the perseverance and determination that lead to real success. Best-selling author John Mason again launches an all-out attack on mediocrity with this sequel to his

phenomenally popular book *An Enemy Called Average*. Divided into 52 "nuggets" of truth, *Conquering An Enemy Called Average* is a source of godly wisdom, scriptural motivation and practical principles. The words of this book will break down the barriers to excellence in your life and release you to be all that God created you to be. Think about it... Imitation is limitation. Procrastination is the fertilizer that makes difficulties grow. Living a double life will get you nowhere twice as fast. If you chase two rabbits, both will escape. Adversity has advantages. Know your limits, then ignore them. The only place to start is where you are. There is no future in the past. Do what people say cannot be done. "Take the lid off" of an average lifestyle and live a life of excellence today! This is the new, updated and expanded version of the national best-selling book, *An Enemy Called Average*, originally published in 1990. *Stand Out - Don't Blend In!* Within every person is a desire to be fully who they were created to be. No one really wants to "just get by." Regardless of where you are in life, how much you have or have not accomplished, God is not finished with you yet! Divided into 52 "nuggets" of truth, *An Enemy Called Average* is a source of godly wisdom, scriptural motivation, and practical principles. The words of this book will stir up the gifts and dreams within you. Instead of digging through ten pages to find one good idea, you'll find ten good ideas on every page. Think about it... Your problem is your promotion Worry is interest paid in advance on something you may never own The faith to move mountains always carries a pick People are born originals, but most die copies Ideas go away, but direction stays Stop every day and look at the size of God "John Mason wrote a very good book that I recommend you read: *An Enemy Called Average*. About the Author: John Mason is an internationally recognized best-selling author, speaker, minister and author coach. His books have sold over 1.5 million copies and have been translated into thirty-five languages. Four of his books have reached #1 on an Amazon best-seller's list. Written to teach people to take the lid off of average lifestyles and live lives of excellence. Mason challenges readers who feel trapped by their circumstances to live by faith and to experience a fruitful life regardless of their circumstances. Uplifting and inspiring, this book can help busy readers escape their endless battles for the status quo. The author of

the bestselling *An Enemy Called Average* shows readers who aren't satisfied with the status quo that believing in yourself is the first step to success. Get *Over Yourself!* Jennifer Beckham Chosen to play the coveted role of "Disney Princess," author Jennifer Beckham knew she would find the acceptance and love she had been searching for all her life waiting there on top of that float, inside that magical carriage. Boy was she wrong! God wanted her to address a crippling tendency shared by many women—to get so stuck in the pain, the misery, and the heartaches of life that they never fully move on and into the purposes of God. In *Get Over Yourself*, seven practical principles serve as your roadmap to get over your "self-issues" and into a life free from shame, regret, anger, and insecurity. You can:

- Get over the fickle feelings that hinder your faith.
- Get over insecurity and self-doubt that steals your freedom.
- Get over guilt, regret, and shame that plagues your life.
- Get over the lingering pain of your past that keeps you hurting.
- Get over negative belief systems that influence destructive behavior.
- Get over debilitating thoughts that rule your life and wreck your day.
- Get over your lack of fulfillment and find purpose.

It's time to turn your pain into purpose, misery into ministry, and heartache into heartbeat. Orphaned by the Border Wars, Alina Starkov is taken to become the protégée of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold. With his signature infectious positive energy, John Mason offers you a simple yet powerful message of encouragement and hope--you can seize today and uncover a brighter tomorrow. For anyone who feels stuck, who yearns for a change but isn't sure just how to pursue it, John shows that the most powerful tool we have is asking ourselves the right questions to get the right answers. These bite-sized readings are perfect for busy professionals, overworked moms, entrepreneurs, and anyone looking for an uplifting boost.

#1 NEW YORK TIMES BESTSELLER • In her latest book, Brené Brown writes, "If we want to find the way back to ourselves and one another, we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection." In *Atlas of the Heart*, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown's extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. *Atlas of the Heart* draws on this

research, as well as on Brown's singular skills as a storyteller, to show us how accurately naming an experience doesn't give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, "I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves." When eighth-grader Cameron Boxer creates the Positive Action Group at school he intends it as a diversion to fool his parents, teachers, and sister into letting him continue to concentrate on his video-gaming--but before he knows it other kids are taking it seriously, and soon he finds himself president of the P.A.G., and involved in community service, so the boy who never cared about anything is now the center of everything, whether he likes it or not. Does Jesus' call to love our enemies mean that we should remain silent in the face of injustice? Jesus called us to love our enemies. But to befriend an enemy, we first have to acknowledge their existence, understand who they are, and recognize the ways they are acting in opposition to God's good news. In *How to Have an Enemy: Righteous Anger and the Work of Peace*, Melissa Florer-Bixler looks closely at what the Bible says about enemies--who they are, what they do, and how Jesus and his followers responded to them. The result is a theology that allows us to name our enemies as a form of truth-telling about ourselves, our communities, and the histories in which our lives are embedded. Only then can we grapple with the power of the acts of destruction carried out by our enemies, and invite them to lay down their enmity, opening a path for healing, reconciliation, and unity. Jesus named and confronted his enemies as an essential part to loving them. In this provocative book, Florer-Bixler calls us to do the same. The instant *Wall Street Journal*, *USA Today*, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other

forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, “you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you’ve set out to achieve.” The one-and-only original, Earl Nightingale’s *Strangest Secret* endorsed by Nightingale Conant. The *Strangest Secret* is much more than a wealth-building tool; it is a manifesto for self-actualization and purpose-driven work. In Nightingale’s own words: “The only man who succeeds is the man who is progressively realizing a worthy ideal.” In this book, Nightingale distills his lifetime of research on human motivation into a simple success formula—the very same one that propelled his own achievement. The *Strangest Secret* is a practical guide for accelerated prosperity so that you can quickly rise to the top, becoming one of the top 5 percent who succeed in your field. Challenge yourself with Nightingale’s thirty-day test for putting this secret success formula into action in your life, and chart your own path to productivity, financial independence, and personal fulfillment. Having grown up during the Great Depression, Earl Nightingale was fascinated by the difference between those who attain high levels of personal, professional, and financial success and those who do not. He devoted his life to searching out a recipe for achievement—a means of predicting success in any area of life. While reading the line in Napoleon Hill’s *Think and Grow Rich* that “we become what we think about,” Nightingale experienced a watershed moment of self-discovery that resulted in his becoming financially independent by the young age of thirty-five. Make this book your catalyst to the transformation you seek. Brief inspirational readings encourage readers to be the unique individual that God created them to be. Within every person is a desire to be different, distinctive . . . original. Deep down inside, everyone wants to be above average. No one really wants to just get by. John Mason believes that regardless of where you are in life, how much you have or have not accomplished, God has a unique gift and calling just for you. Mason weaves wisdom, scriptures, and practical action steps to teach basic life issues on success. There’s no such thing as witches...right? Emerson Wilde has built the life of her dreams. Youngest Chamber of Commerce president in St. Cyprian history, successful indie bookstore owner, and lucky enough to have her best friends as found family? Done. But when Emerson is attacked by creatures that shouldn’t be real, and kills them with what can only be called magic, Emerson finds that the past decade of her life has been...a lie. St. Cyprian isn't your average Midwestern river town—it’s a haven for witches. When Emerson failed a power test years ago, she was stripped of her magical memories. Turns out, Emerson’s friends are all witches. And so is she. That's not all, though: evil is lurking in the charming streets of St.

Cyprian. Emerson will need to learn to control what's inside of her, remember her magic, and deal with old, complicated feelings for her childhood friend--cranky-yet-gorgeous local farmer Jacob North—to defeat an enemy that hides in the rivers and shadows of everything she loves. Even before she had magic, Emerson would have done anything for St. Cyprian, but now she'll have to risk not just her livelihood...but her life. Everything worth doing is going to have some obstacles. Some people look at setbacks as evidence that whatever it is they've been striving for just wasn't meant to be. But according to bestselling author and master motivator John Mason, the moment most people give up is the moment of their greatest opportunity. In this inspiring book, Mason gives readers fifty-two keys to never giving up on their dreams. He shows them how to ask the right questions when they are on the verge of quitting, how to avoid unnecessary trouble, and how to keep their energy level up in the face of setbacks. Whether readers are building a business, a family, a portfolio, or relationships, they'll find the strength and motivation to go on, break through, and claim the prize. This inspirational book lays out God's answer of freedom and deliverance to those confined by religiosity. Sometimes, life isn't going the way we want it to because we're simply not asking the right questions. Our focus is on our circumstances or our problems. We're asking why me? when we should be asking what next? With his signature infectious positive energy, John Mason offers readers looking for direction this simple yet powerful message of encouragement and hope--you can seize today and uncover a brighter tomorrow. For anyone who feels stuck, who yearns for a change but isn't sure just how to pursue it, Mason shows that the most powerful tool we have is asking ourselves the right questions to get the right answers. These bite-sized readings are perfect for busy professionals, overworked moms, entrepreneurs, and anyone looking for an uplifting boost. In need of some positivity in these troubled times? Look no further than this inspiring collection of short motivational and aspirational readings that will have you ready to take on the world by being the best version of yourself. Accessible and encouraging, the nuggets of wisdom in this giftable book are perfect for the recent graduate, the aspiring entrepreneur, the seasoned business leader, and anyone who needs a pick-me-up in the midst of a challenging time of life. The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's --

and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. **THEY CALLED US ENEMY** is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime. Most business books on the market today stroke people's egos by telling them what they want to hear and by reinforcing what they already know. Larry Winget makes the case that poor results in the workplace are the result of apathy and poor performance. He points the finger of blame exactly where it needs to be pointed: the face of the reader.
