Interactions—a powerful and challenging tool for building deep relationships between you and your group members, and you and God. Interactions is far more than another group Bible study. It's a cutting-edge series designed to help small group participants develop into fully devoted followers of Christ. The book you hold resonates with this conviction: that leaders such as you have the potential to be the most influential forces on planet Earth. Yours is the staggering responsibility and the matchless privilege of rallying believers and mobilizing their spiritual gifts in order to help people who are far from God become fully devoted followers of Christ. Life transformation and the eternal destinies of real people depend on the redemptive message entrusted to the local church. Are you willing to do whatever it takes to lead your church effectively so God's message of hope can change the world? Then this book is for you. Courageous Leadership is Bill Hybels' magnum opus, a book far too important to be written before its time. Only now, after nearly thirty years leading his own church from a handful of people with a burning vision into a globe-spanning kingdom force—only after almost three decades of victories and setbacks, of praying hard and risking big—is Hybels ready at last to share the lessons he has learned, and continues to learn, about Christian leadership. Too much is at stake for you not to maximize your spiritual gift of leadership, insists Hybels. In this passionate, powerful book, he unpacks the tools, tasks, and challenges of your calling. You'll discover the power of vision and how to turn it into action. You'll gain frontline insights for developing a kingdom dream team, discovering your leadership style, developing other leaders, making decisions, walking with God, embracing change, staying your God-given course, and much, much more. Drawing on his own richly varied life experiences, Hybels fleshes out vital principles with riveting firsthand stories. This is far more than another book on leadership strategies and techniques. You'll find those topics in here, to be sure. But beyond them, you'll find the very essence of one of today's foremost Christian leaders—his fervent commitment to evangelism and discipleship and his zeal to inspire fellow church leaders even as he seeks to keep growing as a leader himself. If unchurched people matter to you . . . if you love seeing believers serve passionately with their spiritual gifts . . . if God's heartbeat for the church is your heartbeat as well . . . then this book is a must. Courageous Leadership will convince you to lead with all your might, all your skill, and all your faith. And it will give you the tools to do just that. Six-session small group studies to build true community within the church and among the world. Sermon on the Mount 2: In this sermon, Jesus calls his disciples to live out a love relationship with every person they meet--a relationship inspired and guided by his teaching and infused with the power of the Holy Spirit. FOR DISTRIBUTION OUTSIDE THE USA. Building on the solid foundation laid in Becoming a Contagious Christian (1994), Just Walk Across the Room signals the next era in personal evangelism. Pastor Bill Hybels' firm conviction is that the highest value in personal evangelism is being attuned to and cooperative with the promptings of the Holy Spirit. This means playing only the role you are intended to play---walking when the Spirit says to walk; talking when the Spirit says to talk; and falling silent when the Spirit suggests that you've already said enough. Identify the trappings of Christianity and trade them for a vibrant faith that integrates Christian values into your everyday life. Discover the inconsistent areas of your life, proven ways to align them with the teaching of the Bible, and find a new joy that comes from growing closer to God. (6 Sessions) "When I listen to the evening news or read the morning paper these days my reaction is always the same: what's wrong in our world will not be set right until people who love God and who refuse to cave to these overwhelming challenges put the things they believe into action, things like courage and discipline and love." Bill Hybels Who You Are When No One's Looking has pointed the way to godly character for more than twenty years. Now Bill Hybels's essential book is completely revised and updated, featuring a new introduction, a new concluding chapter ("World-Change: When Character Counts Most") and a discussion guide for groups. This landmark book presents a blueprint for starting a spiritual epidemic of hope and enthusiasm for spreading the Gospel. The floodwaters of life are rising; the current races faster. You feel yourself slipping. You need a secure foothold . . . and you need it now! We have all experienced the heart-pounding feeling of losing our stability in the storms of life. We want to stand strong as followers of Christ, but the world presses against us with staggering force. Where can we find an unshakable foundation for life? In the book of 1 Peter, you and your small group will find a rock-solid basis for living in a precarious and uncertain world. God offers you hope, love, purpose,

service, submission, and victory. You can stand strong against the flood as you anchor yourself to the bedrock of Jesus Christ. Bill Hybels points us to the wisdom of the book of Proverbs. This practical guidebook is ideal for anyone who wants to live the Christian life with wisdom and wholeness. Of course you try to do your best when others are watching. But what about when you are alone? That's when character really counts--when it's just between you and God. Six studies, drawn from Bill Hybels's *Who You Are When No One's Looking*, focus on the qualities that are the foundation of character: courage, discipline, vision, endurance, compassion and self-sacrifice. With this foundation and God's guidance, you can do your best at all times--even when you face temptations and troubles, even when no one is watching. In "Simplify," bestselling author Bill Hybels identifies the core issues that lure us into frenetic living--and offers searingly practical steps for sweeping the clutter from our souls. Today's velocity of life can consume and control us ... until our breakneck pace begins to feel normal and expected. That's where the danger lies: When we spend our lives doing things that keep us busy but don't really matter, we sacrifice the things that do. What if your life could be different? What if you could be certain you were living the life God called you to live--and building a legacy for those you love? If you crave a simpler life anchored by the priorities that matter most, roll up your sleeves: Simplified living requires more than just cleaning out your closets or reorganizing your desk drawer. It requires uncluttering your soul. By eradicating the stuff that leaves your spirit drained, you can stop doing what doesn't matter--and start doing what does. What is the one aspect of this broken world that, when you see it, touch it, get near it, you just can't stand? Very likely, that firestorm of frustration reflects your holy discontent, a reality so troubling that you are thrust off the couch and into the game. It's during these defining times when your eyes open to the needs surrounding you and your heart hungers to respond that you hear God say, "I feel the same way about this problem. Now, let's go solve it together!" Bill Hybels invites you to consider the dramatic impact your life will have when you allow your holy discontent to fuel instead of frustrate you. Using examples from the Bible, his own life, and the experiences of others, Hybels shows how you can find and feed your personal area of holy discontent, fight for it when things get risky, and follow it when it takes a mid-course turn. As you live from the energy of your holy discontent, you'll fulfill your role in setting what is wrong in this world right! This pack includes three fantastic books by Bill Hybels and others that focus on leadership, including *Courageous Leadership*, *Leadership Axioms*, and *The Call to Lead*. Offers the counsel of biblical advice and principles to the triumphs and problems of marriage. God instituted festivals and feasts. Jesus went to weddings and parties. Christians were made to be people who celebrate, and the focal point of praise should always be God. He is generous, and He is righteous, and believers' natural responses should be celebration. The urgent need for prayer in today's broken world is clear, but busyness still keeps many of us from finding time to pray. So Bill Hybels offers us his practical, time-tested ideas on slowing down to pray. This series of studies maps out God's road to freedom and significance. Every journey begins with one step. Are you ready to take it? *Interactions*—a powerful and challenging tool for building deep relationships between you and your group members, and you and God. *Interactions* is far more than another group Bible study. It's a cutting-edge series designed to help small group participants develop into fully devoted followers of Christ. On first publication in the 1960s, "Honest to God" did more than instigate a passionate debate about the nature of Christian belief in a secular revolution. It epitomized the revolutionary mood of the era and articulated the anxieties of a generation. In a society where "upward mobility" is the highest goal, Bill Hybels asks a tough question: Do Christians place God's desires first--or their own? In *Descending into Greatness*, Hybels and writer Rob Wilkins take the example of Christ's downward journey as it was meant to be; the radical and essential answer for every Christian. In fourteen powerful chapters, the authors explore such topics as How Jesus managed power. The intentional decisions necessary to move down. The uplifting nature of true humility. Abundant life through dying to self. The ambush of joy. Moving down is never an easy matter that can be reduced to a formula. It involves a life committed to discipleship. *Descending into Greatness* introduces you to the touching stories of modern men and women committed to advancing the kingdom of God: from the pro football player, to the medical missionary, to a businessman wrestling with the priorities in the world of finance. *Descending into Greatness* asks tough questions and gives hopeful answers. Now, this powerful, urgent message also includes a discussion guide so that you can follow through, too. "Like Christ, we must descend--into self-abandonment, unconditional giving, sacrifice, and death to self. And, like Christ, we will then ascend--into fulfillment, blessing, joy, and purpose." Discover how firmly God is committed to forming noble qualities within you and the power to do something about it! (6 Sessions) *Come Close and Meet the One Who Loves You* How do you jog your memory and restore your vision of God? A fresh encounter! Look into the face of the Father and see him smile with delight as he gazes adoringly at you. Open your eyes and stand amazed at the glory and intricacies of creation and remember the vastness of God's handiwork. Peek behind the veil of eternity and get a glimpse of heavenly worship and be swept into the party of praise. The book of Psalms opens our hearts and eyes to the presence, power, and character of God. In this ancient prayer book we discover how to connect with the One who loves us more than we dare to dream. Learning to put God's kingdom first by choosing to put self second is the secret to finding true satisfaction. This book examines how that is possible by looking at various real-world situations. Bestselling author and pastor Bill Hybels helps equip leaders with five key skills that everyone needs in order to grow their leadership ability. In this five-session teaching video (DVD/digital video sold separately), Hybels will help leaders discover what kind of leader they are, how to gain self-awareness and relational awareness, how to build an effective team, how to form and declare a vision, and discovering each leader's holy discontent. Sessions include: *The Power of Vision* *The Toughest Person You Lead* *Mastering 360-Degree Leadership* *Building a Fantastic Culture* *Pursue Your Unique Calling* Designed for use with the *Leading from Here to There* Video Study 9780310884606 (sold separately). Encourages Christians to leave their own comfort zone and reach out to others who are living without God. Pastor Bill Hybels believes that there is a new reality in America. The church has entered an era of growth and unprecedented spiritual opportunity to share the Gospel, yet at the same time we face a shrinking economy and a world in crisis. This poses a great resource challenge for the church. In order to reach out to people who are spiritually hungry, the church needs more people to be equipped to serve others. Hybels passionately believes the key

to the future of the church is the equation "X (paid staff) + Y (volunteers) = Z (bearing much fruit for God's glory)." Churches cannot afford to continue hiring more and more staff with limited budgets. The key to resourcing the church is what Hybels calls "the Y factor." The Y factor is the pool of volunteers in every church. The great need of the church is to grow the church's volunteer base through the equipping ministry of church staffs. As churches recover the message of Ephesians 4:11-12 to "equip God's people for works of service" they will launch a Volunteer Revolution. People are just waiting to discover the gifts and passions that God has given them to serve others and then be invited to use those gifts and passions through the local church in order to advance the kingdom of God on Earth. Hybels believes that every church staff should be helping people discover their spiritual gifts, passions and place of service in order to meet the growing needs in our churches and world. Hybels makes a clarion call to move beyond volunteer retention to volunteer acquisition. By attracting, connecting, training, and sustaining volunteers, churches will mobilize people into places of service that will bring new meaning to their lives and understand why God put them on planet Earth. Hybels also outlines how we can build lifelong volunteers in the church through community, celebration, and commendation. Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth, from 100 members meeting in a Palatine, Illinois, movie theater to its present Sunday morning attendance of 15,000. Bill Hybels and his wife, Lynne, tell about Willow Creek's beginnings, its struggles, the philosophy behind its success, and the strategies that have made it a model for church growth. The first half of the book, written by Lynne Hybels, explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories. It offers an honest look at the ways God has used both the strengths and weaknesses of His people, creating a church of believers who have had tremendous impact for Christ in their community. In the second half of Rediscovering Church, Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission. From mission statements to developing leadership, making sound financial decisions, and handling growth, Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world, to be the body of Christ in real and tangible ways. Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology, its vision and values. The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration, encouragement, and a means of uncovering the pattern for their own unique mission and ministry.
