Why I Believe in a Pre-Tribulation Rapture Feb 14 2022 Are you confused about end time events? Are you concerned about what the future holds? Are you tired of ministries that use Bible prophecy as a money making scheme instead of simply proclaiming the truth of God's Word? If you could purchase just one book that has never missed on predicting a future event would you buy it? Approximately 30% of the Bible is unfulfilled prophecy - future events that are going to come to pass just as they are predicted. Every single prophecy about the first coming of the LORD Jesus Christ was fulfilled literally - therefore why do we doubt that the prophecies concerning His second coming will also be fulfilled literally? In this non-copyrighted book you have twelve riveting chapters, quoting hundreds of Bible verses about the soon rapture of the church age saints and the tribulation events that follow on the earth. The contents of this book involved over a decade of research along with much prayer for the leadership of the Holy Spirit. One particular author or teacher was not blindly followed when writing this book, but everything was weighed with the Holy Scriptures and this book even goes against the main-stream interpretation at times. It is said that the LORD Jesus Christ literally fulfilled 108 specific prophecies with His first coming over 2000 years ago. The chances of just one man fulfilling only eight of these prophecies is astronomical-one in ten to the 21st power. The Bible is the future already written, but most people dismiss it or use allegory/symbolism to explain away its clear teachings. If you want to learn more about the truth of the rapture and related future events, I encourage you to purchase this book. It is a quick read at exactly 110 full length pages in the paperback version, but has much scripture and links that provide a treasure chest of information wealth. It will motivate you to read the Bible for yourself and have confidence in "Thus Saith the LORD". See the short excerpt below: "Revelation allows the careful student to take prophecies from both the Old and New Testament and place them on a timeline. This timeline is initially established in the book of Daniel with two specific landmarks. These landmarks are the beginning of the 7 year Tribulation Period as marked by the signing of the 7 year peace treaty between the Antichrist and the nation of Israel (Daniel 9:27), and the breaking of the peace treaty halfway through the 7 year Tribulation Period, when the Antichrist (the Beast) commits the desecration of the Temple at Jerusalem in the Abomination of Desolation (Daniel 7:25, 9:27, 11:31-32, 12:7, 12:10-12 and Matthew 24:15). With these two landmarks in mind, the book of Revelation puts the pieces of the Tribulation Period puzzle together for the serious student of prophecy. The third landmark is..."

The Dialectical Method of Biblical Exegesis Oct 18 2019 The Dialectical Method of Biblical Exegesis encourages a sharpening of God-given abilities to develop Bible based models for church ministries. It promotes a dependency on the Holy Spirit for illumination rather than philosophy, language competencies, or academic discipline. One way to address this dependency is to correct the relationship between discipline and dependency. Therefore, developing a new paradigm is one way to carry out this task. For example, The Dialectical Method of Biblical Exegesis: A Revelation Paradigm for Students Taught by the Holy Spirit Studying Scripture offers an alternative.

End Time Delusions Apr 04 2021 Will Christians vanish in a rapture? Will seven years of apocalyptic terror overtake those left behind? Will one future Mr. Diabolical—the antichrist—rise to control the world? Will he enter a rebuilt Jewish temple, claiming to be God? Will Earth's nations attack Israel at Armageddon? Best-selling books like *Left Behind* and popular apocalyptic movies predict such things. Are they correct? No area of Christianity has been subject to more misguided interpretation than end time prophecy. Millions of Christians sense we are nearing Jesus Christ's return. Yet when it comes to what the majority thinks will happen during Earth's last days, and what the Bible actually says will occur, the difference is seismic. With clarity and biblical accuracy, *End Time Delusions* exposes massive errors now flooding through media and in much of today's sensational prophecy writing. This book closely examines tightly meshed yet speculative theories about the rapture, seven-year tribulation, antichrist, and the modern Jewish state. This book is no novelty. Buttressed with solid teachings from many of Christianity's most illustrious scholars, it lets the Bible speak for itself about the past, present, and future.

Evidence for the Rapture May 17 2022 Is the rapture still going to happen? And if so, when? With contributing scholars from schools like Moody Bible Institute, Dallas Theological Seminary, and The Master's Theological Seminary, *Evidence for the Rapture* is a convincing and thoroughly biblical case for the rapture. This collection of exegetical essays looks at the rapture from a number of biblical angles: the words of Jesus in the Gospels, Paul's teachings in the epistles, and even prophetic and apocalyptic literature. In sound exegetical technique, the authors corroborate Scripture's main teachings on the end times to provide a trustworthy and concise treatment of a multi-faceted issue. For the last several hundred years, the doctrine of a pretribulation rapture has been a fixture in many churches and institutions. *Evidence for the Rapture* is a fresh polish upon this long-standing doctrine.

Prepare to be blessed in an entertaining and meaningful way! Prophecy in the New Millennium Mar 23 2020 Secular and spiritual prophets of doom abound in the information-rich twenty-first century - as they have for millennia. But there has yet to be worldwide floods, meteor impact, global computer failure, obvious alien contact, or direct intervention from God to end the world as we know it. Considering the frequency with which prophecy apparently fails, why do prophecies continue to be made, and what social functions do they serve? This volume gives a concise, but comprehensive, overview of the rich diversity of prophecy, its role in major world religions as well as in new religions and alternative spiritualities, its social dynamics and its impact on individuals' lives. Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework. The book argues that the key to understanding the more dramatic, apocalyptic and millenarian aspects of prophecy is in appreciating prophecy's more mundane manifestations and its role in providing meaning and motivation in everyday life.

Daniel's Commentary on Bible Prophecy Dec 20 2019 These commentaries address many of the Bible's secrets that have been waiting literally centuries to be revealed. Some of these commentaries address information that has been misunderstood. The Scripture reveals why this generation is unique above all others. The significance is amazing! Information in this book will be controversial to some because it challenges some of the myths that are still being perpetuated. I found it amazing how God targeted the 1948 generation from the time of the birth of Abraham to be the last generation to reveal the consummation of the age, and we are living in it right now. I found it amazing that the United States has been kept hidden in prophecy until it was time for it to be revealed. The prophecy even reveals the invasion and occupation of the country. These things and many others are disclosed in these commentaries.

Splendor of His Coming Volume One Oct 30 2020 What is the meaning of the Rapture, second coming of Christ, War of Armageddon and the Millenium? How have recent events in the world fulfilled Bible prophecy? Why are print media and television news networks slanting the news against Christianity and Israel? What are the goals for radical Islamic fundamentalists? Our generation has had more signs fulfilled concerning the imminence of the coming of the end of the age than any other before us. In the past forty years there has been a soul harvest like no other in history. The increase in the interest in prophecy is a manifestation of the instinctive awareness of the human race that we are fast approaching the final days of this age. There has been an incredible increase in Bible study facilitated by the new translations that have made the Bible easy to comprehend. Bible teaching churches have experienced tremendous growth, especially independent churches as opposed to the old main line denominations. Typically they have seen a decrease in church attendance in the last twenty years. It is the author's prayer that the reader will find the book full of details in which the reader can become immersed and with the assurance that good will win in the end. This Bible study will inform and hopefully heighten your awareness of Bible prophecy and the fact that the Rapture will come to pass very soon. Revelation 1:3 reveals why we should study prophecy: "Blessed is the one who reads the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near". The Splendor of His Coming is a two-volume set of prophecy books that comprise a comprehensive Bible study of end times predictions in the Holy Scriptures. This set spells out and explores the key events in end times Bible prophecy and examines them in light of current headlines and international events. Volume One lays out the conditions of today's world and prophecies up until the midpoint of the Tribulation Period. In Volume Two, Cal Roth provides the events that will occur late in the Tribulation and proceeds to chronicle prophecies from the Second Coming of Christ to the Eternal State. "The lawless one will be revealed, whom the Lord Jesus will overthrow with the breath of his mouth and destroy by the splendor of his coming" (2 Thessalonians 2:8).

At An Hour That You Think Not Jun 25 2020 A theological subject debated over and over again without resolution is eschatology. Although the study of last things involves several subjects, the all-important matter is the return of the Lord Jesus Christ as promised. For 180 years, fundamentalist teaching has touted a pre-tribulation rapture of the church. When a careful Berean style inspection of Scripture is utilized, of necessity you must acknowledge "the pre-tribulation teaching holds no water." The words of Jesus and a close evaluation of the writings of the apostles make clear what many responsible "bearers of truth" have muddled. After reading this book, may you find yourself closer to understanding the truth of Jesus' words and less inclined to accept without inspection of the Word, those who teach otherwise. Endorsements "Dr. Hiester's rich heritage of faith and scholarship are represented in this work. His book engages some of the most difficult questions of eschatology. This is a refreshing and challenging exposition which will help the reader gain a richer understanding of the truths of Scripture." —Erik Wiedman, Educator "Dr. Hiester demonstrates how eschatology can be understood by a child of God. Incredibly eye opening and life changing!" —Daniel Gross, Elder "I think it is possible that your book may be the best and most comprehensive study on the matter presently available." —Mark McCormack, Editor

Revelation Jan 13 2022 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Splendor of His Coming Volume Two Jan 21 2020 What is the Meaning of Eternal State, Second Coming of Christ, Battle of Armageddon and the Millenium? Larmageddon 2.rapture 3. 7 Years of Silence 4.next Age Nov 30 2020 1.ARMAGEDDON 2.RAPTURE 3. 7 1/2 YEARS OF SILENCE 4.NEXT AGE Jesus said, For judgment I am come into this world, that they which see not might see; and that they which see might be made blind (John 9:39). If Jesus was saying that now, he would be referring to hundreds of prophecy books whose writers THINK they see, but they are all worthless as far as I am concerned. This book is different. Because for one thing the author is one of those that saw not. Furthermore, one can readily see that not only are conclusions inspired, but are Scriptural supported and cross referenced, and make good sense. For example, "God said, Let there be lights . . . for signs, and for seasons, and for days, and years" (Gen.1:14). An event is included containing such signs. This is volume III in a series of III. Inside is an invaluable set of studies developed over a period of several years. Any reader will soon recognize the author was truly inspired in all 39 studies: concerning time, events, and people. After seeking the Lord, whether or not to publish them, the Lord finally answered in the positive by opening my mind on how to structure them in 3 books. Christianity is presently by far the world's largest religion, encompassing one third of the world's population. Moreover, Christianity has been and still is growing at a much faster rate than the overall population. These studies tell the story of what happens to Christianity consistent with Revelation 17. A sampling of chapters contained here is as follows: The 1260-year dark age, Bride vs. New Earth members, Predestination, 7 Churches of Revelation, 7 Seals, and What Matthew 27:52 means. This volume begins by marking Who is the Body of Christ *The Rapture* Oct 10 2021 Who Will Be in the Rapture? by Pastor B.H. Clendennen. For many years, in the church I pastored, we had an all-night prayer meeting the last Friday night of every month. One such Friday night, out of four-hundred [church] members, there were forty-one of us present. As I was praying, I heard this word from the Lord: "You are looking at the Rapture from this church." That word got my attention. You are preaching to four-hundred people on a Sunday. You've got forty people in a prayer meeting, and God says these forty people representing the Rapture! I stopped short, and in my heart I said, "Do you mean if You came tonight this is all that would go?" God said, "I mean, that if I cannot call a man to a prayer meeting, I could never call him to the Rapture." [End of Pastor Clendennen's experience.]—————That being the case then, how can you and I make the Rapture? This book answers that question.

Rapture Ready Oct 22 2022 Are you ready? In *Rapture Ready*, author Terry Burnside passionately shares truths on prophecy from God's Word. Exciting events are taking place in our world of 2014. When will Jesus come? Is He coming? Could it be today? Many prophecies have already occurred; even 33 prophecies were fulfilled on the day of Christ's death by crucifixion. In *Rapture Ready*, Terry shares an overview of prophecy. Is prophecy reliable? The proof is to know what God said in His Word. This book offers seven great, true, future events yet to be fulfilled. It's exciting to see God supernaturally give His Word to forty or so human authors over a period of 1,600 years with prophecy as the driving truth God wanted us to know (most prophecies relate to the nation of Israel and the advents of Jesus Christ). So many prophecies were fulfilled at Christ's first advent. He referred to the Scriptures being fulfilled in Him. "He said to them, 'This is what I told you while I was still with you: Everything must be fulfilled that is written about me in the Law of Moses, the Prophets, and the Psalms'" (Luke 24:44). Earlier, Jesus said, "It is written: 'And he was numbered with the transgressors'; and I tell you that this must be fulfilled in me. Yes, what is written about me is reaching its fulfillment" (Luke 22:37). The Apostle John records in the context of Christ's Triumphal Entry into Jerusalem, "At first his disciples did not understand all this. Only after Jesus was glorified did they realize that these things had been written about him and that these things had been done to him" (John 12:16). So many more prophecies are waiting to be fulfilled in Jesus' Second Advent, seen in two phases: the Rapture and the Revelation. Both are presented in detail in *Rapture Ready*. When you read and study the pages of *Rapture Ready*, you will be challenged to rethink what God has told us about the future. Are you *Rapture Ready*? Rev. Terry Lee Burnside served in ministry for over forty years. God has given him the gifts of service and teaching. Since the age of 16, Terry has been teaching God's Word. He retired after serving on staff at Central Church in Collierville, Tennessee for twenty-eight years. Seeing his passion for eschatology, those who had the privilege of sitting under his teaching encouraged him to write a book. *Rapture Ready* is the result of the support and encouragement given him during his years of ministry. Terry earned a B.A. from Mid-South Bible College and a M.Div. from Reformed Theological Seminary. Terry and his wife, Phyllis, live in Collierville, Tennessee. They have one daughter, three sons, and two grandchildren.

The Great American Curse Apr 23 2020 The book of Revelation clearly tells us that someday there would be an end to this world; many have tried to determine this mystery date in our future to no avail. But the mystery that the date seekers and many others failed to notice is this, WHY Why is so much more important than when? There is no question about it; this world will definitely come to an end. But, why is it going to end? In an ancient generation of mankind God gave man his law. It is called the "TEN COMMANDMENTS". In today's society these laws are broken every day without much notice. To our own ignorance there is always a price to pay when we disobey. But life goes on. These laws were put into place to protect us from ourselves. But there is one sin that brought our world to an end that fell through the cracks virtually unnoticed. This great sin has now spread throughout the entire earth; Christians and unbelievers are all involved in this sin that has now grown so large that it is actually bringing in the curse of God for the judgment of this sin that will ultimately end our world as we know it. Fulfilling the prophecies of the book of Revelation. In this day and time knowledge has been much increased. So the sin that caused our world to end would have to be put in place in such a way as to be greatly unnoticed. Such as an illusionist or magician. In this book that you are about to read, you will learn the greatest deception ever pulled off in the world's history, and at a cost so great that it will cause the end of

our world, as we know it. The time for this judgment has already begun, as early as 2007 the count down clock for the end of the world events began to tick off. The Holy bible was given to mankind directly from God to tell us how life began and why our world ended.

Bible Prophecy for Blockheads May 05 2021 The book presents biblical prophecy in an uncomplicated style and user-friendly format.

The Testimony of Jesus Mar 15 2022 The timing of the Church's Rapture has been and continues to be among premillennial Christians (i.e., they who affirm a literal 1,000-year reign of the Son of David upon the Earth in the person of the glorified Son of Man) a most contentious issue. They who refrain or boast that they are, consequently, "pan-trib" are only hiding from the fray behind ignorance or seek to keep a very shaky "unity" with others around the table where such issues are best left to the nether world of those who delight in counting the number of angels who can dance on the end of a pin. Under the adage that "They who stand for nothing may fall for anything" cannot be said of stalwart pretribbers (i.e., those who believe the Rapture comes before the final Week of human history as we know it to be--the 70th Week of Daniel's prophecy found in Daniel 9:24-27). They at least have conviction on the matter. Although this text will "take on" the alleged "biblical" assumptions of the pretrib Rapture position as doctrinally erroneous; it at least commends them for taking a position! Furthermore, they are our "comrades in arms" when push comes to shove in the trenches of "spiritual warfare" in the latter days. Notwithstanding our many compatibilities on key elements, not only of the Faith once delivered to the saints, but on a host of prophetic possibilities--we simply agree to disagree agreeably on one of the most important aspects of end-times' prophecy: The Rapture's Timing. This text seeks to systematically counter point after point made by those versed in the pre-trib position--and, yes, this is an in-house food fight . . . so if this might interest you, it would most likely be because you take your eschatology seriously enough to delve into these matters. Much is at stake regarding the primary issues of the pre-trib position relative to the chronological order of Matthew 24-25 - the timing of the "Birth Pangs of the Messiah" - issues defining the timing of the Day of the Lord, Day of Christ, Day of God - the nature of the Wrath of God/the Lamb vs. the "Devil's Great Wrath" - Tribulation vs. God's Wrath - the "Time of Jacob's Trouble" - issues surrounding the "Tribulation Saints" - Israel and the Church's possible "united testimony" in the Latter Days - the so-called "Imminent Return of Christ" - the "Last Trumpet" - the Revelation of the Man of Sin/the Antichrist - timing/nature of the Abomination of Desolation - the timing of the New Heaven and New Earth - the Fullness of the Gentiles - Who are the Two Witnesses? - John the Baptist would have been Elijah "if you would have received him?" All these and many more issues are brought forward in systematic fashion in an attempt to "deconstruct" the superstructure of the pre-trib Rapture of the Church. If you are easily offended by such disputes and find them counter-productive to the "main thing" of the gospel, we unapologetically do not concur with your position. It is time to examine these matters with all due diligence to determine if these things be so--what if one is the wrong and the Church embarrassingly, if you would, finds herself smack dab in the middle of the fray at the end of days until "they [the martyrs of the Church under the Fifth Seal] should rest a little while longer, until both the number of their fellow servants and their brethren, who would be killed as they were completed" (Rev. 5:11)? Are these martyrs just the martyrs during the "tribulation" or do they represent the martyrs of all generations? Rev. 3:10 speaks of being "kept from the hour of trial which is to test them that dwell on the earth." Agreed. But are not these the same "earth dwellers" who delight in the death of the "Two Martyrs" (a.k.a. Witnesses) of Rev. 11? This nearly 500-page book - if you can endure unto the end - is designed to change your world view. It has an abundance of charts, references, indexes [both subject and Scripture] and is heavily footnoted. MARANATHA - Our Lord, Come!

Watchman's Mini Guide to the Rapture Nov 11 2021 The Mini Guide to the Rapture is a shorter version of the full Watchman's Guide. It presents from Scripture what the Rapture is and when it will take place. In addition it presents the complete Second Coming of Christ and explains the condition of the Household of God through the Time of the End.

Writing the Rapture May 25 2020 For the past twenty years, evangelical prophecy novels have been a powerful presence on American bestseller lists. Emerging from a growing conservative culture industry, the genre dramatizes events that many believers expect to occur at the end of the age - the rapture of the saved, the rise of the Antichrist, and the fearful tribulation faced by those who are "left behind." Seeking the forces that drove the unexpected success of the Left Behind novels, Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth-century fundamentalists. The first rapture novels came onto the scene at the high water mark of Protestant America. From there, the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return, providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels. Yet, as Gribben shows, the rapture genre, while vividly expressing some prototypically American themes, also serves to greatly complicate the idea of American modernity--assaulting some of its most cherished tenets. Gribben concludes with a look at "post-Left Behind" rapture fiction, noting some works that were written specifically to counter the claims of the best-selling series. Along the way, he gives attention not just to literary fictions, but to rapture films and apocalyptic themes in Christian music. Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature.

Rapture Culture Aug 28 2020 In the "twinkling of an eye" Jesus secretly returns to earth and gathers to him all believers. As they are taken to heaven, the world they leave behind is plunged into chaos. Cars and airplanes crash and people search in vain for loved ones. Plagues, famine, and suffering follow. The antichrist emerges to rule the world and to destroy those who oppose him. Finally, Christ comes again in glory, defeats the antichrist and reigns over the earth. This apocalyptic scenario is anticipated by millions of Americans. These millions have made the Left Behind series--novels that depict the rapture and apocalypse--perennial bestsellers, with over 40 million copies now in print. In Rapture Culture, Amy Johnson Frykholm explores this remarkable phenomenon, seeking to understand why American evangelicals find the idea of the rapture so compelling. What is the secret behind the remarkable popularity of the apocalyptic genre? One answer, she argues, is that the books provide a sense of identification and communal belonging that counters the "social atomization" that characterizes modern life. This also helps explain why they appeal to female readers, despite the deeply patriarchal worldview they promote. Tracing the evolution of the genre of rapture fiction, Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views. Now, however, evangelicalism's renewed popular appeal has rendered such themes obsolete. Left Behind evinces a new embrace of technology and consumer goods as tools for God's work, while retaining a protest against modernity's transformation of traditional family life. Drawing on extensive interviews with readers of the novels, Rapture Culture sheds light on a mindset that is little understood and far more common than many of us suppose.

The Days of the Prophets Mar 03 2021 This is not the usual "Rapture" prophecy book. The Days of the Prophets tells the story of the biblical prophets, the issues of their day, their message, their people, and the outcome in history of their prophecies. The Rapture Part I Sep 21 2022 The end of times is a topic that always attracts the attention of the Lord's congregation since the beginning, because in the last days, the believers will be raised into the clouds to meet the Lord. However, Lord Jesus also stated that in the last days, there will be a severe persecution. That is why they need to prepare themselves to face this severe persecution. In this first part of the book, the authors present very basic things that should be known by Christians, namely, things relating to the end times which include: Signs and marks 666 which must not be accepted by Christians. This section explains the link between "Biochip" and 666 and the reasons and verses that explain why God's children may not accept chip666. What are the consequences for a child of God who receives Chip666 and what is the fate of a child of God who refuses to accept it. The importance of knowing the last world ruler, because from this kingdom will emerge ten kings and antichrists. There are four main end times figures, namely Satan, ten kings, antichrist and false prophets. The Bible clearly explains these four figures so we can interpret these figures today. Rapture: what and when. The rapture will occur after the time of tribulation but before the vials of God's wrath. This means that God's children will experience persecution. The difference between the tribulation period and God's wrath period. Tribulation period: when it starts and ends. The events that occurred related to the opening of each seal of the seven seals in the Book of Revelation. Emergence and duties of "two witnesses of God." When the appearance of two witnesses of God and what are their duties. Christian preparations and attitudes in the end times. Because at the end times all of God's children will experience persecution, so much preparation must be done. Where the preparation is not only related to the physical but primarily spiritual preparation that requires time and sincerity. In addition, at the end of this book, the estimated "The Book of Revelation in a New Structure" is included. Many Christians have difficulty understanding the contents of the Book of Revelation. This happened, for one thing, because the contents and events in the Book of Revelation were not sequential from beginning to end, there are several events that were repeated in other sections, because the Apostle John wrote the Book of Revelation from two visions, where some of the two visions are related to the same things. If all the same events are put together so that the contents of the Book of Revelation are sequential in time from beginning to end, then the Book of Revelation becomes easy to understand and even the meaning of the seven seals is easier to understand, without needing to be interpreted, because the meaning of the first to the third seal is found in another chapter of the Book of Revelation.

Post Tribulation Rapture Aug 20 2022 Every person on Earth will one day stand before God and give an account of what they have done, whether it be good or evil, in addition to their acceptance or rejection of Jesus Christ, the Son of God, as their personal Saviour. Whether or not you believe it, Jesus Christ is coming back again to judge the world for their iniquity. That's what God's prophets have said and His prophets have never been wrong! From a pre-millennial viewpoint, "Post Tribulation Rapture" evaluates the three major positions regarding the timing of the return of Jesus Christ to Earth in relation to the final seven years of man's history. Will there be signs of Christ's coming? Will everyone see Him coming? Does Christ return two more times? What is the "Day of the Lord"? Who are the "elect" people on Earth? When will the Antichrist be revealed? Is the return of Christ imminent? Who will populate the kingdom? What are the three main rapture positions? How do they differ? Who is the restrainer? "Post Tribulation Rapture" includes fourteen detailed charts and an extensive glossary/dictionary defining the most commonly used phrases and terms in Bible prophecy.

Rapture Culture Nov 23 2022 The 'Left Behind' series consist of novels that depict the rapture and apocalypse, with millions of copies in print. In 'Rapture Culture', Amy J. Frykholm explores this remarkable phenomenon, seeking to understand why American evangelicals find the idea of the rapture so compelling. The book draws on extensive interviews with readers of the novels.

Exporting the Rapture Sep 28 2020 Apocalyptic millennialism is one of the most powerful strands in evangelical Christianity. It is not a single belief, but across many powerful evangelical groups there is general adhesion to faith in the physical return of Jesus in the Second Coming, the affirmation of a Rapture heavenward of "saved" believers, a millennium of peace under the rule of Jesus and his saints and, eventually, a final judgement and entry into deep eternity. In *Discovering the End of Time* (2016) Donald Harman Akenson traced the emergence of the primary packaging of modern apocalyptic millennialism back to southern Ireland in the 1820s and '30s. In *Exporting the Rapture*, he documents for the first time how the complex theological construction that has come to dominate modern evangelical thought was enshrined in an organizational system that made it exportable from the British Isles to North America-- and subsequently around the world. A key figure in this process was John Nelson Darby who was at first a formative influence on evangelical apocalypticism in Ireland; then the volatile central figure in Brethren apocalypticism throughout the British Isles; and also a crusty but ultimately very successful missionary to the United States and Canada. Akenson emphasizes that, as strong a personality as John Nelson Darby was, the real story is that he became a vector for the transmission of a terrifically complex and highly seductive ideological system from the old world to the new. So beguiling, adaptable, and compelling was the new Dispensational system that Darby injected into North-American evangelicalism that it continued to spread logarithmically after his death. By the 1920s, the system had become the doctrinal template of the fundamentalist branch of North-American evangelicalism and the distinguishing characteristic of the bestselling Scofield Bible.

THE RAPTURE WILL BE CANCELED Jan 25 2023 Exposing the Left Behind Rapture Deception: Some may even regard as conspiratorial, the mainstream re-release of the Left Behind Movie with Actor Nicholas Cage portraying the main character as an attempt to further reinforce in the minds of all, this perception of biblical prophecy in order to condition the masses for the play about to begin. Because they see the world stage shaping to fulfill what they have been led to believe is sound Bible interpretation, a "Left Behind Rapture" scenario, this false view of prophecy is reinforced in the mind, not only of its adherents, but also includes those who have been merely exposed to the specific media through Popular movies such as Left Behind. It seems that this great prophetic delusion has already overcome practically the entire American Evangelical and Christian World!

The Late Great United States Jun 18 2022 Is it possible the United States, a superpower without peer in history, might not be a key player as the world makes its way down the road to the Battle of Armageddon? This is the central question explored by prophecy expert Mark Hitchcock in *The Late Great United States*, a fascinating behind-the-headlines look at numerous current events and how they relate to what the Bible says about the last days. Americans are accustomed to seeing their country center stage as a world power, but as Hitchcock carefully details, this may not be the case in the final scene. Based on extensive research of the Bible and other sources, *The Late Great United States* provides compelling and often surprising answers to questions like these: •Does the Bible say anything about America in the last days? •How could the U.S. fit into God's prophetic plan? •Will America survive? •Might the anti-Christ come from America? •Could America's addiction to oil be her undoing? •Will America be destroyed by a nuclear attack? •Could America fall from within as a result of moral corruption? •Is America still a "blessed" nation? •How should individual Christians respond to a world in chaos? Regardless of America's final fate and the outcome of dire events at the end of the age, Hitchcock urges us to find our hope in a God who will not forsake us--no matter what cataclysms we experience on earth.

Understanding Bible Prophecy Jul 27 2020 Since his water baptism as a teenager, Edmund Berkeley Hammond (known by the nickname of "Berk") has always tried to be a good Christian. However, his work as a Christian truly began in 1972 when he received a supernatural message from God, calling him to be an interpreter of the prophetic scriptures of the Bible. Since receiving this call, he has written more than 20 short papers on controversial prophetic topics under God's direction. Twelve of these papers are presented as chapters in this book.
