Alpha and Omega Nov 23 2022 Humankind has grappled for millennia with the fundamental questions of the origin and end of the universe--it was a focus of ancient religions and myths and of the inquiries of Aristotle, Galileo, Copernicus, Kepler, and Newton. Today we are at the brink of discoveries that should soon reveal the deepest secrets of the universe. *Alpha and Omega* is a dispatch from the front lines of the cosmological revolution that is being waged at observatories and laboratories around the world--in Europe, in America, and even in Antarctica--where scientists are actually peering into both the cradle of the universe and its grave. Scientists--including galaxy hunters and microwave eavesdroppers, gravity theorists and atom smashers, all of whom are on the trail of dark matter, dark energy, and the growing inhabitants of the particle zoo--now know how the universe will end and are on the brink of understanding its beginning. Their findings will be among the greatest triumphs of science, even towering above the deciphering of the human genome. This is the book you need to help understand the frequent front-page headlines heralding dramatic cosmological discoveries. It makes cutting-edge science both crystal clear and wonderfully exciting. **Cry Wolf** May 17 2022 #1 New York Times bestselling author Patricia Briggs presents the first *Alpha and Omega* novel--the

Alpha and Omega Dec 24 2022 New York Times bestselling author Harry Turtledove reveals a new side of his potent imagination in a gripping speculative novel about the End of

Days—and a discovery in the Middle East that turns the world upside down. What would happen if the ancient prophecy of the End of Days came true? It is certainly the last thing Eric Katz, a secular archaeologist from Los Angeles, expects during what should be a routine dig in Jerusalem. But perhaps higher forces have something else in mind when a sign presaging the rising of the Third Temple is located in America, a dirty bomb is detonated in downtown Tel Aviv, and events conspire to place a team of archaeologists in the tunnels deep under the Temple Mount. There, Eric is witness to a discovery of such monumental proportions that nothing will ever be the same again. Harry Turtledove is the master at portraying ordinary people caught up in extraordinary events, and what is more extraordinary than the incontrovertible proof that there truly is a higher force controlling human destiny? But as to what that force desires . . . well, that is the question.

The Alpha Omega Taurus Star Gate Dec 12 2021 THE ALPHA OMEGA TAURUS STAR GATE This full color edition will interest

both modern truth seekers and also those of a firm belief. Although it reveals the reality of those we call 'angels', it beckons the reader to keep an open mind as to how these 'angels' can be scientifically justified. In doing so, the new findings take the reader to a whole new level that verifies the benevolence of these visitors from above and all the sacred teachings about them. Exposing historical subject matter pertaining to both the paranormal and 'ancient alien' genre that has been deemed 'forbidden', this book brings to light some key prophecy breakthroughs encoded in the biblical Revelation; the discovery of real historical star gate devices; a cosmic address; and the probability of an imminent cosmic visitor event. It is a book that is anything but fiction! Due to the high-risk journey undergone in publishing 'The Hidden Records Chronicles' series, the author has deliberately opted for a less academic, far 'safer' New Age style in the presentation of the content rather than an academic one. Moreover, this publication has 'embedded' in it a very deep psychological spiritual inspiration that readers will experience acting deeply on the psyche - subconsciously lifting the veil to awaken one's consciousness. The year 2017 saw a massive chamber uncovered inside the Great Pyramid. What can we expect to find in it? How can we be sure what it is? The ancients have left a record of it... a 'device'... a star gate! The same year also marked the first ever sighting of a deep-space-origin cylindrical object passing through our solar system. The powers that be were persistent in trying to make it look like a comet but provided no answer as to how it could alter its speed. It was not a rock and the timing of it coincides with this book's new discoveries. The author's first book 'The Hidden Records' published in 2003 compellingly decodes secret symbols and ancient star maps in all ancient civilisations, shocking his readers with his very original Pleiades/Orion star-map star-visitor human origins theory identifying the 'x' that marks the spot. All facts considered; it boldly proposes that humanity originated from one

of three sun-like stars near the Pleiades as an arrival. Defining the 'first time' for civilisation on Earth and replacing the doomed Neanderthal. Now with the launch of this 'end times' book, Wayne Herschel takes his established theories a notch higher. This new book begs the question: Are we actually in the 'end times', the end of a chaos period, beginning a new way forward and unveiling what might be an official prophesied 'first contact' event? The two enigmatic symbols of the Alpha and Omega reveal a message. And when compared to segments of the book of Revelation texts, the unthinkable is revealed by these symbols. A hidden world crisis is identified occurring right now, coinciding with an end time prophecy and the relevance of star gates, as well as a revival of the lost knowledge of the actual star gate devices! Readers get to go on a non-dramatized journey with a real symbologist using reasoning and logic, painstakingly decoding each clue previously deemed forbidden. Who would have imagined that the recent deep space object called Oumuamua and the discovery of Atlantis would be tied in with the star maps, the star gate and our amazing ancient-'alien' angelic-bloodline human past? It has 285 pages and detailed full-color graphics and images. There is also the means to access an online gateway with hyperlink-referenced links to free view extra content (limited offer for anyone who purchases the paperback).

Find out who the ancient Hebrews really were, what the Tree of Life really represents, and why the Tree of Knowledge bore forbidden fruit. The Illuminati Bible also takes the reader step by step through the history of religion showing when, where, and why the three Abrahamic religions were created. Look into the mind of the Illuminati and explore their doctrine and plans of world dominance through a New World Order. Follow the sacred bloodline as it ruled in history and reigns today through the British Monarch and the Committee of Three Hundred.
