A series of psychological and anthropological studies about the oldest and the most fascinating religious tradition of Korea. In many parts of the contemporary world, spirit beliefs and practices have taken on a pivotal role in addressing the discontinuities and uncertainties of modern life. The myriad ways in which devotees engage the spirit world show the tremendous creative potential of these practices and their innate adaptability to changing times and circumstances. Through in-depth anthropological case studies from Indonesia, Malaysia, Thailand, Myanmar, Laos, and Vietnam, the contributors to this book investigate the role and impact of different social, political, and economic dynamics in the reconfiguration of local spirit worlds in modern Southeast Asia. Their findings contribute to the re-enchantment debate by revealing that the "spirited modernities" that have emerged in the process not only embody a distinct feature of the contemporary moment, but also invite a critical rethinking of the concept of modernity itself. Dispensational Truth is the Rev. Clarence Larkin's famous book on dispensationalism with his beautifully drawn black and white charts. A must-have book for any student of dispensationalism, the book contains more than 115 charts, maps, and drawings. The result of thirty years of study, Dispensational Truth is a gold mine of information on prophetic truth for the busy pastor, evangelist, Bible teacher, and everyone who loves God's Word. In fact, Larkin's charts have been called "the gold standard" of pre-tribulation knowledge. A trained draftsman, Larkin diagrammed what he read during his Bible studies. From his drawings and charts, the study of God's Word has enriched generations of those who seek illumination and clarification regarding history, prophecy, and the future of mankind. This book has sold thousands of copies since it was first published in 1920. Do you know how Satan and demons can affect the course of your life? Many humanistic diagnoses of afflictions and distresses simply do not discover the reality of spirit intervention. A biblical world view should lead us to consider demonic influence and invasion. Some cases of depression, suicidal thoughts, physical afflictions, mental disturbances, and poor relationships are caused by wicked spirits. We need to be aware of the enemy's tactics and effects. This book will make you aware of the reality of warfare, the resources of the believer in Christ, and the authority to forcefully resist our adversaries. "This book is a wake up call to believers who are often unaware of this invisible enemy who attacks them, their families, and churches" —Dr. Erwin Lutzer, Pastor Emeritus The Moody Church, Chicago Spirits can be haunters, informants, possessors, and transformers of the living, but more than anything anthropologists have understood them as representations of something else—symbols that articulate facets of human experience in much the same way works of art do. The Social Life of Spirits challenges this notion. By stripping symbolism from the way we think about the spirit world, the contributors of this book uncover a livelier, more diverse environment of entities—with their own histories, motivations, and social interactions—providing a new understanding of spirits not as symbols, but as agents. The contributors tour the spiritual globe—the globe of nonthings—in essays on topics ranging from the Holy Ghost in southern Africa to spirits of the "people of the streets" in Rio de Janeiro to dragons and magic in Britain. Avoiding a reliance on religion and belief systems to explain the significance of spirits, they reimagine spirits in a rich network of social trajectories, ultimately arguing for a new ontological ground upon which to examine the intangible world and its interactions with the tangible one. In Wisdom from the Spirit World: Teachings on Love, Forgiveness, Purpose and Finding Peace, professional psychic medium Carole J. Obley shares teachings about these topics and others from her case files of thousands of sessions. Read the stories of a mother who is confronted with forgiving her son's death from opioid addiction, a father whose gay estranged daughter in spirit implores him to open his heart, and a deceased husband's loving reassurance of continued commitment to his grieving wife. Explore, enhance and expand your consciousness through the exercises in the book's final section, which features tips to raise the vibration of your thoughts, mindful meditations to instill peace and resources to fortify and expand your spiritual awareness. Written with compassion, simplicity and honesty, this book is a compelling testament to the fortitude and brilliance of our own soul. The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their lives" and will begin to "inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness" (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young. In this day of the revival of "Spiritism," when so many, through the loss of loved ones in the "Great World War," are longing to communicate with the dead, and are resorting to forbidden means to that end; a day in which science is trying to discover whether there is another world than this, and whether men live after death, and if so can they communicate with the living, it seems timely that a book should be written to show what the Holy Scriptures have revealed of the "World of Spirits." The Bible has much to say about the "Spirit World," and if we will carefully search its pages we shall know all there is to be known in this life of the "World to Come." For if men will not listen to Moses and the Prophets, they will not be persuaded though one rose or came back from the dead. Luke 16:31. - Foreword. What happens when we die? What is the afterworld like? Do heaven and hell really exist? These are some of the questions that we often ask, but can't find clear answers to. In this book, Ryuho Okawa shares his personal account of visiting the other world and interacting with the souls that reside there. By sharing true and detailed accounts of his experiences, Okawa shows how the other world can be as real as our life in this world. This unique and authentic guide to the spirit world will awaken us to the truth of life and death, and show us how we should start living so that we can return to a bright world of heaven. There is a realm that is waiting for you that might have answers to questions that have been on your mind since you were little. This is the world of Spirit, where other doors to dimensions and

portals to knowledge, wisdom, and enlightenment exists for someone who is willing to lift the veil and learn. Could this someone be you? Here are some questions for you to ponder . . . Do I have to die to experience the other side? Is lifting the veil of the other side sacrilegious? Is there somewhere where another version of me exists? Are we alone in the Universe? Once you have lifted the veil, there are mindsets that you might struggle with to better understand the Spirit world and that is (hopefully) where this book comes in. Each mindset contributes to the Spirit world. If I can lift the veil of the Spirit world, so can you. Who knows? Upon visiting the other side, your physical world might never be the same again . . . hopefully. -Jerry McDaniel, Author of CHANNELING THE MOTHERSHIP; MESSAGES FROM THE UNIVERSE Welcome to the spirit world. Allow me to introduce you to the universe of metaphysics. Based on my personal experiences this book explains the fundamental concepts of psychic phenomena. While in the spirit world my thoughts and emotions were shared first by my friend Ruth, and later by others as though we had one mind. I felt their fears and desires, their awe and adventurous spirit. They knew mine as well. Yet back in our body we could only communicate through the spoken word. We journeyed to the land of the dead, danced in the eternal light, delved into spirit worlds none of us dreamed existed. Specters of the dark side guided us through their realms: Shaman in the twilight wolf wilderness, Spirit Bird in the Valley Of The Birds, Joel the medieval Irishman in the Record Of All Time. Ruth and I thought our travels together were wondrous accidents until it happened again and again. Each experience was more complex and powerful than the last. Our journeys were never planned, nor did we discuss beforehand places we had discovered while there alone. Neither of us wanted to plant subconscious hints as to where we should go or what we should do. But once we were there we led each other to our secret places, dimensions, and past lives of which the other person had no knowledge. This book tells of my experiences on the astral planes with Ruth, alone, and with other travelers. It also includes explanations of metaphysical topics such as astral travel, channeling, and metaphysical energy. This should help you to understand the goings-on during my journeys as well as afford you a sound base for further investigations. Take my hand and let us begin our voyage. A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith. Mary Baxter has provided inspiration and revelation to hundreds of thousands through her best-selling books A Divine Revelation of Hell and A Divine Revelation of Heaven. In this volume, Mary enables us to peer beyond the curtain of spiritual warfare, giving us a unique perspective of the worlds of angels and demons. Spiritual warfare is a continuing reality, with battles being waged every day. Through the special revelations in this book, you will better understand. . . The origin of evil The nature and character of Lucifer The seven realms of spiritual warfare God's power over evil spirits How to overcome demons of addiction The role of angels in spiritual warfare As you read Mary Baxter's vividly-detailed descriptions of her encounters with spiritual beings, you will receive anointed insights for conducting spiritual warfare on behalf of yourself and your loved ones. Who are your Spirit Guides? This book does not only cover "who" your Spirit Guides are, but you will also learn "why" you have Spirit Guides. Keys to the Spirit World covers: What do Spirit Guides look like? How do Spirit Guides communicate? What is it like to receive communications from spirits or Spirit Guides? Chakras and spirit communication 10 Tips for working with spirits and Spirit Guides Communication with Spirit Guides through writing Spirit communication through dreaming Spirit Guide communication meditation 5 Common "blocks" that keep people from developing spirit communication Not only does "Keys to the Spirit World" teach you what roles Spirit Guides play in your own life, but it also teaches you how to communicate with them yourself. You will learn how to develop your own communication system with spirits and Spirit Guides, as well as develop an understanding of what they are trying to communicate with you right now! Spirit Guides are always trying to communicate with you; many times you just do not have a complete understanding of how this communication system works. There are many forms of spirit communication and it is important for you to find out what particular system works best for you. This will allow you to communicate with your Spirit Guides most effectively. Do all things end in death? Is there an imaginable afterlife? Life in the Spirit World provides a unique perspective and tangible affirmative answers to these age-old questions. Photos of Spiritual Church possession trances, faith healings, social club marches, jazz funerals and more. Harold Sharp gives us clear evidence of animal soul survival, as he recounts from first-hand experience moving tales of reunions between animal spirits and their human friends. A lovely book, a treasure of sensitivity and understanding of life's ways, written in uncomplicated language. First published in 1966, and long overdue for re-release. Learn and Perfect Your Spirit Communication Using a Straightforward, Step-By-Step Process With precise detail, a wide variety of exercises, and a wealth of expertise, Konstanza Morning Star shows how to develop your innate gift of spirit communication. Discover how mediumship works, how anyone can use it, and how to build a strong spiritual foundation so that your abilities will flourish. Medium is a beginner-friendly book designed to help you gain strong and clear spiritual perception through a nine-step process. It takes you inside the medium's mind and body, demonstrating how to actually experience contact with a spirit person through clairvoyance, clairaudience, clairsentience, and other spiritual senses. Featuring instructions for creating and conducting a home practice circle, assisting a "stuck" spirit to move on to the light, and much more, this is a book no aspiring medium should be without. The spirit world is talking to us ... each and every one of us. Most of us are unaware of the subtle signals and soft voices that draw us to listen to our conscience. But they are there, ever hopeful that we may discover the truth about our sojourn on this blue planet. Occasionally, some of us are drawn up and out and given detailed information and in some cases - instructions. Spirit mentors, people like us, but now on the other side - the reality - are pulling for our successful education in the campus of earth. These lucky few are given a timeout. They were summoned from the classroom and given a dose of their true state - who they are, why they are here, what they are supposed to learn, and in some cases, their specific mission. The spirit world, led by the Supreme Intelligence, the Divinity, God, or the Matrix - whatever name you wish to call it - is guiding us. Actively. Precisely. With compassion and love. The spirit realm fully realizes our new found methods of social interaction and expects those who are exposed to the revelations to share them. The twelve experiences, not only unalterably changed those who lived them, but brought back knowledge for all of us. The experiences reviewed in this book layout exciting disclosures about the spirit world and ours. We are told about heaven, the different spiritual zones around the earth; how karma is real and why we need multiple lives to learn to become a person who radiates love in all circumstances. We learn that the concept of time is different in the spirit universe and about the basic building blocks of all matter. In essence, the inquiries that you have had since you began questioning your place in this universe are answered by spirits interacting with the chosen few. Reach out to the Other Side. For millennia, skilled mediums have been able to part the veil that separates the living from the departed, and deliver messages of comfort and advice. Now you can learn how to part the veil yourself by developing your own natural ability. In this easy-to-follow guidebook, accomplished psychic mediums Stuart and Dean James-Foy show you how to connect with the spirit world and receive accurate, valuable information. You will learn how to sharpen your psychic ability, give readings to individuals and groups, and conduct spirit circles and séances. This book masterfully opens the veil between the here and the hereafter. It not only offers practical exercises and tips that will assist you as you communicate with the other side but also leaves you with both comfort and assurance in the knowledge that life truly does not end. - Josie Varga, author, Visits from Heaven and A Call from Heaven I have participated in spirit circles with Stuart and Dean James-Foy, and they are masters at their craft. They generously share the knowledge they have gained over many years of experience. - Karl Petry, psychic medium and author, Absent Witness Unlock the Secrets of the Spirit Realm A Comprehensive Reference to All Things Supernatural Spirit Realm: Angels, Demons, Spirits and the Sovereignty of God is an easy to read all inclusive guide to the spirit realm. There is a world beyond this plane of existence in which we live. A dimension that is more real than we can understand. A realm that is eternal and flourishing with life and there are things that you can do on this side of the field that have significant reactions in the spirit realm. Exploring the existence of life beyond the mundane realities, this book will help you understand that there are doors or pathways which can be opened unknowingly. This book will help you to understand the diversity and workings of angels, demons, spirits and their interactions in our lives. The ecosystem of Heaven consists of many different realms with energies and beings that reside on their specific plane of existence. This ecosystem exists in and around all living organisms. The beings are loosed by the will of God to carry out acts upon the earth to bring about the sovereign will of God. In this book you will learn to access all of the gifts, guidance and favor that await you while protecting yourself from harmful entities, spirits and behaviors. Topics Covered Include: Angels, Demons, Spirits, Ghosts, Seraphim Elementals, Shades, Familiars The Hierarchy of Heaven and Angelic Orders Growing in Your Knowledge of the Spirit Realm and How it Operates The UFO / Alien Connection To The Bible Walking In Spiritual Freedom Flowing Effectively In Your Spiritual Gifts How God Uses All Things for Your Good There is a spiritual pecking order going up into the heavens and this book captures it beautifully. I am well aware of the world of the spiritual and the occult and hidden world of the spirits that TruthSeekah is writing about in this book, and believe me, there is this spirit world and all of mankind has always understood that. This is a great book that needed to be written and you should pay close attention while reading the contents of this work and think about what you're going to read in this book. - Jordan Maxwell First English translation of Victor Hugo's writings on his experiments in spiritualism • Reveals Hugo's conversations with renowned discarnate entities such as Shakespeare, Plato, Galileo, and Jesus •

Examines his contacts with aliens from the planets Mercury and Jupiter and the revelation that our entire universe is a quantum hologram • Discusses Hugo's possible role as a grand master of the Priory of Sion During Victor Hugo's exile on the Isle of Jersey, where he and his family and friends escaped the reign of Napoléon III, he conducted "table-tapping" séances, transcribing hundreds of channeled conversations with entities from the beyond. Among his discarnate visitors were Shakespeare, Plato, Hannibal, Rousseau, Galileo, Sir Walter Scott, and Jesus. According to the transcripts, Jesus, during his three visits, condemns Druidism, faults Christianity, and suggests a new religion with Hugo as its prophet. To the skeptic, some of the "conversations" may seem self-serving--at best, the subconscious wishes of the naïve participants. But author John Chambers places Hugo's experiments firmly in the tradition of visionary literature and psychic exploration, aligning those experiences with the poetry of William Blake, the table-tapping experiences of the Fox sisters, and the channeled writings of the great modern-day Pulitzer Prize-winning poet James Merrill, whose spirits' utterances uncannily resemble those of Hugo's. Hugo's transcriptions are the missing link between the early nineteenth century's fascination with the kabbalistic Zohar, reincarnation, and the writings of the Illuminati and the rise of spiritualism and the societies for the study of psychic phenomena in the latter nineteenth and early twentieth centuries. 'Nosso Lar - Our Home' is the name of the spirit colony that spirit Andre Luiz, through the mediumship of Chico Xavier, presents to us in the book of his series. In a compelling narrative, the author tells of his impressions and discoveries about life in the spirit world, acting as a sort of journalist who records his own experiences as they occur. Andre Luiz unveils to us an exciting in an exemplary way. It is a place where discarnate spirits go through a recovery stage and a spiritual educational process supervised by high order spirits. 'Nosso Lar' enables us to get a glimpse of the spirit world that awaits us after we leave our physical bodies. In Nahuatl yolqui is the idea of a warrior brought back from the dead. For author and activist Roberto Cintli Rodríguez, it describes his own experience one night in March 1979 after a brutal beating at the hands of L.A. sheriffs. Framed by Rodríguez's personal testimony of police violence, this book offers a *historia profunda* of the culture of extralegal violence against Red-Black-Brown communities in the United States. In addition to Rodríguez's story, this book includes several short essays from victims and survivors that bring together personal accounts of police brutality and state-sponsored violence. This wide-ranging work touches on historical and current events, including the Watts rebellion, the Zoot Suit Riots, Operation Streamline, Standing Rock, and much more. From the eyewitness accounts of Bartolomé de las Casas to the protestors and allies at Standing Rock, this book makes evident the links between colonial violence against Red-Black-Brown bodies to police violence in our communities today. Grounded in the stories of the lives of victims and survivors of police violence, Yolqui, a Warrior Summoned from the Spirit World illuminates the physical, spiritual, and epistemic depths and consequences of racialized dehumanization. Rodríguez offers us an urgent, poignant, and personal call to end violence and the philosophies that permit such violence to flourish. Like the Nahuatl yolqui, this book is intended as a means of healing, offering a footprint going back to the origins of violence, and, more important, a way forward. With contributions by Raúl Alcaraz-Ochoa, Citalli Álvarez, Tanya Alvarez, Rebekah Barber, Juvenal Caporale, David Cid, Arianna Martinez Reyna, Carlos Montes, Travis Morales, Simon Moya Smith, Cesar Noriega, Kimberly Phillips, Christian Ramirez, Michelle Rascon Canales, Carolyn Torres, Jerry Tello, Tara Trudell, and Laurie Valdez. LOVE NEVER DIES Finding comfort through communication With stories and insightful suggestions, beloved psychic medium Bill Philipps demonstrates that our loved ones on the other side are available to us. He promises that, with an open heart and mind ready to receive, anyone can recognize the signs that spirits of the departed may be trying to send. Signs from the Other Side offers an in-depth explanation of how Bill does what he does, as well as practical advice on how to receive and interpret signs when they appear. By tapping into our intuition, we can experience deep connections that lead to forgiveness, reassurance, or simply one last moment with a loved one. The book also includes more than twenty inspiring examples of how others experienced comfort through such communications. A renowned psychic and spiritual healer with clients all over the world, Mary T. Browne had her first clairvoyant experience at the age of seven. For more than thirty years since then, her visions of the other side and her communication with her teachers, both in spirit and on the earth plane, have helped to form not just her understanding of death, but her philosophy of life. In this fascinating, inspiring book, Mary T. puts our lives into a much broader context than most of us have ever imagined. LIFE AFTER DEATH describes in detail exactly where we go when we die. Mary T.'s psychic connection to the spirit world and her ability to receive messages from those who have made the transition will inspire us to see death not as an ending, but as a new beginning. Mary T. shows us that the spirit world is a place of harmony. It is a realm of beauty, light, art, music, literature, and friendship. We do love beyond the grave, and we will be reunited with our loved ones in the spirit world. The touching stories of those reunions will help ease the fear of leaving the physical world. Mary T. takes the mystery out of death, and leaves us with clear examples of the miraculous journey that lies ahead of us. God designed angels to respond to God's Word. Words of doubt and unbelief bind them from action. They are listening to your words. Put them to work by speaking the Word to better enable you do God's will. Touching the great mystery, the wisdom of the creatures, the power in the green stalk, crying for a vision. A comprehensive examination of the many ways the spirit world affects the material plane and our minds • Provides a detailed guide to the Afterlife and its inhabitants • Reveals the spirit influence behind many mental disorders as well as psi abilities and creative genius • Includes checklists of symptoms of spirit "overshadowing," methods from the world's top exorcists, and instructions on how to free unwanted spirits from the material plane We are spirits housed in a body, and just as houses can be haunted, so can people. When the living succumb to dissociative states of consciousness, they become a magnet for lost but clinging spirits. Known as jinn, dybbuk, daemon, wuqabi, or simply the undead, they hover unseen on the earth plane, ready to inhabit the most suitable body available. Documenting the life of wandering spirits and their impact on vulnerable human targets, Susan Martinez offers a radical departure from the standard psychological explanations for a host of pathological behaviors--including multiple personality, autism, epilepsy, migraines, obsessive compulsive disorder, depression, schizophrenia, anxiety, PTSD, self-destructive urges, and strange outbursts--and reveals that hallucinations are often true impressions of spirit input. Martinez explains how mental health comes down to the delicate balance between self-control and spirit-control. When trauma triggers an escape response, the soul takes flight, leaving the mind susceptible to possession by discarnate entities. However, the spirit world can also bestow gifts upon those whose psyches are open, such as in the case of mediums, shamans, people who communicate with angels, and many of the world's creative geniuses. Martinez presents "overshadowing" by spirits as a universal, cross-cultural phenomenon, documenting modern and traditional accounts as well as corroborating indigenous beliefs. She examines soul decay, soul travel both before and after death, as well as how knowledge of the spirit world can offer positive treatments for disorders like schizophrenia and autism. Providing a detailed guide to the spirit world and its inhabitants, the author offers checklists of symptoms of "overshadowing," methods from the world's top exorcists, and instructions on how to free spirits so they can continue their journey into the beyond--all the tools necessary to forearm us against soul snatchers and other enemies of the Light. It took author Richard Gene, Ph.D., nearly thirty years of contemplation and research to construct and record his comprehensive model of the Spirit World. Unlike many other books on spirituality that limit their descriptions or definitions, Gene's model as outlined in "Connections with the Spirit World," is non-judgmental and inclusive. He maintains that humans cannot formulate complete models and that there are no incorrect models, only incomplete ones. We ought not declare models incorrect simply because they don't work for us--they work for somebody, and that is why they exist! Gene's model correlates with all the common, everyday happenings and feels like a natural part of life--as a spiritual model should feel. It explains why we sleep, why dreams tend to be surrealistic, how our body knows how to heal, how our instincts and intuition work, how we have a natural partnership with our creator and why we need to make it mutually beneficial for our creator and ourselves. His model explains how we receive spiritual guidance every moment of every day--guidance that is consistently gentle, caring, nonjudgmental, undemanding, and comfortable. "Connections with the Spirit World" offers a refreshing new perspective that will help you grow spiritually. "From the hair-raising to the eyebrow-raising, this is a scintillating account of meetings with spirits through history" (Mark Booth, New York Times--bestselling author). It may seem incredible, but as bestselling novelist and occult expert J.H. Brennan reveals in this eye-opening new history, there is a wealth of evidence to suggest that the disembodied voices of spirits may have subtly directed the course of human events. In *Whisperers*, Brennan explores how the "spirit world"--whether we believe in it or not--has influenced our own since the dawn of civilization. With a novelist's flair and a scholar's keen eye, Brennan details the supernatural affinities of world leaders from King Nebuchadnezzar to Adolf Hitler, showing how the decisions and policies of each have been shaped by their supernatural beliefs and encounters. Brennan also examines the impact of visions, from shamanism in native cultures to prophets such as Joan of Arc. Chronicling millennia of contact between the spirit world and our own, *Whisperers* presents an entirely new and different way to look at history. "Prolific Irish author and lecturer Brennan's lifelong fascination with psychic phenomena fuels this comprehensive analysis of potential supernatural influences on history. . . . Certain hokum for skeptics, but the more open-minded will savor this chillingly convincing testimonial." —Kirkus Reviews "J.H. Brennan is an expert storyteller who paints an often terrifying picture of how human destiny has regularly been changed forever by individuals convinced they were in communication with intelligences from beyond. In *Whisperers*, Brennan has created a unique and timely history of spirit voices that is both brilliant and utterly chilling." —Andrew Donkin, coauthor of *Illegal Today*, practicing shamanism doesn't mean you have to live in a rain forest or a desert. Thanks to a modern

renaissance of shamanic spirituality, practitioners from all walks of life now use powerful indigenous techniques for healing, insight, and spiritual growth. With *Awakening to the Spirit World*, teachers Sandra Ingerman and Hank Wesselman bring together a circle of renowned Western shamanic elders Tom Cowan, Carol Proud foot-Edgar, Jose Stevens, and Alberto Villoldo to present a comprehensive manual for making these practices accessible and available in our daily lives, including: How the original practice of shamanism shaped the world's spiritual traditions and why it is still relevant today The art of the shamanic journey a time-tested meditative method for experiencing important spiritual lessons and truths Guidance for avoiding common pitfalls of shamanic practice Instruction for working with your dreams, connecting to your spirit guides, healing yourself and your environment A CD of drumming to facilitate your shamanic journeys. Become a Conduit of God's Power "I encourage you to read Joshua's book, not only to learn about the glory but also to be changed by the glory." —Bill Johnson "This book is boot camp for the next and greatest move of God's Spirit in history." —Sid Roth All Christians are intended to live, move, and operate in the supernatural realm. But many people aren't sure how to enter into this realm—or how to go deeper in the Spirit. Joshua Mills explains that, much more than sensing what God is doing, we can participate in the supernatural on a daily basis through divine portals, or gates. In this study guide companion to his book *Power Portals*, Joshua clearly shows believers how they can become conduits of God's power. Within a power portal, we may experience a sudden realization of God's presence, an abundance of healing, spontaneous joy, signs and wonders, angelic activity, an increase in spiritual dreams and visions, or extravagant provision. Some portals can be activated in our own bodies through the heart, mouth, eyes and ears, mind, innermost being, hands, and feet. There are also direct heavenly portals and geographical portals, special places where we can experience the release of God's power. The *Power Portals Study Guide*, which can be used by either individuals or groups, contains some brand-new material to further your understanding of these gateways to the Spirit realm. The guide is also filled with key points from the book, thought questions, review questions, and supernatural activations. Get ready to awaken your connection to the Spirit realm. Get ready to encounter *Power Portals*! "Joshua Mills...has taken deep spiritual revelation and translated it into language that any reader can understand and apply to daily life." —Becky Thompson "Joshua Mills...gives you teachings you can trust and revelations that get you results." —Tony Kemp #PowerPortalsBook WITH A BRAND NEW LOOK! ON FEBRUARY 22, 1980, KHORSHED AND RUMI BHAVNAGRI'S WORLD WAS SHATTERED. ONE MONTH LATER, A NEW ONE OPENED. Khorshed and Rumi Bhavnagri lost their sons, Vispi and Rato, in a tragic car crash. With both their sons gone, the couple felt they would not survive for long. They had lost all faith in God until a miraculous message from the Spirit World gave them hope and sent them on an incredible journey.
