[DreadfulWater Shows Up](#) Aug 08 2021 From award-winning literary author Thomas King (aka Hartley GoodWeather) comes a stylish mystery debut featuring ex-California cop Thumps DreadfulWater, a smart and savvy Cherokee Indian whose witty exterior belies a clever, stubborn sleuth. With his cop life officially behind him, Thumps now makes his living as a fine-arts photographer in Chinook -- a western town snuggled up against a reservation that's struggling for economic independence via investment in a glitzy new resort and casino complex called Buffalo Mountain. It's a slow-paced, good life for Thumps and his eccentric cat, Freeway. Most of the time. But when a dead body turns up in one of the just-

completed luxury condos, things change fast -- and not for the better. Photographing corpses is not part of Thumps's master plan. He can't help getting involved, especially when he realizes that the number one suspect is Stanley "Stick" Merchant, anticondo protestor and wayward son of Claire Merchant, head of the tribal council and Thumps's onetime love. If it affects Claire, it affects Thumps. It seems that Stick disappeared just about the time of the murder. Coincidence? Or just bad timing? Thumps knows that the police often shoot smart-ass teenagers first and ask questions later. He doesn't want that to happen to Stick. But can Thumps find Stick in time? And can Thumps find a killer before a killer finds Thumps? *DreadfulWater Shows Up* marks the arrival of a detective with a difference. With energy and verve and a very special voice, Thomas King and Hartley GoodWeather create an engaging and original page-turner that zings with memorable characters and biting social commentary.

Understanding King and Understanding Prince Aug 28 2020 This book has two novels, each about a "royal" dog, a King and a Prince. These two novels are for people lovers, dog lovers, and lovers of cozy mysteries. King was big and protective of his new owner, Skippy, a dog trainer at the Riverview Animal Shelter (RAS). Part Standard Poodle and part something else also rather large and curious, King's son Prince enjoyed challenges. "Don't fence me in" could be his motto. Prince and King became an anti-crime team when they saw something very wrong at the RAS. Readers will enjoy the personal stories that accompany the plot. They will learn about dog training and managing a small business, such as the RAS. Most significantly, they will absorb the dog-training philosophy of Helen Bemis, emphasizing love and not coercion, an approach she has used for years as a successful dog trainer.

The Mysteries of Harris Burdick Nov 18 2019 Since its publication in 1984, *The Mysteries of Harris Burdick* has stimulated the minds of readers of all ages and backgrounds. In addition, a newly discovered fifteenth drawing, titled *The Youngest Magician*, has been added, as well as an updated introduction by the author. The puzzles of these mysterious drawings will be even more provocative because of the larger size and the exceptional printing quality. For

the first time, the drawings can be shared with groups or displayed singly. The *Mysteries of Harris Burdick* was a New York Times Best Illustrated Book of 1984. **The Mysterious Mist** Sep 28 2020 This book I started in 2013, and with some interruptions, I finished the book by March 2016. It is a study or commentary on the book of Genesis. Having this book, I realized how important it is and I found many mysteries. After the book of Revelation and Daniel, this is the third book full of mysteries followed by the book of Isaiah. Starting with Genesis 2:6, we get an idea of a mist or steam that came out from the ground that telling the earth was ready for the life to start. Then later on, we can figure out another kind of mist is coming out from the ground. From Genesis 19:27-28. Therefore from Abraham's point of view, things look different. Sodom and Gomorrah describes a different picture of a smoke coming out from the ground. During the history of the world, we see different mists coming from God to bless the earth. The strongest and the last one is found in the book of 2 Peter 3:10. "But the day of the Lord will come as unexpectedly as a thief. Then the heavens will pass away with a terrible noise, and the very elements themselves will disappear in fire, and the earth and everything on it will be found to deserve judgment." With this last image of mist/steam ending up this planet too, giving room to the new heavens and the new earth that will never need any steam or mist or smoke.

The Black Prince Jan 01 2021 As a child he was given his own suit of armor; at the age of sixteen, he helped defeat the French at Crécy. At Poitiers, in 1356, his victory over King John II of France forced the French into a humiliating surrender that marked the zenith of England's dominance in the Hundred Years War. As lord of Aquitaine, he ruled a vast swathe of territory across the west and southwest of France, holding a magnificent court at Bordeaux that mesmerized the brave but unruly Gascon nobility and drew them like moths to the flame of his cause. He was Edward of Woodstock, eldest son of Edward III, and better known to posterity as "the Black Prince." His military achievements captured the imagination of Europe: heralds and chroniclers called him "the flower of all chivalry" and "the embodiment of all valor." But what was the true nature of the man behind the chivalric myth, and of the violent but pious world in which he lived?

Edward II Nov 11 2021 He is one of the most reviled English kings in history. He drove his kingdom to the brink of civil war a dozen times in less than twenty years. He allowed his male lovers to rule the kingdom. He led a great army to the most ignominious military defeat in English history. His wife took a lover and invaded his kingdom, and he ended his reign wandering around Wales with a handful of followers, pursued by an army. He was the first king of England forced to abdicate his throne. Popular legend has it that he died screaming impaled on a red-hot poker, but in fact the time and place of his death are shrouded in mystery. His life reads like an Elizabethan tragedy, full of passionate doomed love, bloody revenge, jealousy, hatred, vindictiveness and obsession. He was Edward II, and this book tells his story. The focus here is on his relationships with his male 'favourites' and his disaffected wife, on his unorthodox lifestyle and hobbies, and on the mystery surrounding his death. Using almost exclusively fourteenth-century sources and Edward's own letters and speeches wherever possible, Kathryn Warner strips away the myths which have been created about him over the centuries, and provides a far more accurate and vivid picture of him than has previously been seen.

Death in the City of Light Mar 03 2021 The gripping, true story of a brutal serial killer who unleashed his own reign of terror in Nazi-Occupied Paris. As decapitated heads and dismembered body parts surfaced in the Seine, Commissaire Georges-Victor Massu, head of the Brigade Criminelle, was tasked with tracking down the elusive murderer in a twilight world of Gestapo, gangsters, resistance fighters, pimps, prostitutes, spies, and other shadowy figures of the Parisian underworld. But while trying to solve the many mysteries of the case,

Massu would unravel a plot of unspeakable deviousness. The main suspect, Dr. Marcel Petiot, was a handsome, charming physician with remarkable charisma. He was the “People’s Doctor,” known for his many acts of kindness and generosity, not least in providing free medical care for the poor. Petiot, however, would soon be charged with twenty-seven murders, though authorities suspected the total was considerably higher, perhaps even as many as 150. Petiot’s trial quickly became a circus. Attempting to try all twenty-seven cases at once, the prosecution stumbled in its marathon cross-examinations, and Petiot, enjoying the spotlight, responded with astonishing ease. Soon, despite a team of prosecuting attorneys, dozens of witnesses, and over one ton of evidence, Petiot’s brilliance and wit threatened to win the day. Drawing extensively on many new sources, including the massive, classified French police file on Dr. Petiot, *Death in the City of Light* is a brilliant evocation of Nazi-Occupied Paris and a harrowing exploration of murder, betrayal, and evil of staggering proportions.
