**Intaglio: Collector's Edition** Sep 30 2020 Set against the backdrop of the modern art scene, Intaglio follows the exploits of Ava Brooks, fourth year university art student and graffiti artist, as she enters the cut-throat world of artists and agents, curators and critics. Struggling to balance the perceptions of 'real' art with the urge to express herself through illegal means, Ava attracts the attention of Kip Chambers, an artist who has brought graffiti into the mainstream media. Not all of his associates, however, are as interested in Ava's transition from renegade to respectable artist as Kip. An unexpected meeting with fellow student and sculptor, Cole Thomas, coincides with Ava's artistic journey. Cole is shocked by the inexplicable connection, even as Ava struggles with her feelings for the brooding young artist. This bond proves to be the spark that ignites Ava's muse, spiralling into a wildfire romance that coincides with a series of increasingly vivid dreams centering around a shipwreck off the coast of North America. These hazy visions leach into Ava's artwork, and later, appear in Cole's sculpture. In them, the two artists are drawn into a memory of another life: one they shared. While Cole attempts to take control of his own, explosive emotions, Ava must learn to manage her own memories, both real and imagined. The dreams of the shipwreck continue unabated, but subtle changes leave Ava reconsidering what the visions mean: whether they are a memory of something that has already occurred, or a premonition of something as yet to come. Art and history twine together as echoes from the past and present merge. As each new memory brings this other life closer, Ava and Cole must unravel the events that once tore them apart, or risk repeating the same mistakes all over again.

**I Made It on Broken Pieces** Mar 17 2022 How often did you have to smile, knowing that your heart was broken, talking and acting like everything was okay, yet you had to carry the weight of the world on your shoulders? As a young girl, I did it. My broken pieces were heavy, but I carried them everywhere. I had many broken pieces that I dealt with mentally and spiritually; broken home, broken family, you name it. I bore them with a smile and sometimes without a smile. I was always laughing to keep from crying, wearing a different mask with the same pain! I was constantly being told, "what goes on in my house, stays in my house," all while still bearing the pain I held inside me. I did not have a positive outlet or a person to share my thoughts. I sought a relationship with the Lord, my Savior, at such a young age because he understood the words that were never spoken, the tears that ran down my face, and the prayers that I never prayed. He understood every piece and gave me peace that surpassed all my understanding. As you dive into "I Made it on Broken Pieces," I want you to know that the Bible says in Psalms 34:18, "The Lord is close to the brokenhearted and saves those who are crushed in spirit." God is with me; that is why I can say I made it on my broken pieces!

*Entertaining Fear* Dec 02 2020 Throughout the political spectrum, successful arguments often rely on fear appeals, whether implicit or explicit. Counterarguments feed on other fears, suggesting that audiences are being duped by emotional smokescreens. With chapters on the political, institutional, and cultural manifestations of fear, this book offers diverse investigations into how insecurity and the search for certainty shape contemporary political economic decisions, and explores how the rhetorical manipulation of such fears illuminates a larger struggle for social control.

**Rock Bottom** Jan 23 2020 ROCK BOTTOM BOOK TWO: TRISTAN & DANIKA Their love had the power of a runaway freight train, and the potential to be just as destructive. The tempestuous sequel to *Bad Things* picks up where the first book left off. Reeling from a profound

loss, Tristan and Danika struggle to pick up the pieces and build a life together, but the hard habits of a lifetime are not so easy to escape. *Rock Bottom* takes us on a dual point of view journey through addiction and desire, through love and agony, and answers the question we've been asking since these characters were introduced in *Grounded*: "What happened between Tristan and Danika?" DANIKA Even love couldn't cushion a fall like ours. My love for Tristan was so big that I felt consumed by it, and even so, it was not enough to overpower our combined demons. I struggled. I yelled and screamed. I scratched and kicked. I fought like hell, but even the most determined fighters have to stop before they break. No one could say I didn't fight for him. "I love you," I spoke softly into his ear. He gripped me harder. "I can't ever lose you, Danika. I'm not sure I'd survive it." "You've got me. And I'm not going anywhere. Not ever." I meant the words when I said them, but life had other plans for us. I'd have given my life for that fight. In fact, I very nearly did. TRISTAN She was the one. If I'd ever had a doubt, I didn't now. She was the one I'd be thinking about, longing for, until I took my last breath. If I lost her tomorrow, I'd pine for her like a lovesick fool. This was the kind of love that only hit you once in your life.

man was trouble with a capital T. It was a given. She knew better. Bad boys were bad. Especially for her. Considering her history, it was crazy to think otherwise. So why did crazy have to feel so damn fine? For as long as she could remember, Danika had been focused on the future with single-minded purpose. Tristan came along and taught her everything there was to know about letting go, and living in the present. She fell, hard, and deep. Of course, that only made her impact with the ground that much more devastating. *Bad Things* is about Tristan and Danika, and their train wreck of a love story. This series can be read as a standalone, or with the *Up in the Air* trilogy. This book is intended for ages 18 and up.
