Who Owns Whom Oct 20 2019

Swedish Volunteers in the Russo-Finnish Winter War, 1939-1940 Jan 03 2021 Sandwiched between Nazi Germany and the "Russian Bear," Sweden walked a diplomatic tightrope on if and how it should support Finland during the Russo-Finnish Winter War. Social and political forces motivated the Swedish leadership to promote neutrality and avoid official military engagement, while at the same time the Swedish Volunteer Corps comprised the largest volunteer combat force (more than 8,200 strong) in any modern war. This book discusses the political background of the 1939-1940 Winter War; setbacks the volunteers suffered due to weather and terrain; and the ever-present fear that war would come to the Scandinavian Peninsula.

Networks of Design Feb 16 2022 Networks of Design maps a new methodological territory in design studies, conceived as a field of interdisciplinary inquiry and practice informed by a range of responses to actor network theory. It brings together a rich body of current work by researchers in the social sciences, technology, material culture, cultural geography, information technology, and systems design, and design theory and history. This collection will be invaluable to students and researchers in many areas of design studies and to design practitioners receptive to new and challenging notions of what constitutes the design process. Over ninety essays are thematically organised to address five aspects of the expanded notions of mediation, agency, and collaboration posited by network theory: Ideas, Things, Technology, Texts, and People. The collection also includes an important new essay on rethinking the concept of design by Bruno Latour, one of the most influential figures in the philosophy and sociology of science and technology and a pioneer of actor network theory, and essays deriving from forum discussions involving designers and designer-makers responsive to actor network theory. Rather than an anthology of previously-published essays, Networks of Design presents work in progress on design theory and its applications. It is the outcome of a live and vigorous debate on the possibilities and actualities offered by actor network led conceptualisations of the relationships and processes constituting design. All the essays, many

collaborative, derive from papers presented at the international conference of the Design History Society held at University College Falmouth, UK in the Autumn of 2008.

Swedish Jan 15 2022 A comprehensive reference guide to the grammar of modern Swedish, which concentrates on the real patterns of use in today's language. It is an ideal reference source for the user and learner of Swedish, irrespective of level.

Colloquial Swedish Aug 10 2021 Colloquial Swedish provides a step-by-step course in Swedish as it is written and spoken today. Combining a user-friendly approach with a thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Swedish in a broad range of situations. This thoroughly revised new edition features: progressive coverage of speaking, listening, reading and writing skills and an increased focus on functional language structured, jargon-free explanations of grammar an extensive range of focused and stimulating exercises realistic and entertaining dialogues covering a broad variety of scenarios useful vocabulary lists throughout the text additional resources available at the back of the book, including a full answer key, a grammar summary and bilingual glossaries Balanced, comprehensive and rewarding, Colloquial Swedish is an indispensable resource both for independent learners and students taking courses in Swedish. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

A Simplified Grammar of the Swedish Language Jun 27 2020

Guide to the Cinema of Sweden and Finland Sep 23 2022 This volume adds Sweden and Finland to the growing list of countries included in Greenwood Press' Reference Guides to the World's Cinema series. Both well known and other important but less known persons and films are included in the reference work which spans the silent film era to the 1990s. The volume is divided into two sections, one devoted to the Swedish entries and the other to the Finnish entries. An introduction to each section overviews the developments and trends in that particular country's film industry. Scholars of European film studies and of Scandinavian studies will appreciate the detailed information compiled in this one volume. Organized by country, the annotated entries are alphabetically arranged and include brief bibliographies and filmographies.

Literacies in the Age of Mobility Nov 13 2021 This book offers insights into questions related to mobility, literacy learning and literacy practices of adult and adolescent migrants. The authors address learning and use of literacies among adults and adolescents in both temporary and more permanent post-migration settlements and in various contexts, exploring spatial as well as temporal dimensions of literacies and power. The formal and informal educational settings examined include state-mandated schools, community settings, and libraries, and the chapters offer insights into the complex relations between literacies and mobility, as well as a range of perspectives on language use and language learning. This volume will be of interest to students and researchers in fields including education and literacy, applied linguistics, language education and migration studies.

Stockholm i Sommar Och Sol: an Album Containing Summer Views from the Attractive Capital of Sweden, with Photographs of Public as Well as Private Buildings and Showing the Life of the Town at Work, Play and Leisure Jul 09 2021

Sweden's Pandemic Experiment Apr 06 2021 This book considers Sweden's pandemic management which differed so significantly from much of the rest of the world: it provoked intense and wide-reaching interest, curiosity and criticism. Trans-disciplinary Swedish authors from the humanities, life sciences, social sciences, and cultural studies use a variety of tools to mine deeper into some of the central elements and dimensions in their country's pandemic management such as understandings of freedom, the execution of power, denialism, exceptionalism, patriotism, the role of expertise and trust in the national state to give a deeper understanding of Sweden's decisions, failures, successes, and the lessons to be learned. Aimed at readers with interest in global health and politics it will also be of interest in disciplines such as virology, epidemiology, history, cultural studies, ethics, media studies, medicine and economics. The Open Access version of this book,

available at <http://www.taylorfrancis.com>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.

A Short Introduction to Swedish Grammar, Adapted for the Use of Englishmen Feb 22 2020

Elementary Swedish Grammar Sep 30 2020

Sweden's Child May 27 2020 The story *Sweden's Child* is a semibiographical book of the life of my great-grandmother Inga Ohlsdotter. The family character's, period, plot, story, town, farm names, and psychic abilities are all true. What I have added are local lore, historical references, and other characters, which increase the interest in the story. Because my mother was raised by her grandmother Inga, these stories have been passed down through generations. *Sweden's Child: Journey to America* will be the same—a true story with people, historical happenings, psychic abilities, and characters that live under duress but still complete their journey as people would have done in a steamship sailing across the Atlantic in 1891

Essential Swedish Grammar Jun 20 2022 DIVLogical, developmental presentation includes all the necessary tools for speech and comprehension and features numerous shortcuts and timesavers. Ideal as an introduction, supplement, or refresher. /div

Creolization and Contact Mar 05 2021 This volume contains revised and extended versions of a selection of the papers presented at "The Amsterdam Workshop on Language Contact and Creolization." These studies apply the concept of relexification to creoles as well as other contact languages; highlight the relevance of strategies of second language learning for theories of pidgin/creole genesis; critically discuss the notions levelling (koine formation) and convergence; the relation between types of contact situations and processes of crosslinguistic influence; as well as the linguistic consequences of the social structure of the plantation system. In addition to discussing English-, French-, and Dutch-related creoles, the papers cover a wide range of contact languages spoken throughout Africa, Asia, and Europe. The breadth and coverage makes this an indispensable title for research in the field of contact linguistics.

A Frozen Field of Dreams, Science, Strategy, and the Antarctic in Norway, Sweden, and the British Empire, 1912-1952 Sep 11 2021 The dissertation examines how actors in Norway, Sweden, and the British Empire conceived the Antarctic as a space for science during the years 1912 to 1952. Instead of tracing a narrative of enlightenment, how science became the dominant form of activity in the Antarctic, I examine a series of episodes with particular attention to why particular kinds of science held sway within specific political, cultural, and economic contexts. Concerned more with how Antarctic science was planned and justified than how it was executed in the field, the project draws upon recent scholarship in geography and geopolitics, as well as the history of exploration. The six case studies involve an aborted Anglo-Swedish Antarctic expedition in 1912; Britain's interwar Antarctic whaling research program; debates among whaling magnates and their associates over the relationship between Antarctic science and whaling in interwar Norway; the culture of polar exploration that emerged at Cambridge (and to some extent Oxford) between the world wars; the approach to polar exploration and quantitative glaciology pioneered by the Swedish geographer Hans Ahlmann; and the complicated history of the Norwegian-British-Swedish Antarctic Expedition (1949-52). I conclude with an epilogue arguing that the rise of international science in the Antarctic during the 1950s reflected the geopolitical dynamics of the Cold War, rather than the triumph of science over politics.

Swedish Cinema and the Sexual Revolution Dec 14 2021 Swedish cinema became recognized for daring representations of sexuality with such films as *One Summer of Happiness* (1951), *The Silence* (1963), *I Am Curious (Yellow)* (1967) and a wave of sex films in the late 1960s and 1970s. The association between Swedish film and sexuality shows up frequently in popular culture. From *Taxi Driver* (1976) to *Mad Men* (2007-2015), dirty Swedish movie references abound. Yet the connection has attracted little critical attention. In this collection of new essays, Swedish and American scholars go beyond popular misconceptions to explore the origins, influences and reception of sexuality in Swedish cinema during the "sexual revolution" on both sides of the Atlantic. A broad range of topics are covered, from analyses of key films, to a behind-the-scenes study of the Swedish Film Institute, which played a significant role in opposing Swedish film censorship.

Made in Sweden Dec 26 2022 *Made in Sweden: Studies in Popular Music* serves as a comprehensive and rigorous introduction to the history, sociology and musicology of twentieth-century Swedish popular music. The volume consists of essays by leading scholars of Swedish popular music and covers the major figures, styles and social contexts of pop music in Swedish. Although the vast majority of the contributors are Swedish, the essays are expressly written for an international English-speaking audience. No knowledge of Swedish music or culture will be assumed. Each essay provides adequate context so readers understand why the figure or genre under discussion is of lasting significance to Swedish popular music; each section features a brief introduction by the volume editors. The book presents a general description of the history and background of Swedish popular music, followed by essays that are organized into thematic sections: *The Historical Development of the Swedish Popular-Music Mainstream*; *The Swedishness of Swedish Popular-Music Genres*; *Professionalization and Diversification*; and *Swedish Artist Personas*. Contributors: Jonas Bjälesjö Alf Björnberg Thomas Bossius Peter Dahlén Olle Edström Karin L. Eriksson Rasmus Fleischer Sverker Hyltén-Cavallius Lars Lilliestam Ulf Lindberg Morten Michelsen Susanna Nordström Marita Rhedin Henrik Smith-Sivertsen Ann Werner Kajsa Widegren

Complete Swedish Beginner to Intermediate Book and Audio Course Mar 17 2022 This product is most effective when used in conjunction with the corresponding double CD. - You can purchase the print book and double CD as a pack (ISBN: 9781444107173) - The double CD is also sold separately (ISBN: 9781444107180) (copy and paste the ISBN number into the search bar to find these products) Are you looking for a complete course in Swedish which takes you effortlessly from beginner to confident speaker? Whether you are starting from scratch, or are just out of practice, Complete Swedish will guarantee success! Now fully updated to make your language learning experience fun and interactive. You can still rely on the benefits of a top language teacher and our years of teaching experience, but now with added learning features within the course and online. The course is structured in thematic units and the emphasis is placed on communication, so that you effortlessly progress from introducing yourself and dealing with everyday situations, to using the phone and talking about work. By the end of this course, you will be at Level B2 of the Common European Framework for Languages: Can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party. Learn effortlessly with a new easy-to-read page design and interactive features: NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. GRAMMAR TIPS Easy-to-follow building blocks to give you a clear understanding. USEFUL VOCABULARY Easy to find and learn, to build a solid foundation for speaking. DIALOGUES Read and listen to everyday dialogues to help you speak and understand fast. PRONUNCIATION Don't sound like a tourist! Perfect your pronunciation before you go. TEST YOURSELF Tests in the book and online to keep track of your progress. EXTEND YOUR KNOWLEDGE Extra online articles to give you a richer understanding of the culture and history of Sweden. TRY THIS Innovative exercises illustrate what you've learnt and how to use it.

Songs of Sweden Nov 25 2022

The Spotify Play Jul 21 2022 The American edition of the revelatory Swedish book *Spotify Untold*, the basis of the new Netflix Original series slated for 2022! "Two excellent Swedish journalists recount the historic rise of the company that changed modern music not just as a riveting business tale, but as a lesson in tech geopolitics. Spotify's Daniel Ek shows why Silicon Valley does not always win."—David Kirkpatrick, New York Times bestselling author of *The Facebook Effect* Steve Jobs tried to stop this moment from ever happening. Google and Microsoft made bids to preempt it. The music industry blocked it time and again. Yet, on a summer's eve in 2011, the whiz kid CEO of a Swedish start-up celebrated his company's US launch. In the midst of the Apple-Android tech war and a music label crusade against piracy and illegal downloading, Spotify withdrew the battle lines, sent shockwaves through Silicon Valley, and got the hardline executives at Universal, Sony, and Warner to sign with its "free-mium" platform. In *The Spotify Play*, now adapted into an upcoming Netflix Original series, Swedish investigative tech journalists Sven Carlsson and Jonas Leijonhufvud, who covered the company from its inception, draw upon hundreds of interviews, previously untapped sources, and in-depth reporting on figures like Mark Zuckerberg, Sean Parker, Steve Jobs, Taylor Swift, Jay-Z, Pony Ma Huateng, and Jimmy Iovine. They have captured the riveting David vs. Goliath story of a disruptive innovator who played the industry giants in a quest to revolutionize the consumption of sound, building today's largest online source of audio, with more than 50 million songs, one million-plus podcasts, and over 300 million users.

An Introduction to Swedish Grammar Mar 25 2020

A Folk Divided Oct 12 2021 "What happens to a people ... when it becomes divided and separated through a great overseas migration? ... how do the two parts of such a divided people relate to each other? What ideas do they have regarding each other as the process continues and as time and circumstance cause them to develop in separate ways of their own? The purpose of this book is to seek answers to such questions in the case of the Swedes during the period of their great migration, between roughly 1840 and 1940." -- Pref.

The Political Economy of Global Responses to COVID-19 Jun 08 2021 This book seeks to identify the reasons why some countries were more efficient and effective than others in responding to the COVID 19 pandemic, and why the global community failed to coalesce. What are the political determinants of the different state responses to the pandemic? Why was scientific advice rejected or ignored in many countries? What has been the role, respectively, of neoliberalism, populism, and authoritarianism in the making of Covid-19 policy? What role have each of these factors played in the uneven and clearly inadequate global response to the pandemic? In an effort to understand why some states failed to handle the pandemic properly, some of the literature suggests that populism is at the root of the current failure of international co-operation. The global financial crisis of 2008-10 triggered significant cooperation within the G-20, led by the combined efforts of the United States and China. These forms of cooperation have clearly disappeared in the context of the pandemic, not only with respect to economic policy but also in public health and management. The authors of this volume link the different state responses to the pandemic-- from its inception to the start of the vaccination campaign, and to the political regimes prevailing in each. In particular, the present volume focuses on a distinction between the responses of neo-liberal regimes, populist regimes and authoritarian ones.

Welcome Home Mr Swanson Aug 22 2022 Between 1840 and 1940, more than one million people emigrated from Sweden to America. The fact that so many chose to leave to seek a better life across the Atlantic was a major trauma for the Swedish nation. Filmmakers were not slow to pick up on an exodus that proved to be of lasting importance for the Swedes' national identity. In *Welcome Home Mr Swanson*, film studies scholar Ann-Kristin Wallengren analyzes the ways in which Swedish emigrants and Swedish-American returnees are depicted in Swedish film between 1910 and 1950, continuing on to recent films and television shows. Were Sweden's emigrants seen as national traitors or as brave trailblazers who might return home with modern ideas? Many of the Swedish films were distributed to the United States, and Wallengren discusses the notions of Sweden and Swedishness that circulated there as a result. She also considers the image of Swedish immigrant

women in American films - a representation that bore little resemblance to the Swedes' idealized view. Wallengren shows how ideologies of nationality had a prominent place in the films' narratives, resulting in movies that project enduring perceptions of Swedish national identity and the American way of life.

Basic Swedish Nov 01 2020 Basic Swedish: A Grammar and Workbook combines an accessible basic reference grammar and related exercises in one volume, and covers most of the topics that students might expect to deal with in their first year of learning Swedish. Each of the 25 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book introduces the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text that outlines an aspect of Swedish culture and exemplifies and consolidates the grammar topic examined in the unit. Features include: clear grammatical explanations with examples in Swedish and English vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance cross-references to other units over 100 exercises with a key to all the correct answers full vocabulary list at the end of the book. The book is suitable both for independent study and for class use. It can be used by absolute beginners and those who have advanced a little further.

The American-Scandinavian Review Nov 20 2019 Vol. 14, no. 5 (May 1926) is special issue devoted to John Ericsson.

Swedish Design Oct 24 2022 Swedish designers are noted for producing distinctive and elegant forms; their furniture and household goods have an especially loyal following around the world. Design in Sweden has more than just an aesthetic component, however. Since at least the late nineteenth century, Swedish politicians and social planners have viewed design as a means for advocating and enacting social change and pushing for a more egalitarian social organization. In this book, Keith M. Murphy examines the special relationship between politics and design in Sweden, revealing in particular the cultural meanings this relationship holds for Swedish society. Over the course of fourteen months of research in Stockholm and at other sites, Murphy conducted in-depth interviews with various players involved in the Swedish design industry—designers, design instructors, government officials, artists, and curators—and observed several different design collectives in action. He found that for Swedes design is never socially or politically neutral. Even for common objects like furniture and other household goods, design can be labeled "responsible," "democratic," or "ethical"—descriptors that all neatly resonate with the traditional moral tones of Swedish social democracy. Murphy also considers the example of Ikea and its power to politicize perceptions of the everyday world. More broadly, his book serves as a model for an anthropological approach to the study of design practice, one that accounts for the various ways in which order is purposefully and meaningfully imposed by designers on the domains of human life, and the

consequences those impositions have on the social worlds in which they are embedded.
