Agent Tori Hunter takes in the body of the beautiful young woman curled up in the trunk of the car. Knowing what she will find, Tori gently lifts the bottom of the victim's blouse. Decorating her back are two small dots an inch apart. Just like the others. Guilt has kept FBI Agent Tori Hunter away from her home in Manchester Bay, Minnesota for twenty years, ever since her twin sister disappeared on the Fourth of July, when the girls should have been together. But when she receives an anonymous newspaper clipping about another missing girl, Genevieve, Tori is dragged back to the past. Just like Tori's sister, Genevieve vanished without a trace, her empty car abandoned on a lonely lakeside road as Independence Day fireworks lit up the sky overhead. Returning to Minnesota lake country, Tori finds Genevieve's distraught parents desperate for answers. How could their beautiful, popular daughter be snatched so near her own home? Under pressure to make an arrest, the police have no time for Tori's theories. Besides, they already have a suspect for Genevieve's abductor: a local man seen flirting with her the night she disappeared. When the suspect is found dead in his isolated cabin, his apparent suicide confirms his guilt to police. But Tori's instincts tell her otherwise. Digging into cold cases, she discovers four women over the past twenty years who were found murdered in their cars late at night. Each had two puncture marks on her back. And when another missing young woman is found bound and strangled in the trunk of her own car, the tell-tale dots prove Tori's suspicions tragically right. A dangerous killer is still out there... Can Tori stop him before Genevieve meets the same fate? And if her twin's kidnapper is pulling the strings, will Tori be the next to disappear? An absolutely addictive mystery thriller that will have you turning the pages late into the night. Perfect for fans of Kendra Elliot, Robert Dugoni and Tess Gerritsen. Read what everyone's saying about Silenced Girls 'Wow!... This book was totally impossible to put down! One of the very best books I've read lately! I highly recommend!' Goodreads Reviewer, 5 stars Jealousy, envy, and pure hateration. Maybe you've been there, or maybe you know someone who's going through it. Whatever the case, you know when things get rough, you can always count on your Sister Girls to be there for you. Take a look inside the lives and relationships of Crystal, Susan, Jewell, and Elsie. Their lives are laced with love, addiction, lust, and loyalty. Crystal must deal with a past she can't escape. Susan is in denial and needs to get real. Jewell is looking for a "good man," and Elsie is confused about her sexuality. When drama takes center stage, each woman is forced to confront her own set of issues. Their friendship is put to test numerous times and in ways that they never imagined. Together these four sisters take friendship to a new level that puts the realities of life's trials and tribulations into their proper perspective. Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind. The universally acclaimed debut novel. "Extraordinary . . . a spare, futuristic fable about a brand-new mother navigating a flooded world."—Vogue.com Pre-empted by publishers around the world within days of the 2016 London Book Fair, *The End We Start From* heralds the arrival of Megan Hunter, a dazzling and unique literary talent. Hunter's debut is a searing original, a modern-day parable of rebirth and renewal, of maternal bonds, and the instinct to survive and thrive in the absence of all that's familiar. As London is submerged below flood waters, a woman gives birth to her first child, Z. Days later, she and her baby are forced to leave their home in search of safety. They head north through a newly dangerous country seeking refuge from place to place, shelter to shelter, to a

desolate island and back again. The story traces fear and wonder, as the baby's small fists grasp at the first colors he sees, as he grows and stretches, thriving and content against all the odds. Written with poise and poeticism, The End We Start From is an indelible and elemental first book—a lyrical vision of the strangeness and beauty of new motherhood, and a portentous tale of endurance in the face of ungovernable change. "Strange and powerful, and very apt for these uncertain times. I was moved, terrified, uplifted—sometimes all three at once. It takes skill to manage that, and Hunter has a poet's understanding of how to make each word count."—Tracy Chevalier, New York Times bestselling author of The Girl with a Pearl Earring From the "New York Times"-bestselling author of "Taken at Dusk" comes a haunting, poignant tale about living and dying, surviving grief, guilt, and heartache, while discovering love and hope in the midst of sadness. "A father searches for his addict son while grappling with his own choices as a parent (and as a user of sorts)"-- When a 17-year-old girl vanishes from her family's remote vacation cabin in Minnesota, FBI Agent Tori Hunter races over icy roads to be the first on the scene. The girl's family is frantic and worried, which brings to mind Tori's memories of her own sister's disappearance. The police suspect the girl's father is involved, but Tori has doubts and finds out secrets about the "good girl" from the teenager's friends. Another missing teenager, a deadly snowstorm, and the haunting memory of her own missing sister spur Tori on a race to find these girls before it's too late. First published in 1893, when Stephen Crane was only twenty-one years old, Maggie is the harrowing tale of a young woman's fall into prostitution and destitution in New York City's notorious Bowery slum. In dazzlingly vivid prose and with a sexual candour remarkable for his day, Crane depicts an urban sub-culture awash with alcohol and patrolled by the swaggering gangland "tough." Presented here with its companion piece George's Mother and a selection of Crane's other Bowery stories, this edition of Maggie includes a detailed introduction that places the novel in its social, cultural, and literary contexts. The appendices provide an unrivalled range of documentary sources covering such topics as religious and civic reform writing, slum fiction, the "new journalism," and literary realism and naturalism. An up-to-date bibliography of scholarly work on Crane is also included. Winner, City of Victoria Butler Book Prize Shortlisted, Ethel Wilson Fiction Prize A National Post Best Book of 2015 "The Hunter and the Wild Girl is powerful, almost elemental storytelling, an achievement not only of craft but of raw emotion. It pulses with vitality, building to a stunning, shattering conclusion." -- Robert Weirsema, Vancouver Sun "A rich, immersive experience. Pauline Holdstock's is the kind of prose you get lost in." -- National Post The story begins with the crack of splintered boards and bones as a feral girl crashes out of the hut where she's been held against her will and into the scrubland of southern France. Townsfolk chase her to the edge of a deep gorge. She leaps and vanishes into legend -- and into the territory of Peyre Rouff, a once-renowned hunter who spends his days fending off his own demons in an abandoned ch'teau. Pauline Holdstock sets this absorbing novel in the blurry territory between myth and reality. The girl and the hunter inhabit radically different worlds. The wild girl's is rooted in the physical, a source of food and danger, Rouff's in the cerebral, an existence patterned to prevent him from the destruction of despair. When their two worlds unexpectedly collide, this odd pair of outsiders forms an unlikely bond. The girl's untamed spirit and volatility shakes the hunter from his solitude. The hunter's unexpected kindness provides the girl with a sense of connection. But when the wider world learns of the girl's presence, Rouff is forced to confront both his choices and their consequences. Wild and unpredictable, lush and sensually evocative, The Hunter and the Wild Girl courses with mythical life blood, resonant, disquieting, and fathoms deep. Katniss Everdeen (The Hunger Games), Bella Swan (Twilight), Tris Prior (Divergent), and other strong and resourceful characters have decimated the fairytale archetype of the helpless girl waiting to be rescued. Giving as good as they get, these young women access reserves of aggression to liberate themselves—but who truly benefits? By meeting violence with violence, are women turning victimization into entertainment? Are they playing out old fantasies, institutionalizing their abuse? In Hunting Girls, Kelly Oliver

examines popular culture's fixation on representing young women as predators and prey and the implication that violence—especially sexual violence—is an inevitable, perhaps even celebrated, part of a woman's maturity. In such films as Kick-Ass (2010), The Girl with the Dragon Tattoo (2011), and Maleficent (2014), power, control, and danger drive the story, but traditional relationships of care bind the narrative, and even the protagonist's love interest adds to her suffering. To underscore the threat of these depictions, Oliver locates their manifestation of violent sex in the growing prevalence of campus rape, the valorization of woman's lack of consent, and the new urgency to implement affirmative consent apps and policies. In this tale of love and war, set in Japanese-occupied Manchuria in the 1930s, the deceptive simplicity of the writing makes the cruelty and tragedy of its outcome all the more shocking. They came after the Diseray. Some were terrors ripped from our collective imaginations, remnants of every mythology across the world. And some were like nothing anyone had ever dreamed up, even in their worst nightmares. Monsters. Long ago, the barriers between our world and the Otherworld were ripped open, and it's taken centuries to bring back civilization in the wake of the catastrophe. Now, the luckiest Cits live in enclosed communities, behind walls that keep them safe from the hideous creatures fighting to break through. Others are not so lucky. To Joyeaux Charmand, who has been a Hunter in her tight-knit mountain community since she was a child, every Cit without magic deserves her protection from dangerous Othersiders. Then she is called to Apex City, where the best Hunters are kept to protect the most important people. Joy soon realizes that the city's powerful leaders care more about luring Cits into a false sense of security than protecting them. More and more monsters are getting through the barriers, and the close calls are becoming too frequent to ignore. Yet the Cits have no sense of how much danger they're in—to them, Joy and her corp of fellow Hunters are just action stars they watch on TV. When an act of sabotage against Joy takes an unbearable toll, Joy uncovers a terrifying conspiracy in the city. There is something much worse than the usual monsters infiltrating Apex. And it may be too late to stop them? Welcome to Shadow Falls, nestled deep in the woods of a town called Fallen... Kylie Galen has never felt normal. One night she finds herself at the wrong party, with the wrong people, and it changes her life forever. Her mother ships her off to Shadow Falls—a camp for troubled teens—but within hours of arriving, it becomes clear that her fellow campers aren't "troubled." Here at Shadow Falls, vampires, werewolves, shapeshifters, witches and fairies train side by side—learning to harness their powers, control their magic, and live in the normal world. They insist Kylie is one of them, and that she was brought to Shadow Falls for a reason. As if life wasn't complicated enough, enter Derek and Lucas. Derek's a half Fae who's determined to be her boyfriend, and Lucas is a brooding werewolf with whom Kylie shares a secret past. Both Derek and Lucas couldn't be more different, but they both have a powerful hold on her heart. Even though Kylie is uncertain about everything, she starts to realize that Shadow Falls is exactly where she belongs... Don't miss this spectacular, New York Times bestselling, young adult paranormal romance series from C. C. Hunter! Born at Midnight will steal your heart and haunt your dreams. Cho Kyuhyun adalah seorang detektif kepolisian yang sedang mengusut kasus pembunuhan berantai "Bloody in Crime" dikejutkan oleh kedatangan seorang gadis yang mengaku melihat kejadian pembunuhan itu secara langsung melalui mata sang pembunuh. Penyidik Cho Kyuhyun, bukan saja menuduhnya sebagai pembunuh, tetapi juga membuatnya merasakan sesuatu yang berbeda. Ia memiliki firasat aneh tentang hubungannya dengan laki-laki itu. Hubungan abadi yang membawanya pada sebuah kejadian pembunuhan lima tahun yang lalu. Lalu, ia melihat sebuah kebenaran. Over two million American women hunt. By taking up weapons for the explicit purpose of killing, they are shattering one of Western culture's

oldest and most firmly entrenched taboos. The image of a woman 'armed and dangerous' is profoundly threatening to our collective psyche--and it is rejected by macho males and radical feminists alike. Woman the Hunter juxtaposes unsettlingly beautiful accounts of the author's own experiences hunting deer, antelope, and elk with an argument that builds on the work of thinkers from Aldo Leopold to Clarissa Pinkola Estes. Exploring how women and men relate to nature and violence, Mary Zeiss Stange demonstrates how false assumptions about women and about hunting permeate contemporary thought. Her book is a profound critique of our society's evasion of issues that make us uncomfortable, and it culminates in a surprising claim: that only by appreciating the value of hunting can we come to understand what it means to be human. Controversial and original, defying easy stereotypes, Woman the Hunter is sure to provoke strong reactions in almost every reader. Detective Harry Hunter of Miami PD's homicide squad throws himself into a case no one asked him to solve. Four teenagers from one of Miami's affluent neighborhoods are murdered on a boat. Another is found in a dumpster. All five of them go to the same school and are on a list of witnesses to another crime. Because he's in bad standing with his boss, Harry is given the task of protecting a possible future victim, but Harry isn't always known to follow his boss's orders. Soon, he'll risk everything while racing to stop a killer who has left everyone else in the homicide squad shaking in terror. ALL THE GOOD GIRLS is the first book in the Harry Hunter Mystery Series and can be read as a standalone. "Die Antwort auf TEAMWECHSEL - eine der bezauberndsten Lovestorys, die derzeit erhältlich sind." -InD'Tale Magazine Ryan Hunter hat in seinem Leben schon mehr als genug Mädchen geküsst. Doch die, von der er seit Jahren träumt, ist hoffnungslos in seinen besten Freund verliebt. Lizas offensichtliche Hingabe für Tony Mitchell ist eine Qual, die Ryan bisher für sich behielt. Doch während eines Fußballsommercamps nehmen die Dinge eine unerwartete Wendung, als sich Tony in ein anderes Mädchen verliebt. Ryan weiß genau, eine bessere Gelegenheit, um bei Liza zu landen, bekommt er nicht. Als ihn Tony dann auch noch bittet, Liza abzulenken, bis er ihr die Wahrheit über seine neue Freundin gestanden hat, schmiedet Ryan einen Plan. Erst überredet er Liza zum Fußballspielen und lädt sie anschließend zu einer Party ohne Regeln ein. Er setzt alles daran, ihr zu beweisen, dass er mehr ist, als der oberflächliche Playboy, für den sie ihn hält. Nach ein wenig Fußballtraining zu zweit und einem sinnlichen Kuss sieht es so aus, als gäbe ihm Liza tatsächlich eine Chance. Allerdings hat Ryan die Rechnung ohne seinen besten Freund gemacht, der im denklich schlechtesten Moment aufkreuzt und alles zunichte macht ... Um RYAN HUNTER richtig zu verstehen, sollte das Gegenstück TEAMWECHSEL zuerst gelesen werden. Eine ausgedehnte Leseprobe über 6 Kapitel finden Sie zu beiden Büchern auf www.pipershelly.com/excerpts/ From the acclaimed author of Little Dancer Aged Fourteen, a deeply personal and insightful account of being a girl, woman, and mother in a world that sees the feminine as less than. Born in 1959 to a middle-class family, Laurence Barraqué grows up with her sister in the northern city of Rouen. Her father is a doctor, her mother a housewife. She understands from an early age, by way of language and her parents' example, that a girl's place in life is inferior to a boy's: Asked for the 1964 census whether he has any children, her father promptly responds, "No. I have two daughters." When Laurence eventually becomes a mother herself in the nineties, she grapples with the question of what it means to be a girl, to have a girl, and what lessons she should try to pass down or undo. Masterful in her analysis of the subtle and obvious ways women are undermined by a sexist society, Camille Laurens lays out her experiences of the past forty years in this poignant, powerful book. Girl is at once intimate and sweeping in its depiction of the great challenges we face, such as equalizing the education system and transmitting feminist values to the younger generations. "Sky loves the circus, and dreams throughout her busy day about all the acts, smells, sounds, and colors to be found in the big top. And when it's showtime, guess who's the star?!"--Page 4 of cover

In the tradition of A. S. Byatt's *Possession*, a hauntingly poignant novel about madness, loss, and the ties that bind our past to our present Deep in the woods of northern England, somewhere between a dilapidated estate and an abandoned Victorian asylum, fifteen-year-old Jane Standen lived through a nightmare. She was babysitting a sweet young girl named Lily, and in one fleeting moment, lost her. The little girl was never found, leaving her family and Jane devastated. Twenty years later, Jane is an archivist at a small London museum that is about to close for lack of funding. As a final research project--an endeavor inspired in part by her painful past--Jane surveys the archives for information related to another missing person: a woman who disappeared over one hundred years ago in the same woods where Lily was lost. As Jane pieces moments in history together, a portrait of a fascinating group of people starts to unfurl. Inexplicably tied to the mysterious disappearance of long ago, Jane finds tender details of their lives at the country estate and in the asylum that are linked to her own heartbroken world, and their story from all those years ago may now help Jane find a way to move on. In riveting, beautiful prose, *The World Before Us* explores the powerful notion that history is a closely connected part of us--kept alive by the resonance of our daily choices--reminding us of the possibility that we are less alone than we might think. She thought he was arrogant. He thought her walls would never come down. Then they fell in love. Forever walking the line between passion and conflict, Laurel and Gavin's relationship ended in divorce after years of miscommunication and unmet expectations. Now pursuing their own separate lives and careers, the two are content . . . though not completely happy. When their best friends, Mike and Mallory, are killed in a plane crash, Laurel and Gavin are stunned to learn they've been named guardians of their friends' young daughter, Emma. Putting their differences aside, the estranged couple search for a suitable guardian as they care for Emma and manage Mike and Mallory's apple orchard. Soon tempers flare--as does the passion they both remember so well. And Laurel and Gavin find themselves working through their past--their mistakes, their miscommunications, and ultimately the tragedy that ended their marriage. Will the seeds of love, still growing inside them, thrive and flourish? Or will grief and regret strangle the feelings before they can fully blossom? "A beautiful tale of second chances, self-sacrifice, and renewed romance." --Pepper Basham, author of *The Heart of the Mountains* and *Authentically*, *Izzy Sweet* and thoughtful contemporary read Book 1: *Riverbend Gap*; Book 2: *Mulberry Hollow*; Book 3: *Harvest Moon* Book length: approximately 80,000 words Includes discussion questions for book clubs Sixteen-year-old Kylie Galen thinks her misbehavior in the wake of her grandmother's death and her parents' separation are the reasons she has been sent to Shadow Falls Camp, but learns it is a training ground for vampires, werewolves, and other "freaky freaks," of which she may be one. Traces the chaotic breakdown of a friendship that shapes and unravels the identities of two rebellious girls in the wake of a stalker's predations. Three fast-paced stories in one book, looking at the lives of street-smart women who think they know it all - but who are about to get the lessons of their lives! From the widely acclaimed author of "The Last Life" come two extraordinary novellas that explore isolation, loneliness, and love. Far-flung settings and universal themes give a sweeping appeal to Claire Messud's work Fourteen of Lucius Shepard's most memorable stories are combined with a previously unanthologized novella, *Radiant Green Star*, to form a stunning sci-fi collection. In the Nebula Award-winning title story, a poor Honduran hunter is coerced into tracking the forbidden black jaguar of Barrio Carolina. AN AMAZON BEST BOOK OF THE MONTH. For readers of *Room* and *The Glass Castle*, an astonishing memoir of one woman rising above an unimaginable childhood. Maude Julien's parents were fanatics who believed it was their sacred duty to turn her into the ultimate survivor--raising her in isolation, tyrannizing her childhood and

subjecting her to endless drills designed to "eliminate weakness." Maude learned to hold an electric fence for minutes without flinching, and to sit perfectly still in a rat-infested cellar all night long (her mother sewed bells onto her clothes that would give her away if she moved). She endured a life without heat, hot water, adequate food, friendship, or any kind of affectionate treatment. But Maude's parents could not rule her inner life. Befriending the animals on the lonely estate as well as the characters in the novels she read in secret, young Maude nurtured in herself the compassion and love that her parents forbid as weak. And when, after more than a decade, an outsider managed to penetrate her family's paranoid world, Maude seized her opportunity. By turns horrifying and magical, *The Only Girl in the World* is a story that will grip you from the first page and leave you spellbound, a chilling exploration of psychological control that ends with a glorious escape. Willow Rose's beloved detective, Harry Hunter is back in this thrilling second installment of the bestselling series. When a mother and her child are pulled out of the harbor in their car, the case seems pretty straightforward for Miami PD and Detective Harry Hunter. Everything points to a double suicide. They were homeless, living in their car, and the mother decided to end it all for them both by driving into the water. Harry's daughter is carrying devastating knowledge about their deaths, and soon she becomes the killer's next target. But the case is not what it looks like, Detective Harry Hunter soon realizes. As Harry races to protect her, he is betrayed by someone he thought he knew, leaving him terrified of trusting anyone in a town filled with liars. *RUN GIRL RUN* is the second book in the Harry Hunter Mystery Series and can be read as a standalone. Scroll up and grab an engulfing mystery today. Which of us hasn't daydreamed about what we'd do if we won the lottery? *A Dollar And A Dream* brings those fantasies to hilarious, heartbreaking life in three stories by #1 national bestselling author Carl Weber and La Jill Hunt, *Essence* bestselling author Angel Hunter, and *Cushcity.com* bestselling author Dwayne S. Joseph. In "Easy Street," Carl Weber and La Jill Hunt deliver a drama-filled world of money, greed, and lies. When Paul, a wannabe player, is sent out by his neighbors to buy lottery tickets, his world is turned upside-down--and so are the lives of unsuspecting friends who may not only lose the winning tickets, but also their homes. . . "One Night, Six Dreams" is a wild, shocking tale of just how far a person might go to have it all. . . Join these unforgettable characters as they learn exactly what money can and can't buy in three fabulous, fast-paced stories of getting rich--and staying real. Includes A Teaser Chapter From Carl Weber's Upcoming Novel *Player Haters* An early masterpiece from the winner of the Nobel Prize hailed as the laureate of life under totalitarianism Romania-the last months of the Ceausescu regime. Adina is a young schoolteacher. Paul is a musician. Clara works in a wire factory. Pavel is Clara's lover. But one of them works for the secret police and is reporting on all of the group. One day Adina returns home to discover that her fox fur rug has had its tail cut off. On another occasion it's the hindleg. Then a foreleg. The mutilated fur is a sign that she is being tracked by the secret police-the fox was ever the hunter. Images of photographic precision combine into a kaleidoscope of terror as Adina and her friends struggle to keep mind and body intact in a world pervaded by complicity and permeated with fear, where it's hard to tell victim from perpetrator. In *The Fox Was Always a Hunter*, Herta Müller once again uses language that displays the "concentration of poetry and the frankness of prose"--as the Swedish Academy noted upon awarding her the Nobel Prize-to create a hauntingly cinematic portrayal of the corruption of the soul under totalitarianism. "The Omnivore's Dilemma" meets "The Pioneer Woman Cooks: " a provocative book that pushes the boundaries of the foodie revolution and considers why, how, and what we eat During World War II, a spunky teenager finds a way to the war effort while she waits for

the boy in her life to come home. The lights of her parents' cabin just visible through the woods, the girl carefully curls up amongst the reeds, her knees pulled tight to her chest. Terrified, the only sound she makes is the pounding of her heart, but she hears the stranger searching... if she keeps silent, will she be safe? When Agent Tori Hunter is urgently called to the murder scene of Dan and Heidi Newman, she finds their throats slit, and Dan tied up: forced to watch his wife lose her life. Tori's first thought is for their seventeen-year-old daughter Cara who is nowhere to be found. Will this popular young girl be the next victim? A broken bracelet is the one clue left at the scene, but the team are running in circles until Tori finally tracks down Cara hiding in the woods. Sobbing, the devastated girl says all she remembers is a flash of a man's face as she was chased through the forest... Desperate to find the monster behind this crime, Tori pieces together the broken chain: and it leads her to an elderly lady living alone nearby. When the woman won't speak to police, Tori senses that although it means breaking all the rules, introducing Cara will show this lonely soul what's at stake. And once inside her house, Cara gasps when she sees a framed photo on display. It's the man who chased her... But then another local couple is murdered in their isolated home, another husband forced to watch his worst nightmare unfold. As more couples lose their lives, can Tori keep Cara, her one witness, safe from this vicious killer? And can she track him down before more innocent families are torn apart? An absolutely addictive and mind-blowing crime thriller that will have you glued to the pages through each and every twist, until the final shocking conclusion. Fans of Kendra Elliot, Robert Dugoni and Lisa Jackson won't be able to put this down.
