Entity Sep 11 2021 Sometimes I liked to imagine, just for a second, that I was plain old Evelyn with nothing better to do in the morning than lie here with her man. But that's not how it was. That's not who we were... Evelyn Brighton and Daniel Summers are demon hunters, and they wouldn't have it any other way. Or would they, given the choice again? Los Angeles is crawling with demons in disguise, and Evelyn and Daniel are a dynamic and fearless demon-slaying duo. Under the authority of Lebriga Corporation and protection of their Divinity blades, this duo has never felt more ass-kicking against evil or more in love with each other. But something is rotten in the state of home demonstration parties—and it's not because a seal's broken in the Tupperware. Beautiful Illuminations is the latest rage in home-consulting cosmetics, founded by Annabelle Simmons. But beneath the layers of makeup and human flesh lurks Anabael, a disembodied Spectoral demon that inhabits people and steals their physical form. To a spirit like that, an ageless demon hunter has a body to die for. And Evelyn just might. As Lebriga battles Anabael mind, body, and soul, Evelyn and Daniel must draw on the strength of their relationship to win the war against the Spectoral menace. But what

if winning the war means losing their love?

Bosnia-Herzegovina Feb 28 2023 The papers collected in this volume provide fascinating primary source material and an insider's account of the intense international political activity in 1992 in the former Yugoslavia, which culminated in the Vance-Owen Peace Plan (VOPP). Lord David Owen highlights elements of the VOPP that are of continuing relevance and may guide political debate and decisions in 2012 and hereafter. This book reminds the international community and the people of Bosnia and Herzegovina that a unified structure for their country is still achievable.

Poughkeepsie May 19 2022 He counts her smiles every day and night at the train station. And morning and evening, the beautiful commuter acknowledges him—just like she does everyone else on the platform. But Blake Hartt is not like the others . . . he's homeless. Memories of a broken childhood have robbed him of peace and twisted delusions into his soul. He stays secluded from the sun, sure the world would run from him in the harsh light of day. Each day, Livia McHugh smiles politely and acknowledges her fellow commuters as she waits for the train to the city. She dismisses this kindness as nothing special, just like her. She's the same as a million other girls—certainly no one to be cherished. But special or not, she smiles every day, never imagining that someone would rely on the simple gesture as if it were air to breathe. When the moment comes that Livia must do more than smile, without hesitation she steps into the fray to defend the homeless man. And she's surprised to discover an inexplicable connection with her new friend. After danger subsides, their smiles become conversation. Their words usher in a friendship, which awakens something in each of them. But it's not long before their bond must prove its strength. Entanglements from the past challenge both their love and their lives. Blake's heart beats for Livia's, even if her hands have to keep its rhythm. Love is patient. Love is kind. Love never fails. Love never fails, right? In an interwoven tale of unlikely loves and relationships forged by fire, Debra Anastasia takes readers into the darkest corners of human existence, only to show them the radiant power of pure adoration and true sacrifice. Complicated families and

confused souls find their way to light in this novel, which manages to be racy, profane, funny, and reverent all at once.

She thinks things have become complicated when she realizes that she's fallen in love with him, something she never planned to do. But what's worse is discovering that her simple sailor boy is actually the crown prince of neighboring Sephria, and his usurping Uncle is trying to kill him. When Darren shows up at her door, bleeding and fleeing assassins, Taya is drawn into a complicated mess of politics, fighting, and broken hearts. Her allegiances will be questioned, her love will find a new course, and she'll do it all while trying to stay alive, save the day, and guard her heart.

Area Plan for Programs on Aging Under Title III of the Older Americans Act of 1965, as Amended for the Area 10 Agency on Aging, Planning and Service Area Dec 22 2019

Seven for a Secret Jan 15 2022 It's the year 2000, and twenty-four-year-old Kate moves into a new apartment to find a new state of independence in a new millennium. Almost immediately, she starts crushing on a hot guy who lives in her building. Deciding to take a break from her boyfriend Dexter, Kate believes the only thing now separating her from the fresh object of her sexual fantasies is the thin wall between their neighboring apartments. A former 1920s hotel, Camden Court has

housed many lonely lives over the decades—and is where a number of them have come to die. They're not all resting in peace, however, including ninety-year-old Olive, who dropped dead in Kate's apartment and continues to make her presence known. For Olive has a secret she's dying to tell. One linking her to the sex, scandal, and sacrifice of a young dreamer named Lon. As the past haunts the present, Kate's romantic notion that the thrill-of-the-chase beats the reality-after-the-catch unexpectedly entwines her modern-day love life with Lon's Jazz Age tragedy. With a little supernatural and a lotta' razzle-dazzle, *Seven for a Secret* is where historical fiction meets contemporary rom-com—from the Roaring Twenties when the "New Woman" was born, to the modern Noughties when she really came of age.

The Jeweler May 07 2021 Fender Barnes profits from an institution he doesn't believe in: marriage. He's a talented designer, but a reluctant jewelry store owner, thanks to his pop's retirement. He's cynical, he's jaded, he's not entirely certain about the concept of love, but he's happy to sell an eager young guy an engagement ring for his fiancée to be—until moments after the transaction when that eager guy is hit by a car and killed, and Fender's conscience pays a rare visit. He retrieves the ring and decides to find the woman his customer intended to marry. That woman turns out to be Ginger Stevens, twenty-something ski instructor, who—despite being full of guilt and self-doubt after the death of her boyfriend—is someone Fender finds he quite enjoys being around. He's smitten. Which is all well and good, except that after he meets her, Fender can't do it. Though it's right there in his pocket, he can't tell her about the ring. Instead, he embarks on a long, ridiculous quest to find a way to tell her the truth he knows she deserves. Aided by advice from Pop and the antics of his best friend Sam, Fender tries desperately to juggle his budding romance with the reality he knows could ruin it. Will he find love or foul it up? Can Ginger move out of the past to embrace

what the future has to offer? Meet this unlikely pair in Beck Anderson's heartfelt and fabulously funny second novel, *The Jeweler*.

The Light Series Box Set Dec 14 2021 The three book box set of *The Light Series* by Jennifer DeLucy includes *Seers of Light*, *Whisper of Light*, and the short *Glimpse of Light*. *Seers of Light*: Lillian Hunt has never truly lived. Always sensing there was more to the world than is easily perceived, she feared that her instincts were stubborn flights of fancy, or worse, mental instability. But some things - disappearing strangers, tangible dreams and visits from malevolent creatures - cannot be ignored. Is Lillian alone in her surreal little world or are there others like her? Will she reject a fated love or embrace the truth of what she is, unraveling the mystery of her life... *Whisper of Light*: The saying goes that all men are created equal... but Nicole Abbot knows better. Lacking the supernatural gifts of the Sentients she has known all her life, Nicole has lived with her nose pressed to the glass, withering beneath the guilt of her own inadequacies and the disapproving glare of her father. It's easy to believe that the universe has forgotten all about her, but things are not always as they seem. With the arrival of Christian Wright, a handsome but complex Combatant with a troubled history, Nicole is forced to question everything she has ever believed about herself, proving that sometimes, our most flawed perceptions are those reflected in a mirror. *Circle of Light*: Empath and Pathcrosser to the dead, Lillian Hunt has finally come into her own as a Sentient being. All seems well in her brave new world...that is, until a tragic turn sends her tight-knit Sentient group on a rescue mission through lore-infested Europe. Their goal is to save the love of Lily's life-vampire Sentient, William Maddox - from both the prejudice of their own society and the dark intentions of ancient vampires. But how will they keep hope alive, even as time runs out? *Circle of Light* is a brilliant finale to *The Light Series*. DeLucy once again delivers gripping paranormal encounters, irresistible character interactions, and beautiful testaments to the power of pure, unselfish love - but it all burns at a higher intensity in this concluding adventure. Readers will come away from *Circle of Light* with a satisfying sense of closure...although certain Sentients may

be less than happy with their ever after.

Entwined Jun 20 2022 Only a few months after embracing her magical powers, defeating a dark witch at her high school, and banishing a faerie prince back to his realm, sixteen-year-old Madison Riley is back in book three of the Embrace series—and doing the bidding of a demon. She has no choice but to do so if she wants him to honor the deal they made at his crossroads territory to save the life of someone she loves. Twenty years of service to a creature of hell is a big price, but it sure beats the alternative: selling her soul. But life gets complicated when you're the beck-and-call witch of a crossroad demon. Caden, the demon she serves, wants to become master of Death Himself, and he has the means to do it as long as Madison helps him find all the pieces of an enchanted "binding" necklace. It's up to Madison and her coven to foil his plans, but Caden's intentions aren't entirely evil—and the kisses he seals his deals with aren't too bad either. As Caden's motives test Madison's trust, his shameful flirting tries her boyfriend Isaac's patience. But being caught in a love triangle with two supernatural hotties is perhaps the least of her concerns when the coven's interference in Caden's plot might just cost Madison her life and unleash hell on earth.

Missing Pieces Apr 18 2022 "Your family is the most important part of your life. Your families are the people you love, and love is what separates us from scoundrels and criminals. It maintains order. Your parents, your sibling, and your Partner, are the ones you love. There should never, ever, be anyone else who comes close to that bond. You have only one best friend, and that is the person you'll be marrying someday. We must learn to differentiate the relationships in our lives: the people we love, and the ones we don't. It's inappropriate, it's foolish, and it's forbidden to think otherwise." Trace Bailey's mouth is her worst enemy - somehow it always gets her in trouble. Luckily, she has a partner in crime - her best friend and neighbor since age seven, Piren Allston. He can't get enough of her crazy sense of humor, and she loves that he's always up for another adventure. They can't be friends, though,

not in their world. Trace and Piren were Assigned to other people at the age of six, and they're supposed to marry their Partners when they turn twenty-four. Failure to comply leads to Banishment, a fate worse than death. Worse still is the growing realization that their bond is stronger than just friendship. In a world without freedom, there are still choices to be made. Following their hearts means losing their family, but following the law means losing each other. Forever.

Der Plan Jan 27 2023 Emma Baker hat noch nie ein Wort mit Alaric Canon gewechselt. Aber sie arbeiten im selben Büro und seit fast einem Jahr beobachtet sie ihn. Alaric ist ein harter, erfolgsverwöhnter Mann - und äußerst gut aussehend. Er ist außerdem der strengste und nachtragendste Mensch, dem sie jemals begegnet ist. Sogar einen Navy Seal hat er schon zum Weinen gebracht, und seine Assistentinnen wechselt er fast täglich. Trotzdem ist Emma unsterblich und völlig hoffnungslos in Alaric verknallt. Als sie mit ihm auf Geschäftsreise geschickt wird, um einen wichtigen Deal abzuschließen, hofft sie, dass er sie endlich bemerkt. Der Business-Trip nimmt eine interessante Wendung, als Emma sich betrinkt und eines ihrer vielen »Talente« zeigt. Bedauert sie es? Vielleicht. Wird Alaric sein wahres Gesicht zeigen? Ja. Oh ja ...

The Plan Apr 30 2023 Day of Employment: 358 10:15 a.m. Location: Cubicles outside Canon's office. Co-workers: Betting on how long Canon's new PA will last. Me: No doubts. Ms. Gum-smacker won't last the day. I need to place my bet. Manolo Blahnik's New Fall Shoes: Mine.

As soon as Madeline hands over my winnings. Emma Baker has never spoken a word to Alaric Canon, nor has he to her. But she's studied him every day across the office tundra for almost a year. Canon is hard and fierce, terrifying and beautiful. He's also the most stern, unforgiving person Emma has ever seen. Emma's co-workers run a betting pool for Canon's Personal Assistant terminations. There's a separate pot for the day one leaves without crying. Not likely...Canon made a former Navy SEAL cry. He has high standards and low tolerance. Everyone knows it. Everyone stays away. Everyone who can, that is. Except Emma. She can't look away. Alaric Canon is the single most attractive man she's ever seen. Bar none. Canon has never noticed her. Not once in almost a year. She's not even a blip on his radar. But she will be. His radar will be blipless no more. It is a goal. Emma has a plan

Suddenly the Reynolds-Pettigrew clan must fight not just to stay together, but to stay safe. In *Trouble Me*, the sequel to *Fix You* and third novel from Rita finalist Beck Anderson, Kelly and Andrew struggle to stay sane within their whirlwind life. Will Andrew and Kelly stay strong at the broken places or be torn apart?

Plan E Nov 01 2020 Owen Perry grew up in a military working-class family in a small New England town, packed into a three-bedroom house with his parents and five siblings. He didn't have any wealthy connections or mentors, or any college options, but he dreamed that someone rich and famous would discover him, carrying him away to a better life. Fortunately, that never happened. Because from the life-changing moment he realized nobody was coming, he set out to build his dreams for himself. What followed was a transformative odyssey—from working in the minimum-wage factories to developing five-star resorts on the shores of Mexico—laid out one incredible step at a time. When Plan A fails, Perry advises, move on to Plan B—then to Plan C, D, and even E. If you want to change your life, keep going. Find someone successful and learn real life success stories.
