**It May Be Simple, but It Isn'T Easy** Jan 20 2020 Late one night, the author was startled awake by a loud voice saying, You have been chosen. She discovered the voice was in her mind. She said out loud, To do what? The answer was To write your books. She was astounded. It was only then, when she was rocked to her core by these spiritual happenings that had no rational explanation, that she realized there was definitely another dimension to her life. She was changed forever not all at once, but little by little over many years. This is the revealing story of those amazing and profound occurrences. Until now, she has never spoken about them because she thought her friends and family would think she was crazy. Its only now, more than twenty-five years later, that she has found the courage to share her spiritual journey. The title, It May Be Simple, But It Isn't Easy, suggests that some of us know we can connect with God and the Holy Spirit, but how many of us actually do so on a regular basis? How many of us remember to forgive everyone and/or send love to all that we meet? This is the true story of the authors spellbinding spiritual journey and how she learned to become a spiritually based, courageous woman.

**Wellness** Apr 03 2021 Indeed, before anyone fully understands the path to enlightenment, one must experience dying. Not physical dying but the spiritual form of giving up the ego, whims, pride. It is this concept of dying to oneself that Larry Viloso has explored and nurtured in his personal quest for spiritual enlightenment. For what is important for any person travelling the path towards spiritual awareness is the willingness to welcome the light into his life.

**The Transformation of a Lost Soul** Jul 26 2020 This is not one of those "Hallelujah, come-to-Jesus" kind of stories - far from it. This story is about someone who found his own spirituality, and felt it was important enough to share his story with others who may be on a spiritual journey of their own.

*My Spiritual Journey into Christ Consciousness* Dec 11 2021 The spiritual journey is an experience of the deepest darkest side of ourselves and the highest and most sacred truth of who we are. In this book I have written about my experiences of both which eventually brought me to a state of Christ Consciousness. I have also shared the wisdom I have gained along the way. We are in the most amazing time on earth, a time of mass spiritual awakening along with the evolution of mother earth herself to a higher frequency. I have written this book with the intention of reaching out to light workers who are still asleep and those who are just waking up. It is critical that all light workers fulfill the mission for which we have come to earth to do in this period of transformation. I accept that this book will be a light on the path for those it is intended to reach. I honor all who are walking this path and making the way easier for those souls who are to follow.

**Flirting with Faith** Sep 27 2020 As a thirty-seven-year-old, highly skeptical, deeply rational woman, Joan had it all: loving family, extravagant home, a high-profile career, even personal contentment. So Joan was more surprised than anyone when she was relieved in an instant from the luxury of spiritual doubt and compelled to realign her life around practices of faith--about which she was a novice. With an unexplainable desire to pursue whatever God had for her at whatever cost was called for, Joan left her high-salary profession, sold her home and all her furniture (with her husband's support), and started life from a blank slate. Finally realizing that she had been flirting with faith since she was a young teen, Joan fell in love with the God who had been pursuing her. Joan candidly shares the story of her radical life change as she moved from atheist, to agnostic in addiction recovery, to the unexpected moment when she was "struck" Christian. As Joan lets go of

control and convention, her skepticism is gradually replaced with a realization that embracing her new faith with radical abandon led to a far more mysterious and countercultural lifestyle than she'd ever imagined.

Aikido Oct 29 2020 In this first full autobiographical work, the legendary aikido grandmaster Gozo Shioda tells of his exciting life. Born in Tokyo in 1915, Shioda excelled as a student of Morihei Ueshiba, the founder of aikido. He went on to win first place in the All Japan Martial Arts Exhibition in 1954; and later, founded the Yoshinkan school of aikido, considered a "hard" style for its rigorous training techniques and emphasis on correct form. In 1988, Shioda was awarded the title of Aikido Master by the International Martial Arts Federation. Over the course of his distinguished career, he also served as the chief instructor for the Tokyo Metropolitan Police, the Air Self-defense Force, the Japanese National Railways, and a number of leading Japanese universities. In *Aikido: My Spiritual Journey*, Shioda relates moving, personal anecdotes about Ueshiba and imparts what he learned from his mentor. He offers a concise overview of the key elements of aikido, including breath power, focused power, and the power of the center line. About 20 rare photos of the author, chronicling his life in aikido, are also included. Yasuhisa Shioda, the author's son and himself a prominent figure in the aikido world, has contributed the Afterword to this volume.

**My Spiritual Journey in Music** May 24 2020 My spiritual journey in music is about my journey singing from eight years old and up and some people that have been on the journey with me in one way or another. Although the music I sang wasn't always gospel, most of my grownup years have been. The worldly music made me feel good sometimes, but spiritual music makes me feel good all the time. God has and is still using me to touch lives for him through poems and songs. I just want to share my experiences with the world in the form of a book and any other way that God wants to use me to share inspiration. There were many times when the devil would use people to discourage me, even people that I thought should encourage me in my journey. But praise be to God who helped me not give up. He put a "keep on keeping on" in me. In other words he has given me a determination. Then to top it off he gave me a song about keep on keeping on, which will be in my poem book. So go through the journey with me and see how God can take a person whose life has been messed up and turn it into a miracle. This book also gives the reader a understanding of who God used to encourage throughout my journey.

Down Sized Aug 27 2020 One night, as I was driving home from the store, the moon looked unusually bright. It glowed with a certain ravishing beauty. Just as I marvelled at the moon, the Lord spoke these words to me: "Lynnee, just as I have sustained the moon all these millions of years, I can sustain you." As you read this book, you will discover how God really sustained me. Be blessed.

**Ordinary Work, Extraordinary Grace** Jun 17 2022 A deeply personal introduction to the biblical theology and spirituality of Opus Dei by the bestselling Catholic author Scott Hahn. To conspiracy theorists, Opus Dei is a highly secretive and powerful international organization. To its members, however, Opus Dei is a spiritual path, a way of incorporating the teachings of Jesus into everyday life. In *Ordinary Work, Extraordinary Grace*, Scott Hahn, a member of Opus Dei, describes the organization's founding, its mission, and its profound influence on his life. Hahn recounts the invaluable part Opus Dei played in his conversion from Evangelical Christianity to Catholicism and explains why its teachings remain at the center of his life. Through stories about his job, his marriage, his role as a parent, and his community activities, Hahn shows how Opus Dei's spirituality enriches the meaning of daily tasks and transforms ordinary relationships. He offers inspiring insights for reconciling spiritual and material goals, discussing topics ranging from ambition, workaholicism, friendship, and sex, to the place of prayer and sacrifice in Christianity today. Engaging and enlightening, *Ordinary Work, Extraordinary Grace* is at once a moving personal story and an inspiring work of contemporary spirituality.

**The Seeker and the Sought** Nov 10 2021 In this book, *The Seeker and the Sought*, Dwight Samuels has attempted to share with the reader some of his personal spiritual experiences that have transformed his Christian belief system and his beliefs about religions as a whole, coming to the realization that it was far from most of what he had been taught in churches, his worldly experiences surrounding the question of this creation, God, and Jesus Christ as the only son of God. Through his seeking from an early age, he was able to discover many hidden spiritual truths that enlightened his higher consciousness as to who and what God is after finally meeting and being initiated into the "Spiritual Path" or as the Bible refers to it, "The Way" by a Perfect Living Master! This was after realizing that he knew absolutely nothing about most things in life except what he was taught either in school or by his mother which was also very limited and coming to the realization that anything that he really learned he learned through his own experience. Even while in school, you have to practice your ABCs, learn to read and write, or practice math to make it to higher levels of mathematics! Well, guess what? The spiritual path is no different. You cannot just read the Bible, Koran, Vedas, or Torah and expect anything, except your own mental gymnastics of what is being said in them. One has to have a "real spiritual teacher." It was thirty-seven years ago that the "love and grace of God" was bestowed upon me, and the Perfect Living Master of our time came into my life and initiated me onto the spiritual path, and through real practice, the realizations that he has shown me has confirmed many of the events that Christ describes in the Bible. I pray that you, the reader, has the same opportunity.

**My Spiritual Journey** Apr 27 2023 In His Own Words The Compelling Personal Story of the Spiritual Life of the Dalai Lama

**My Spiritual Journey** Feb 01 2021 "This (book) is the spiritual journey I have taken from being a Mormon, to being Johannine to coming back to the Mormon faith, but in a different capacity. This is all about building belief in Jesus Christ and the twists and turns I've taken to maintain my integrity. Do you feel the world or your religion just isn't what you expected or believed it to be? Something not adding up? Wondering what is real and what isn't? I'm eighty years old and I may not have many years left on the earth but I have a lifetime of experience seeking for truth and striving to follow our Lord Jesus Christ. Hopefully, some part of my life's spiritual journey will help you in yours", LaPrele explains.

**River of Fire** May 16 2022 "River of Fire is Sister Helen's story leading up to her acclaimed book *Dead Man Walking*—it is thought-provoking, informative, and inspiring. Read it and it will set your heart ablaze!"—Mark Shriver, author of *Pilgrimage: My Search for the Real Pope Francis* The nation's foremost leader in efforts to abolish the death penalty shares the story of her growth as a spiritual leader, speaks out about the challenges of the Catholic Church, and shows that joy and religion are not mutually exclusive. Sister Helen Prejean's work as an activist nun, campaigning to educate Americans about the inhumanity of the death penalty, is known to millions worldwide. Less widely known is the evolution of her spiritual journey from praying for God to solve the world's problems to engaging full-tilt in working to transform societal injustices. Sister Helen grew up in a well-off Baton Rouge family that still employed black servants. She joined the Sisters of St. Joseph at the age of eighteen and was in her forties when she had an awakening that her life's work was to immerse herself in the struggle of poor people forced to live on the margins of society. Sister Helen writes about the relationships with friends, fellow nuns, and mentors who have shaped her over the years. In this honest and fiercely open account, she writes about her close friendship with a priest, intent on marrying her, that challenged her vocation in the "new territory of the heart." The final page of *River of Fire* ends with the opening page of *Dead Man Walking*, when she was first invited to correspond with a man on Louisiana's death row. *River of Fire* is a book for anyone interested in journeys of faith and spirituality, doubt and belief, and "catching on fire" to purpose and passion. It is a book, written in accessible, luminous prose, about how to live a spiritual life that is wide awake to the sufferings and creative opportunities of our world. "Prejean chronicles the compelling, sometimes-difficult journey to the heart of her soul and faith with wit, honesty, and intelligence. A refreshingly intimate memoir of a life in faith."—Kirkus Reviews

**Mapping My Spiritual Journey** Nov 29 2020 God reveals Himself in many ways - through His Word (the Bible), His creation, circumstances, other people, that "still small voice", etc. Of course, the greatest way He has revealed Himself is through His Son Jesus!! The Bible is a record of His divine interaction with mankind - a historical account, a road map, and a love letter all wrapped up into one!! I believe that God wants us to have records of His dealings with us - just check out the various times altars and memorials were built by individuals in the Bible after an interaction with God. That is the purpose of this book. It is set up in a journal format to facilitate recording your relationship, interaction, milestones, etc. with God throughout your life. It is flexible and can be done daily,

on an as needed basis, or based on milestones. The hope is that as you walk through this life and faithfully record your interactions with God, you will start to develop volumes of data and produce a wonderful "motion picture" of your walk with the Lord. It literally is "Mapping Your Spiritual Journey"!! It not only will be a learning experience for you, but will be a heritage for your children and your children's children as you model for them a life walking after the Lord - with all of its bumps, hills, valleys, and mountaintops!! I pray that this journal will be a valuable tool for you in that journey and legacy-building!! May God richly bless you on your journey!!!

**My Spiritual Journey** Mar 26 2023 In the Holy Scriptures spiritual life is often pictured as a spiritual journey. In reviewing Watchman Nee's life we can easily notice four distinct stages in his spiritual journey. The first stage covers the years from 1920 to 1928: from his regeneration to his basic spiritual training. The second stage comprises the years from 1928 to 1942: the period from the expansion of the work to his withdrawal from ministry. The third stage encompasses the years from 1942 to 1952: that is, from brother Nee's withdrawal from ministry to his captivity by the Chinese Communists. The final stage covers the years from 1952 to 1972: from his arrest and imprisonment to his death. All four stages are clearly reflected in either brother Nee's writings or his spoken ministry.
