Q: Ladies, Do YOU Have What It Takes To Become A Forex Diva? A: Yes, You Do. With this incredible new step-by-step guide, investing pro and TV personality Kiana Danial shows you exactly how to understand and take advantage of foreign currency trading. Years ago, the author discovered that women in Japan were making a fortune trading currencies on the foreign exchange (forex) market. These ladies were not investment professionals or financial wizards; they were ordinary individuals who simply learned how the online currency exchange market works--and mastered it. Now you can do the same. In fact, you're about to see just how easy it can be to trade on the largest and most liquid financial market in the world. Kiana Danial spent years studying the habits of investors and discovered that women frequently make smarter, wiser, and less-risky investment choices than their male counterparts. This is precisely why she founded InvestDiva.com--the woman's guide to smart, safe, and profitable trading. By tapping into women's intuitive knack for multitasking and risk management, the author demonstrates why a woman's natural skill sets make her uniquely equipped to reap the enormous rewards of this extremely lucrative field. Invest Diva will show you: How the global currency market works Why social, political, and cultural events shape trading The smartest short- and long-term strategies Best practices for navigating the economic calendar Plus, you'll learn how to identify investment opportunities and spot trends using the five points of the Invest Diva Diamond: * Technical Analysis * Fundamental Analysis * Sentimental Analysis * Capital Analysis * Overall Analysis From her popular blog to her worldwide TV and web presence, Danial has become famous for making complex topics fun and easy to understand via simple, everyday analogies. With Invest Diva, she shows women everywhere the stress-free way to trade currencies--without ever leaving home. What the Boys of Wall Street don't want you to know . . . After years of studying the principles of the foreign currency exchange market, financial expert and financial correspondent Kiana Danial gets to the bottom of today's most curious investment phenomenon: Why are women suddenly making a fortune trading currencies? The answer is inside this book, along with a roadmap designed to show you how and why forex can work for you. "Kiana Danial breaks down a sophisticated foreign exchange market with memorable analogies that can help the most financially illiterate person understand and gain passion in following the markets the way Ms. Danial does." -- FAN YANG, CMT, CEO, FXTimes.com "A must-read if you're considering trading any market or need to know more about trading the forex market. Kiana is an experienced market analyst and a gifted communicator whose book confirms what a lot of men are coming to realize--that women have an edge in trading because they understand the value of analyzing and planning before they risk their time and money." -- JAY NORRIS, founder, Trading University, and author of Mastering the Currency Market and Mastering Trade Selection and Management You Are 1-Click Away From Discovering Simple Steps That Will Help You To Make Profits And Earn Passive Income As A Forex Trader, Including Little Known Tips And Tricks That Successful Forex Traders Are Using To Make Their Money! Daryl Guppy and Karen Wong show you the steps that will allow you to turn part-time trading into a successful income stream. Wong's unique approach uses a stock exchange-based Trading Game simulation as an arena for stress testing trading ideas before risking real cash. This is a serious training method. Wong reveals the essential lessons underpinning survival and success in modern trading markets. She shows how sensible use of derivatives like contract for differences (CFD) enhance returns from trading ideas. Wong takes you through the steps she followed to turn an ambition into a reality. Based on her experience, using Guppy trading methods and her own trading methods, she shows mistakes to avoid and some shortcuts to success. Guppy shows how to adapt your stock trading skills to trading the foreign exchange (Forex) market using methods suitable for a part-time trader. This includes a full explanation of a trading approach for Forex, commodities, and indices. This new trading method identifies high probability trades with well-defined exit targets. This method is designed for time-poor traders who want to limit time risk in the market. Guppy and Wong explain how charting and technical analysis methods are easily applied to improve trade identification, trade management, and profit taking. The discussion is illuminated with real trades so you can identify the features of success, and also the warning signs of failure. Modern markets call for a new mixture of trade methods to make the best use of new trading instruments like CFDs and the increasingly accessible Forex market. You can trade part-time and make a decent second income. Guppy and Wong give you the benefit of their experience and the tools to make this dream a reality. New futures traders also spend waaaaay too much time on looking for the magical combination of indicators, settings and colors they think will show them something that is going to help them make more money. There are no shortcuts or bells that go ding to tell you to enter the right position so stop looking right now and if you are using something like that and you're losing money perhaps that is why. All you need to see is right in front of you on the price chart which is price and time. Those are the only things that professionals care about and nothing else. You can certainly use your chart like a crystal ball to tell you where price will go with a high degree of certainty and Forex Trading with the Set it and Forget it Method tells you how. Forex Trading with the Set it and Forget it Method describes a method of trading that is used by all professionals in the financial market who are money makers. It is really nothing special and is the way the markets have worked since the beginning of time when there were markets and trading. Doesn't it make complete sense to you to learn a method of trading that the actual price of the market you want to work in is based on? To me it's a no brainer however most brand new traders make it very hard on themselves and their accounts in the beginning by learning all the wrong information from day one. When you are done reading Forex Trading with the Set it and Forget it Method you will have an excellent basic explanation of what and what not to do before you even study anything or do any kind of formal education. The information in Forex Trading with the Set it and Forget it Method will put you on the fast track to becoming a successful self-directed financial market investor and trader with very little money invested. It will take you awhile to get your head around this set it and forget it mindset however once you do and you have learned the proper money management and other skills you need to be a successful consistently profitable trader you will never want to do it any other way trust me, you can take that to the bank! Profiting with Forex introduces investors to all the advantages of the global foreign exchange market and shows them how to capitalize on it. Readers will learn why forex is the perfect supplement to stock and bond investing; why it is unrivaled in terms of protection, profit potential, and ease of use; and how it can generate profits, whether the other markets are up or down. Written by two leading forex experts, this complete investing resource uses basic economic principles, solid technical analysis, and lots of common sense to develop an arsenal of tools and techniques that will lead to winning results in the lucrative foreign exchange marketplace. Profiting with Forex includes everything that investors need to know about: The many advantages of the forex market: huge market size, ease of entry, profit potential, tax incentives, 24-hour trading, no commissions, increased leverage, and guaranteed stops The basic terms of forex trading: definitions of important concepts, including "pip," "currency pair," "contract" or "lot," and more Genesis and growth of the forex market: how the forex market emerged out of a changing global financial landscape and continues to change and adapt with that same volatile landscape Fundamental factors that shape the Forex market: the U.S. government, inflation, the U.S. stock market, China and other emerging markets, oil, and breaking news Fundamental tools for tracking Forex market changes: interest rates, Treasury International Capital Data, Consumer Price Index, S&P 500, U.S. dollar vs. Chinese yuan, balance of trade, crude oil futures, and news media Technical analysis tools and indicators for gauging market sentiment: moving averages, oscillating indicators such as, stochastics, Commodity Channel Index, Relative Strength Index, Fibonacci analysis, and others Filled with over 150 illustrations and figures, Profiting with Forex also shows investors how to combine their newly acquired knowledge of Forex fundamentals with proven trading techniques that can generate great rewards in the market. Forex trading has become one of the biggest and strongest markets in the globe. According to a 2019 triennial report from the Bank for International Settlements, "Trading in FX markets reached \$6.6 trillion per day in April 2019, up from \$5.1 trillion 3 years earlier." The Forex market, specifically, is enticing for many reasons: traders can enter into it simply and easily, it is one of the most technologically advanced markets, and you can trade on your own time. Forex is the ideal business and this book will show you how to model the most successful retail traders so that you can preserve your capital, generate exciting returns, become a confident and profitable trader and finally trade for a living. This book shows you step-by-step, how to make money trading the Forex markets like the PROS, spending just 15 minutes a day, while avoiding the mistakes that beginning and struggling traders make. Selective Forex Trading skillfully outlines author Don Snellgrove's S90/Crossover: an independently verified technical indicator that has provided traders with the ability to achieve over 100 consecutive Forex trades without a single loss. Whether you're a seasoned professional or just getting started, this approach—which is based on historical resistance and support points within a trading range—can assist you in entering and exiting positions for the greatest profits possible.
