Vyrkarion Nov 19 2021 Now, in this third and final book of the trilogy, will Jerevan Rayne, who was cursed at a young age to be a wizard, meet his match in Alanna Cairn, who, with almost no training, bears the crystal Vyrkarion? Jerevan knows he must train her, but she wants nothing to do with him. The living crystals, karionin, have been searching for young wizards capable of attuning themselves to the magic of the stones. Will the prophecy that says "the king will die, a god-king take his place, and a child will need to be saved," come true? Will Aavik, the ruler of the lizard folk, who wants Vyrkarion for himself, find that corruption in the capitol benefits his goal? And will Rhys Cinnac, the halfbreed who was cursed by a god to madness, take the throne? Read Vyrkarion: The Talisman of Anor to find out who kills the king, who's imprisoned in the Black Tower, who's kidnapped, and who escapes.

The Books of Magra Aug 29 2022 "The Books of Magra: Hax-Sus" is the first book in a seven volume epic by Joël Tibbits. Set in a Medieval time period, this compelling book focuses on Hax-Sus which is "the desire to know" and tells of two journeys. The first is of a boy and an old architect brought together by the destruction of their kingdom. Together they set out to understand the true nature of Hax-Sus as they are guided by an unusual and singular compass. The second journey is of a young hermit and a warrior woman. Complete strangers, both in a new land, find their respective quests bring them upon the same path challenging and transforming their original goals. Both narratives, haunting and contemplative, lay an intriguing foundation for the entire series.

Poseidon's Curse Sep 05 2020 Poseidon's Curse' interprets the American Revolution from the vantage point of the Atlantic Ocean. Christopher P. Magra traces how British naval impressment played a leading role in the rise of Great Britain's seaborne empire, yet ultimately contributed significantly to its decline. Long reliant on appropriating free laborers to man the warships that defended British colonies and maritime commerce, the British severely jeopardized mariners' earning potential and occupational mobility, which led to deep resentment toward the British Empire. Magra explains how anger about impressment translated into revolutionary ideology, with impressment eventually occupying a major role in the Declaration of Independence as one of the foremost grievances Americans had with the British government.

Interactive Systems: Design, Specification, and Verification Jun 02 2020 Making systems easier to use implies increasingly complex management of communication between users and applications. An increasing part of the application program is devoted to the user interface. In order to manage this complexity, it is very important to have tools, notations, and methodologies that support the designer's work during the refinement process from specification to implementation. The purpose of this proceedings of the first (1994) Eurographics workshop on this area is to review the state of the art. It compares the different existing approaches in order to identify the principal requirements and the most suitable notations and methods, and indicates the relevant results.

Returns of Internally Displaced Persons during Armed Conflict Feb 29 2020 This book presents a detailed study of the return of conflict-affected internally displaced persons (IDPs) under international law. Part I of the book undertakes a wide-ranging analysis of the scope of protection under existing international law for IDP returns. Part II addresses the implementation of the international framework in practice through a case study of the national law, policy and practice of IDP returns during the most intense ten years of the armed conflict in Colombia. Part III, the conclusion, draws together these different strands of analysis.

Knights of Alcea (Demonstone Chronicles #1) Jan 10 2021 They do not wear shining armor, nor do they carry colorful banners. Their names are unknown to the average citizen, but their commands carry weight over all but the king. They are the world's masters in warfare and magic. They are the Knights of Alcea. The days of warfare and Darkness were supposedly over, and the Knights of Alcea had scattered across the huge nation, returning to their private lives, their services no longer required. Unknown to them, a storm is rising over the horizon. When seemingly senseless acts of violence erupt across the breadth of Alcea, the Knights of Alcea are drawn back into action, but their enemies are shrouded in secrecy as they

move forward with a diabolical plan designed to crush Alcea forever.

Animal Kingdoms Jan 22 2022 Animal Kingdoms reveals the far-reaching cultural, political, and environmental importance of hunting in colonial India. Julie E. Hughes explores how Indian princes relied on their prowess as hunters of prized game to advance personal status, solidify power, and establish links with the historic battlefields and legendary deeds of their ancestors.

Malfec Sep 29 2022 Malfec: A Demon Autobiography is a work of fiction. Malfec is one of the oldest demons roaming the world, possessing humans throughout history and influencing their actions to a point. Malfec reveals one of the best-kept secrets in demonology, and for that decision, he becomes a prime target for elimination. He knows his host is dying and decides to reveal to all the world the true power of demons and the secrets of possession. His host has long since lost his personal identity, but Malfec has kept up the human facade until fate forces him to reveal his secret. Faced with racially motivated criminal charges, Malfec decides to lay out his entire life story to the police in exchange for a final confession.

Winds of Change Oct 31 2022 Kern Endol is a man whose dark past always catches up with him. After the death of his wife, Kern realizes that he has no family that he knows of, save one son mysteriously having vanished, and very little to keep him going. But his future is about to drastically change, and things once set in stone will then be in question, and his entire life will be judged by his very actions that dictate the lives of many. Hayle Barvwell is a child, a child that knows nothing of good fatherhood, only the brutality of life at it's core. At eight years old, Hayle assists the man who stole her from the streets and works at a small inn. Her life seems as though nothing will ever get better. However, the hope is kindled by a man who bears many burdens, a man who can change her life forever...a father. This is the story of not just the individuals you will get to know, but a tale of life as told from the view of various opinions. The story I weave into being is not just about the characters, but about how they live, and what examples they set for others. This is the pursuit of life, this is the ever changing winds that bring disaster followed by healing, healing that will forever change lives.

The Mad Wolf's Daughter Mar 24 2022 One dark night, Drest's sheltered life on a remote Scottish headland is shattered when invading knights capture her family, but leave Drest behind. Her father, the Mad Wolf of the North, and her beloved brothers are a fearsome war-band, but now Drest is the only one who can save them.

From Cook to Convicts Dec 21 2021 In 1770, Captain James Cook sailed up the east coast of Australia in his ship, the HM Bark Endeavour. Setting out from England in 1768, he was given two instructions; to observe the transit of Venus and to find and chart the mythical "Great Southern Land". He succeeded in both tasks, despite he and his crew facing great hardship and danger, to complete one of the great voyages of exploration. But as a result of this voyage and reports made later by Joseph Banks, botanist

on board the Endeavour, England would come to view Australia as a viable solution to her convict problem and a potential British colony. From Cook to Convicts examines this epic voyage and its history-making consequences.

Muslims and Christians in Norman Sicily Feb 03 2023 The social and linguistic history of medieval Sicily is both intriguing and complex. Before the Muslim invasion of 827, the islanders spoke dialects of either Greek or Latin or both. On the arrival of the Normans around 1060 Arabic was the dominant language, but by 1250 Sicily was an almost exclusively Christian island, with Romance dialects in evidence everywhere. Of particular importance to the development of Sicily was the formative period of Norman rule (1061 1194), when most of the key transitions from an Arabic-speaking Muslim island to a 'Latin'-speaking Christian one were made. This work sets out the evidence for those changes and provides an authoritative approach that re-defines the conventional thinking on the subject.
