Sweatshops on Wheels May 27 2020 Long hours, low wages, and unsafe workplaces characterized sweatshops a hundred years ago. These same conditions plague American trucking today. Sweatshops on Wheels: Winners and Losers in Trucking Deregulation exposes the dark side of government

deregulation in America's interstate trucking industry. In the years since deregulation in 1980, median earnings have dropped 30% and most long-haul truckers earn less than half of pre-regulation wages. Work weeks average more than sixty hours. Today, America's long-haul truckers are working harder and earning less than at any time during the last four decades. Written by a former long-haul trucker who now teaches industrial relations at Wayne State University, *Sweatshops on Wheels* raises crucial questions about the legacy of trucking deregulation in America and casts provocative new light on the issue of government deregulation in general.

Big Rigs of the 1950s Apr 18 2022 The continued improvement of roadways and the dawn of the Interstate highway system in the 1950s was a boon to American industry in general and the trucking industry in particular. This marque-by-marque photo collection provides a comprehensive and nostalgic look back at the rapid development of the tractor-trailer rigs that resulted. Manufacturers like GMC, Chevrolet, Ford, Dodge, White, Freightliner, Peterbilt, Kenworth, Diamond T, International, Mack, Autocar, Brockway and Sterling are shown hauling everything from Cadillacs to cabbage across town, up the coast and over mountain passes. Thorough captions describe the development and history of each model as depicted in archival black-and-white and period color photography.

Big Rigs Jul 29 2020 In *Big Rigs*, early readers will learn about the different types of big rigs truckers drive. Vibrant, full-color photos and carefully leveled text will engage young readers as

they discover how these large trucks deliver goods we use every day. A labeled diagram helps readers identify different parts of a big rig, while a picture glossary reinforces new vocabulary. Children can learn more about big rigs online using our safe search engine that provides relevant, age-appropriate websites. Big Rigs also features reading tips for teachers and parents, a table of contents, and an index. Big Rigs is part of the Machines at Work series.

A Trucker's Tale Jan 23 2020 Wit, wisdom, adventure, and revelations from sixty years on the road. They say that only truck drivers experience the true grandeur and landscape of America: the winding mountainsides at sunrise, the first frosts of winter descending on apple orchards, the call of the rising roosters. In *A Trucker's Tale*, Ed Miller gives an inside look at the allure of the work and the colorful characters who haul our goods on the open road. He shares what it was like to grow up in a boisterous trucking family, his experience as an equipment officer in Vietnam, the wide range of vehicles he's mounted, and the daily trials, tribulations, risks, and exploits that define life as a trucker. Ed's vibrant, no-holds-barred tales are hilarious and heartwarming, sometimes cringeworthy or unbelievable—recollections of heroic feats as well as the “fishing stories” that have stretched and shifted from CB radio to CB radio. Many are the results of what he calls, “just plain stupidity.” Others bring to light the small acts of kindness and grand gestures that these Knights of the Highway perform each day, as well as the safety risks and continual danger that these essential

workers endure. Together they paint a compelling portrait of one of the most important, but least-known industries, and reveal why Ed, and so many like him, just kept on truckin'.

Trucking Country Feb 16 2022 Trucking Country is a social history of long-haul trucking that explores the contentious politics of free-market capitalism in post-World War II America. Shane Hamilton paints an eye-opening portrait of the rural highways of the American heartland, and in doing so explains why working-class populist voters are drawn to conservative politicians who seemingly don't represent their financial interests. Hamilton challenges the popular notion of "red state" conservatism as a devil's bargain between culturally conservative rural workers and economically conservative demagogues in the Republican Party. The roots of rural conservatism, Hamilton demonstrates, took hold long before the culture wars and free-market fanaticism of the 1990s. As Hamilton shows, truckers helped build an economic order that brought low-priced consumer goods to a greater number of Americans. They piloted the big rigs that linked America's factory farms and agribusiness food processors to suburban supermarkets across the country. Trucking Country is the gripping account of truckers whose support of post-New Deal free enterprise was so virulent that it sparked violent highway blockades in the 1970s. It's the story of "bandit" drivers who inspired country songwriters and Hollywood filmmakers to celebrate the "last American cowboy," and of ordinary blue-collar

workers who helped make possible the deregulatory policies of Jimmy Carter and Ronald Reagan and set the stage for Wal-Mart to become America's most powerful corporation in today's low-price, low-wage economy. Some images inside the book are unavailable due to digital copyright restrictions.

Big Rig Mar 05 2021 Hitch a ride with 11-year-old Hazmat and her dad in their 18-wheeler, Leonardo, for a feel-good road trip across America that keeps on trucking! Life on the road with Daddy is as good as gets for Hazmat. Together, they've been taking jobs and crisscrossing the US for years. Now Daddy's talking about putting down roots—somewhere Hazmat can go to a real school and make friends. Somewhere Daddy doesn't have to mail-order textbooks about "nature's promise to all women." Somewhere Mom's ashes can rest on a mantel and not on a dashboard. While everything just keeps changing, sometimes in ways she can't control, Hazmat isn't ready to give up the freedom of long-distance hauling. Sure the road is filled with surprises, from plane crashes and robo trucks to runaway hitchhikers and abandoned babies, but that all makes for great stories! So Hazmat hatches a plan to make sure Daddy's dream never becomes a reality. Because there's only one place Hazmat belongs: in the navigator's seat, right next to Daddy, with the whole country flying by and each day different from the last. Award-winning author Louise Hawes writes with an easy, conversational voice and an "I'll never grow up" spirit that cheerfully thumbs its nose at traditional coming-of-age narratives. This heart-tugging, laugh-out-loud portrait of a father and daughter is a satisfying journey across modern

America you won't want to miss.

Semi Queer Jan 03 2021 Long-haul trucking is linked to almost every industry in America, yet somehow the working-class drivers behind big rigs remain largely hidden from public view. Gritty, inspiring, and often devastating oral histories of gay, transsexual, and minority truck drivers allow award-winning author Anne Balay to shed new light on the harsh realities of truckers' lives behind the wheel. A licensed commercial truck driver herself, Balay discovers that, for people routinely subjected to prejudice, hatred, and violence in their hometowns and in the job market, trucking can provide an opportunity for safety, welcome isolation, and a chance to be themselves—even as the low-wage work is fraught with tightening regulations, constant surveillance, danger, and exploitation. The narratives of minority and queer truckers underscore the working-class struggle to earn a living while preserving one's safety, dignity, and selfhood. Through the voices of drivers from marginalized communities who spend eleven- to fourteen-hour days hauling America's commodities in treacherous weather and across mountain passes, Semi Queer reveals the stark differences between the trucking industry's crushing labor practices and the perseverance of its most at-risk workers.

Big Rig Rescue! Oct 12 2021 Chris Gall gives truck books a fresh set of wheels in a bright story of wreckers, tools, towing, and teamwork. When a semi-truck crashes in the snow, Big Orange is ready. With a crane, chains, a webbing strap, outriggers, and a winch, Orange will get the semi back on its wheels—and when the job is too tough to tackle

alone, Big Blue is there to help. Together they get the semi free and upright. Now, Orange is ready to tow the semi back to the shop, but a storm is coming.???.?Good thing Blue is around to help when Orange hits ice! With lively storytelling and engaging artwork, acclaimed author-illustrator Chris Gall motors through a brave and stormy tale of big-rig gadgets and collaboration.

The Big Rig Mar 29 2023 Long-haul trucks have been described as sweatshops on wheels. The typical long-haul trucker works the equivalent of two full-time jobs, often for little more than minimum wage. But it wasn't always this way. Trucking used to be one of the best working-class jobs in the United States. The Big Rig explains how this massive degradation in the quality of work has occurred, and how companies achieve a compliant and dedicated workforce despite it. Drawing on more than 100 in-depth interviews and years of extensive observation, including six months training and working as a long-haul trucker, Viscelli explains in detail how labor is recruited, trained, and used in the industry. He then shows how inexperienced workers are convinced to lease a truck and to work as independent contractors. He explains how deregulation and collective action by employers transformed trucking's labor markets--once dominated by the largest and most powerful union in US history--into an important example of the costs of contemporary labor markets for workers and the general public.

Keep on Truckin' May 07 2021 When Bentley Snow began big rig trucking in the summer of 2007, he didn't feel much meaning in life or have much hope of finding any. Through the experiences he had

though and especially the people he met, that began to change.

C. B. Lingo Sep 11 2021 The author discusses her life over the road in a big rig. The book includes cartoons, dialogue, a quiz, CB radio lingo, and safety and trucking information.

Big Rigs Jun 20 2022 Presents a brief history of long-haul trucking and in-depth profiles of popular tractor trailer models including their engines, specifications, interiors and customizing options.

The Long Haul: A Trucker's Tales of Life on the Road Jul 21 2022 "There's nothing semi about Finn Murphy's trucking tales of *The Long Haul*."—Sloane Crosley, *Vanity Fair* More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America. In *The Long Haul*, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.

With lively storytelling and engaging artwork, acclaimed author-illustrator Chris Gall motors through a brave and stormy tale of big-rig gadgets and collaboration.

Semi Trucks of the 1970s Dec 02 2020 By 1972 there were nearly one million tractor-trailer rigs hauling every conceivable kind of cargo on America's roads. Can you imagine the variety of trucks you would have seen at truck stops across the country? But the 1970s proved to be a decade of incredible change for the over-the-road trucking industry, and by 1980 fuel efficiency became a prime concern for companies. At this time, airfoils and other aerodynamic aids began to appear and trucks in general started to take on a similar look. In this

picture-packed book, Ron Adams has pulled together a collection of over 300 images that traces the evolution of truck design and use back to the earliest horse-drawn units right up through the early 1980s. Short introductory chapters cover the earlier years of trucking and then Ron takes you on a coast-to-coast tour of the 1970s, showcasing the huge variety of big rigs working the roads and providing detailed information about the trucks, trailers, cargoes, and trucking companies. In addition to photos and detailed captions, there are period articles covering early aerodynamic testing and also on advancements in truck design in the 1970s. *Semi Trucks of the 1970s* features trucks from all makers, including International, Freightliner, Kenworth, Mack, White-Freightliner, Autocar, Brockway, Peterbilt, Ford, and Diamond Reo. This is a complete look at this evolutionary period in trucking history.

The Big Rigs: Trucks, Truckers, and Trucking Aug 10 2021 A discussion about the world of trucks and truckers examines the many uses of the truck, ranging from digging ditches to cross-country hauling.

So You Want to Drive a Big Rig Mar 17 2022 THIS BOOK ANSWERS QUESTIONS ASKED BY STUDENTS AND GIVES SOME NOT SO COMMON, COMMON SENSE APPROACHES TO EVERYDAY SITUATIONS IN TRUCK DRIVING. Collects **THE GHOST FLEET #1-8**

Hotshot Trucking: Travel the Country, Make Good Money, and Be in More Control of Your Life Jul 09 2021 Contrary to popular belief, there is more than one way to be a trucker and build your own business. Welcome to the world of hotshot trucking! Hotshot trucking is a great way to start your own business without all the cost and regulations of a big rig trucking company. You get to set your own routes and hours, run your own show, and give yourself the money and flexibility you desire. This book covers all you'll need to know to buy your own truck and trailer rig and get out there and start making money. From the basics of how the industry works, this will help take you through buying your first truck and trailer. Breaking down all the options and

extras so you can make an informed choice about your rig. You'll learn all the tools of the trade and the equipment you will need to move your loads. Straps, chains, ropes, ramps - you name it! What to look for, how to find them, and where to shop. Plus, a section with maintenance tips on trucks, trailer, and gear! Everything that you are going to need to get that load to its new home. All the information you'll need on what licensing and documents you'll be required to obtain and how and where to file. How to open a business. Do you need an LLC? Office space? Plus information on how to figure out your costs and budget for your business. But, how do you find your loads? It's all explained here as the book opens up the world of the load boards where hotshot truckers find their loads and bid for their next gig. You'll learn how to figure out how much to charge, how to bid properly, plus the other features these sites offer. Not only online, but you'll learn to take advantage of other opportunities to network and advertise your services so you can get every possible load. Sections on advertising, social media, mailings and more. You'll get a peek on the road with topics on health, exercise, entertainment, and ways to stay on top mental and physical condition while driving. And what do in the case of accident, breakdown, injury, or many other situations. The book also addresses numerous mistakes made by owner-operators that can lead to the downfall of their business. Now, you can learn from their mistakes and ensure the future of your company. Also included is a glossary of hotshot and trucking industry terms so you'll be in the know. When you complete this book, you'll have all

the information to go out and start your own hotshot trucking company. You'll be able to enjoy the freedom, variety, potential, and fun of this high-growth industry!

Big Rig, Short Haul Feb 22 2020

Big Rigs Jun 27 2020 A fabulous photographic tribute to these venerable workhorses of the road.

Rockin' in a Big Rig Apr 25 2020 A UNIQUE STORY OF A CALIFORNIA WOMAN DRIVING A "BIG RIG" TRUCK COAST TO COAST, MONTH AFTER MONTH. "Life is an adventure and I'm living it!" This 146 page book, heavily illustrated in color, candidly documents a career which a woman with a lifelong learning disability can achieve despite all odds. At age 50 entering Truck Driving School, Sarah details her school and first three years on the road coast to coast. This log of her experiences includes truck mechanical and legal issues, road conditions, company rules, truck maintenance, glorious sights far and wide, human actions and humor, food highlights, a horrendous accident, home time -- all this and more while sightseeing the USA from the seat of a Big Rig truck, 'team driving' 24/7, nearly every day, year after year. Sarah states "I love this career. It's like a paid vacation." This book documents an amazing achievement by a skillful woman, mentored much of the time by a professional trucker of remarkable ability. She succeeds while facing harsh weather, coping with international Port delivery stipulations, solving the range of special State laws for Big Rigs, learning the immense range of technical issues required for success on the roads, while also giving love and attention to her four children in Nevada while her home base is in

Riverside County, California.

Big Rigs Apr 06 2021 This book explores the outside and inside of the mammoth trucks seen on major highways.

Big Rigs of the 1960s Aug 30 2020 This book follows on the heels of Big Rigs of the 1950s (0-7603-0978-7), which has proven popular with vintage truck fans. This book tackles a new era, the 1960s, providing views of the trucks that traveled America's highways during that decade. Photography again comes from the enormous archive of Ron Adams, author of Big Rigs of the 1950s, Mack Trucks, and 100 Years of Semi Trucks. Each prominent manufacturer receives its own chapter, and less prominent brands are also covered. Adams provides detailed information about the truck models pictured, as well as the trailers, trucking companies, and hauling configurations seen in the photographs.

The Cult of the Big Rigs and the Life of the Long Haul Trucker Jun 08 2021

The Big Rig Apr 30 2023 Long-haul trucks have been described as sweatshops on wheels. The typical long-haul trucker works the equivalent of two full-time jobs, often for little more than minimum wage. But it wasn't always this way. Trucking used to be one of the best working-class jobs in the United States. The Big Rig explains how this massive degradation in the quality of work has occurred, and how companies achieve a compliant and dedicated workforce despite it. Drawing on more than 100 in-depth interviews and years of extensive observation, including six months training and working as a long-haul trucker, Viscelli explains in detail how labor is recruited,

trained, and used in the industry. He then shows how inexperienced workers are convinced to lease a truck and to work as independent contractors. He explains how deregulation and collective action by employers transformed trucking's labor markets--once dominated by the largest and most powerful union in US history--into an important example of the costs of contemporary labor markets for workers and the general public.

18 Wheels of Horror Sep 30 2020 Psychotic killers, devious ghosts, alien monsters, howling storms, undead creatures, and other dark forces haunt the highways and the truckers who drive them in these 18 chilling tales! Contains the Bram Stoker Award winning story "Happy Joe's Rest Stop" by John Palisano. A ghostly voice on a trucker's CB radio knows more about his life than it should.. Two drivers find their cargo gives them inhuman appetites.. A boy in a truck stop encounters a supernatural force that threatens to destroy the world.. The hypnotic singing lulling a driver to sleep might not be coming from the tires.. A fender-bender between a big rig and a four wheeler is not as accidental as it seems.. The sinister cargo lurking in a rock and roll band's fleet of trucks is unleashed at their final show... Hit the road with this anthology of trucking horror fiction!

Big Rig Jan 27 2023 Come along for the ride as Frankie the big rig truck takes us on the job, driving past kiddie cars (school buses) and land yachts (RVs). Hear the horn blow and the wipers schwat the windshield clean. But, BANG! SHUUUU! Uh-oh: a blow-out! Don't worry, a service truck saves the day so we can get the job done and make a very

special delivery./DIV DIVEvery kid will love to learn the truck driver lingo in the story, and shout out their own sound effects as they return for another ride, read after read. Author Jamie Swenson takes readers from zero to sixty with her fast-talking truck and Ned Young's bright and engaging illustrations.

The Big Rig Feb 28 2023 Long-haul trucks have been described as sweatshops on wheels. The typical long-haul trucker works the equivalent of two full-time jobs, often for little more than minimum wage. But it wasn't always this way. Trucking used to be one of the best working-class jobs in the United States. The Big Rig explains how this massive degradation in the quality of work has occurred, and how companies achieve a compliant and dedicated workforce despite it. Drawing on more than 100 in-depth interviews and years of extensive observation, including six months training and working as a long-haul trucker, Viscelli explains in detail how labor is recruited, trained, and used in the industry. He then shows how inexperienced workers are convinced to lease a truck and to work as independent contractors. He explains how deregulation and collective action by employers transformed trucking's labor markets--once dominated by the largest and most powerful union in US history--into an important example of the costs of contemporary labor markets for workers and the general public.

7 Big Mistakes to Avoid After a Big Rig Trucking Accident Dec 14 2021

The Big Rig World in Stories and Pictures Nov 01 2020 Unlike ships that can only be seen at the seaside, trucks infiltrate our world. This

familiarity can blind us to the beauty of the "Big Rig World". In this book we have attempted to capture the majesty of these "land freighters" and show the beauty of trucking while giving some insight to the trucking issues from the mind of a trucker. We hope this celebration of the trucking profession will inspire pride in our fellow workers and provide a glimpse of our Big Rig World- in stories and pictures to everyone's life that is touched by a truck.

Big Rig Souls Sep 23 2022

Big Rig Business Startup Dec 26 2022 Big Rig Business Startup How to Start, Run & Grow a Successful Trucking Company After losing my corporate job in 2008, I went through the toughest time of my life. At the time my wife pregnant with our third child, and my monthly unemployment check wasn't enough to cover our house and two car notes. In desperation, I decided to go to a local trucking school and get my CDL. I found my first driving job a week after I got out of school. I still remember my first paycheck was just \$55 shy of what I was making at my corporate desk job. I was hysteric, I was happy, I knew this was my new found life and freedom, and no one was going to take it away from me. Long story short, after two years of working for other companies, I decided to start my own trucking company, and I started out as an owner-operator. In 2013, I decided it was time for me to grow and time for me to get off the road and spend some time with my kids. This was when I entered the second phase of my business life. I started to buy one tractor every three months as I was hiring great drivers that are professional, family oriented and serious about

making money. By 2016 I had 12 trucks on the road, and this is also the year when my net earning passed \$350,000 mark. To me, the 350K mark was always a benchmark, why? Because I knew that was the salary of the CEO of the company, I used to work for. Last year, I received a call from a business broker, who asked me for a 10-minute meeting. He had brought an offer from a big trucking company, to buy my company. But I didn't even remotely think about selling my company. Instead, I was talking to the bank and was in the process of finalizing a loan for four new tractors with trailers. Once again, long story short, after I refused their initial offer, they came back with an offer that no reasonable man can refuse, and I consider myself a very reasonable man. The income potential is truly amazing and yes, if you can hire the right people, you will not only see significant growth, high net income but the satisfaction that you don't get from many other jobs and businesses. What I shared in this book, are the steps I went through myself, I wrote from my own experience and shared a step by step process that is easy and simple to follow, and best of all you can get started with very little funding. Here is a Quick View of What I Discussed Inside This Book

5 Factors to Consider Before Starting Your New Trucking Business
How to Get CDL, DOT and Carrier Authority Number
How to Obtain a Unified Carrier Registration
How to Get International Registration Plan tag & Fuel Tax Agreement Decal
Filing a BOC-3 Form
Obtaining a Carrier Alpha Code (SCAC)
Business Plan for Your New Trucking Company
Six Legal Business Structures to Choose From
How to Get an EIN From IRS
A Business Plan That is Specific to Your

Trucking Business Finding & Buying the Right Tractors and Rigs How to Find Financing, Grants & Loans for Your Business What and How to Get Business Via the Load Boards Types of Freights You Should Consider Daily Administration and Operation of Your Trucking Business Maintenance of Your Tractors How to Hire and Retain Great Drivers What and How to Reap Benefits of Fuel Cards How to Market and Grow your new Trucking Business And so much More.

Big Rig 2 Nov 25 2022 Join McTavish and his fellow haulers as they...- hunt down and retrieve a stolen rig.- sweat bullets hauling burning boxcars and molten steel.- park a bulldozer in a living room to keep it warm.- slip, slide, and spin up and down icy inclines and muddy trails.- reveal the secrets of real trucking life in a step-by-step haul.- pass on wisdom and warnings about the ins and outs of life on the highway.
