Picasso Jul 11 2021 "Pablo Picasso's relationships with both his children and his female companions were often tempestuous and destructive, but they provided the drama on which he fed as he created one groundbreaking work after another. From ceramics to print making to sculpture to photography to poetry, Picasso had a huge appetite for expressing himself through every kind of artistic medium, and he is now considered one of the greatest artists of the 20th century. With bold, powerful oil paintings, David Diaz captures the intensity of a man who once signed a drawing as "Yo el rey" or "I the King." Besides beautifully crafted free-verse poems on Picasso's life, there is a back section that includes a glossary, a chronology, sources, notes, and a biographical essay."--Provided by publisher.

Picasso's Trousers Sep 13 2021 "First published in Great Britain by Hutchinson, an imprint of Random House Children's Publishers UK"--Title page verso.

A to Zoo: Subject Access to Children's Picture Books, 10th Edition Apr 27 2020 Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. • Offers easy subject access to children's picture books • Features a user-friendly organization • Provides in-depth indexing and full bibliographic detail

Difficult Decisions Oct 02 2020 What do you do when the algorithm doesn't have the answer? Countless tools and frameworks claim to make decisions objective and bias-free. But in reality, the defining decisions that leaders face are complex ones with subjective information sources and conflicting courses of action. That's why the toughest choices are left to the leaders, and that's why formulas won't answer them. In *Difficult Decisions: How Leaders Make the Right Call with Insight, Integrity, and Empathy*, leadership expert and CEO of YSC Consulting, Eric Pliner, delivers a set of practical tools for readers to make sense of these complex, subjective decisions quickly and with integrity. It presents a path to understanding your own subjectivity, and how your morals, ethics, and responsibilities affect how leaders make the most important decisions. *Difficult Decisions* is ideal for executives, managers, and business leaders to examine their own intuition and navigate the most conflicted choices they make. It's a challenging read and an indispensable resource to help readers develop self-reflection, clarify their values, and ultimately make the choice that is most "right" to them.

[If Picasso Painted a Snowman](#) Jan 17 2022 Maryland Blue Crab Honor Book 2018 A big, brightly colored, playful introduction to various important painters and art movements. If someone asked you to paint a snowman, you would probably start with three white circles stacked one upon another. Then you would add black dots for eyes, an orange triangle for a nose, and a black dotted smile. But if Picasso painted a snowman... From that simple premise flows this delightful, whimsical, educational picture book that shows how the artist's imagination can summon magic from a prosaic subject. Greg Newbold's chameleon-like artistry shows us Roy Lichtenstein's snow hero saving the day, Georgia O'Keefe's snowman blooming in the desert, Claude Monet's snowmen among haystacks, Grant Wood's American Gothic snowman, Jackson Pollock's snowman in ten thousand splats, Salvador Dali's snowmen dripping like melty cheese, and snowmen as they might have been rendered by J. M. W. Turner, Gustav Klimt, Paul Klee, Marc Chagall, Georges Seurat, Pablita Velarde, Piet Mondrian, Sonia Delaunay, Jacob Lawrence, and Vincent van Gogh. Our guide for this tour is a lively hamster who—also chameleon-like—sports a Dali mustache on one spread, a Van Gogh ear bandage on the next. "What would your snowman look like?" the book asks, and then offers a page with a picture frame for a child to fill in. Backmatter thumbnail biographies of the artists complete this highly original tour of the creative imagination that will delight adults as well as children. Fountas & Pinnell Level O

Speak Jul 23 2022 The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

[Ma'am Darling](#) Mar 27 2020 A GUARDIAN BOOK OF THE YEAR * A TIMES BOOK OF THE YEAR * A SUNDAY TIMES BOOK OF THE YEAR * A DAILY MAIL BOOK OF THE YEAR 'An original, memorable and substantial achievement' TLS 'A masterpiece' Mail on Sunday 'I honked so loudly the man sitting next to me dropped his sandwich' Observer 'She made John Lennon blush and Marlon Brando clam up. She cold-shouldered Princess Diana and humiliated Elizabeth Taylor. Andy Warhol photographed her. Jack Nicholson offered her cocaine. Gore Vidal revered her. John Fowles hoped to keep her as his sex-slave. Dudley Moore propositioned her. Francis Bacon heckled her. Peter Sellers was in love with her. For Pablo Picasso, she was the object of sexual fantasy. "If they knew what I had done in my dreams with your royal ladies" he confided to a friend, "they would take me to the Tower of London and chop off my head!" Princess Margaret aroused passion and indignation in equal measures. To her friends, she was witty and regal. To her enemies, she was rude and demanding. In her 1950's heyday, she was seen as one of the most glamorous and desirable women in the world. By the time of her death, she had come to personify disappointment. One friend said he had never known an unhappier woman. The tale of Princess Margaret is pantomime as tragedy, and tragedy as pantomime. It is Cinderella in reverse: hope dashed, happiness mislaid, life mishandled. Combining interviews, parodies, dreams, parallel lives, diaries, announcements, lists, catalogues and essays, *Ma'am Darling* is a kaleidoscopic experiment in biography, and a witty meditation on fame and art, snobbery and deference, bohemia and high society. 'Brown has been our best parodist and satirist for decades now ... *Ma'am Darling* is, as you would expect, very funny; also, full of quirky facts and genial footnotes. Brown has managed to ingest huge numbers of royal books and documents without losing either his judgment or his sanity. He adores the spectacle of human vanity' Julian Barnes, *Guardian*

A Long Petal of the Sea Jul 31 2020 NEW YORK TIMES BESTSELLER • From the author of *The House of the Spirits*, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. "One of the

most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende's] long career."—The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Esquire • Good Housekeeping • Parade In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, Roser and Victor embark on the SS Winnipeg, a ship chartered by the poet Pablo Neruda, to Chile: "the long petal of sea and wine and snow." As unlikely partners, the couple embraces exile as the rest of Europe erupts in world war. Starting over on a new continent, they face trial after trial, but they will also find joy as they patiently await the day when they might go home. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, *A Long Petal of the Sea* shows Isabel Allende at the height of her powers. Praise for *A Long Petal of the Sea* "Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now."—J. Courtney Sullivan, author of *Saints for All Occasions* "This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time."—Colum McCann, National Book Award-winning author of *Let the Great World Spin*

Vision and Design Mar 19 2022

The Hidden Habits of Genius Mar 07 2021 "An unusually engaging book on the forces that fuel originality across fields." --Adam Grant Looking at the 14 key traits of genius, from curiosity to creative maladjustment to obsession, Professor Craig Wright, creator of Yale University's popular "Genius Course," explores what we can learn from brilliant minds that have changed the world. Einstein. Beethoven. Picasso. Jobs. The word genius evokes these iconic figures, whose cultural contributions have irreversibly shaped society. Yet Beethoven could not multiply. Picasso couldn't pass a 4th grade math test. And Jobs left high school with a 2.65 GPA. What does this say about our metrics for measuring success and achievement today? Why do we teach children to behave and play by the rules, when the transformative geniuses of Western culture have done just the opposite? And what is genius, really? Professor Craig Wright, creator of Yale University's popular "Genius Course," has devoted more than two decades to exploring these questions and probing the nature of this term, which is deeply embedded in our culture. In *The Hidden Habits of Genius*, he reveals what we can learn from the lives of those we have dubbed "geniuses," past and present. Examining the lives of transformative individuals ranging from Charles Darwin and Marie Curie to Leonardo Da Vinci and Andy Warhol to Toni Morrison and Elon Musk, Wright identifies more than a dozen drivers of genius—characteristics and patterns of behavior common to great minds throughout history. He argues that genius is about more than intellect and work ethic—it is far more complex—and that the famed "eureka" moment is a Hollywood fiction. Brilliant insights that change the world are never sudden, but rather, they are the result of unique modes of thinking and lengthy gestation. Most importantly, the habits of mind that produce great thinking and discovery can be actively learned and cultivated, and Wright shows us how. This book won't make you a genius. But embracing the hidden habits of these transformative individuals will make you more strategic, creative, and successful, and, ultimately, happier.

The Woman Who Says No Sep 25 2022 Pablo Picasso called Françoise Gilot "The Woman Who Says No." Tiny, talented, and feisty, and an accomplished artist in her own right, Gilot left Picasso after a ten-year relationship, the only woman to escape his intense attentions unscathed. From 2012 to 2014, German journalist and author Malte Herwig dropped by her ateliers in Paris and New York to chat with her about life, love, and art. She shared trenchant observations, her sharp sense of humor, and over ninety years of experience, much of it in the company of men who changed the world: Picasso, Matisse, and her second husband, the famous virologist Jonas Salk, developer of the polio vaccine. Never one to stand in the shadows, Gilot engaged with ground-breaking artists and scientists on her own terms, creating from these vital interactions an artistic style all her own, translated into an enormous collection of paintings and drawings held by private collectors and public museums around the world. In her early nineties, she generously shared her hospitality and wisdom with Herwig, who started out as an interviewer but found himself drawn into the role of pupil as Gilot, whom he called "a philosopher of joy," shared with him different ways of seeing the world.

The Good Divorce May 09 2021 It's never too late to have a good divorce Based on two decades of groundbreaking research, *The Good Divorce* presents the surprising finding that in more than fifty percent of divorces couples end their marriages, yet preserve their families. Dr. Ahrons shows couples how they can move beyond the confusing, even terrifying early stages of breakup and learn to deal with the transition from a nuclear to a "binuclear" family—one that spans two households and continues to meet the needs of children. *The Good Divorce* makes an important contribution to the ongoing "family values" debate by dispelling the myth that divorce inevitability leaves emotionally troubles children in its wake. It is a powerful tonic for the millions of divorcing and long-divorces parents who are tired of hearing only the damage reports. It will make us change the way we think about divorce and the way we divorce, reconfirming our commitment to children and families.

100 Pablo Picassos Jan 29 2023 Did you know that Pablo Picasso created over 50,000 works of art in his lifetime? Or that he also wrote poetry? Did you know that his simple drawing of a dove became an international symbol of peace? Pablo Picasso is one of the most celebrated artists in the world, and this vibrant book shows his life in a remarkably original way. By featuring 100 illustrations of Pablo Picassos throughout the pages, young readers will explore the artist's life from his childhood to his major contributions to modern art, from his love for pets to his endless curiosity about life. The book also invites readers to count the Picassos all the way to 100, adding an educational element while discovering the life and work of the great Pablo Picasso. Guided Reading Level: N3

In Defiance of Painting May 21 2022 The invention of collage by Picasso and Braque in 1912 proved to be a dramatic turning point in the development of Cubism and Futurism and ultimately one of the most significant innovations in twentieth-century art. Collage has traditionally been viewed as a new expression of modernism, one allied with modernism's search for purity of means, anti-illusionism, unity, and autonomy of form. This book - the first comprehensive study of collage and its relation to modernism - challenges this view. Christine Poggi argues that collage did not become a new language of modernism but a new language with which to critique modernism. She focuses on the ways Cubist collage - and the Futurist multimedia work that was inspired by it - undermined prevailing notions of material and stylistic unity, subverted the role of the frame and pictorial ground, and brought the languages of high and low culture into a new relationship of exchange.

That Bad, Bad Cat! Dec 24 2019 What a bad, bat cat! He tears the pillows, he eats the plants, and he even scratches the furniture. He just won't behave! But his family loves him anyway. The simple and repetitive text will provide new readers with a true sense of accomplishment when they finish this book all by themselves. The adorable and quirky illustrations bring this frisky, troublemaking feline to life.

Inside the White Cube Feb 18 2022 These essays explicitly confront a particular crisis in postwar art, seeking to examine the assumptions on which the modern commercial and museum gallery was based.

Boost Your STEAM Program With Great Literature and Activities Feb 24 2020 You've created a STEAM program in your library, but how do you work literacy into the curriculum? With this collection of resource recommendations, direction for program development, and activities, you'll have students reading proficiently in no time. • Presents complementary annotated books and discussion questions to engage students in STEAM topics • Offers topical project and problem-solving activity ideas for students in the library makerspace • Provides research and additional resources for teachers and librarians to use in implementing successful STEAM programs

Meaniehead Nov 15 2021 Henry and Eve are going through a phase of fighting with each other all the time, and their battle quickly escalates from arguing over a toy to leaving a path of destruction across the United States and beyond.

Platinum Doll Dec 16 2021 Set against the dazzling backdrop of Golden Age Hollywood, novelist Girard tells the story of Jean Harlow, an iconic star in the history of film.

iCompórtate, Pablo Picasso! May 29 2020 From Jonah Winter and Kevin Hawkes (both beloved bestsellers and award winners), the story of how Pablo Picasso painted the way he wanted to paint, and left the world speechless! Pablo Picasso may have been one of the most famous artists of the 20th century, but that doesn't mean he painted what people wanted him to paint! In fact, some people hated his paintings! But Picasso didn't listen to all those people, and kept on working the way he wanted to work, until he created something so different... that people didn't know what to say! Pablo Picasso puede ser uno de los pintores mas famosos del siglo XX, pero eso no quiere decir que el siempre pinto las cosas que los demas querian que pintara. De hecho, algunas personas detestaban sus pinturas. Pero a Picasso no le importaba la opinion de esas personas y se mantuvo pintando lo que el queria hasta llegar a pintar algo tan diferente que la gente no supo que decir. "

[The Common Core Approach to Building Literacy in Boys](#) Dec 04 2020 Written with a focus on the English Language Arts Common Core Standards, this book provides a complete plan for developing a literacy program that focuses on boys pre-K through grade 12. • Examines and evaluates the most recent research about boys and nonfiction reading • Addresses the intersections of Common Core Standards and literacy for boys • Provides annotated bibliographies of recommended books as well as lists of apps and other software for boys • Offers educators effective strategies to promote reading with boys and advice for parents in developing a home reading plan for their sons

Picasso's Ceramics Jun 22 2022

Bohemian Paris Apr 08 2021 "[An] epic account of life and loves among artists and writers in Paris from belle époque to world slump" (William Feaver, *The Spectator*). A legendary capital of the arts, Paris hosted some of the most legendary developments in world culture—particularly at the beginning of the twentieth century, with the flowering of fauvism, cubism, dadaism, and surrealism. In *Bohemian Paris*, Dan Franck leads us on a vivid and magical tour of the Paris of 1900–1930, a hotbed of artistic creation where we encounter Apollinaire, Modigliani, Cocteau, Matisse, Picasso, Hemingway, and Fitzgerald, working, loving, and struggling to stay afloat. Sixteen pages of black-and-white illustrations are featured. "Franck spins lavish historical, biographical, artistic, and even scandalous details into a narrative that will captivate both serious and casual readers . . . Marvelous and informative." —Carol J. Binkowski, *Library Journal*, starred review

About Women Jun 29 2020 A provocative and wide-ranging conversation between two distinctive women—one American and one French—on the dilemmas, rewards, and demands of womanhood. Lisa Alther and Françoise Gilot have been friends for more than twenty-five years. Although from different backgrounds (Gilot from cosmopolitan Paris, Alther from small-town Tennessee) and different generations, they found they have a great deal in common as women who managed to support themselves with careers in the arts while simultaneously balancing the obligations of work and parenthood. *About Women* is their extended conversation in which they talk about everything important to them: their childhoods, the impact of war on their lives and their work, and their views on love, style, self-invention, feminism, and child rearing. They also discuss the creative impulse and the importance of art as they ponder what it means to be a woman.

Loveless Fables Aug 12 2021

Freeing Yourself from the Narcissist in Your Life Feb 06 2021 Combining clinical analysis with psychological profiles of famous narcissists, here is an indispensable guide to recognizing, coping with, and ultimately overcoming the destructive behavior of narcissists. Everybody needs some healthy narcissism. But in a society obsessed with appearance, wealth, and status, it's easy for problematic narcissists to thrive. Many people who seem to "have it all" are suffering from one of the most common-and overlooked-personality disorders today: high level narcissism. Typified by an obsession with perfection, a desperate need for admiration, and a willingness to use and exploit others for personal gain, high level narcissism can spell devastation for anyone who crosses the narcissist's path. In *Freeing Yourself from the Narcissist in Your Life*, psychotherapist Linda Martinez-Lewi presents an in-depth and supportive plan for identifying, understanding, and dealing with high level narcissistic behavior in those close to you. Martinez-Lewi helps you to liberate yourself from draining personal relationships with narcissists, and shows how to regain a sense of peace, balance, and well-being. Drawing on detailed profiles of famous narcissists, including Pablo Picasso, Frank Lloyd Wright, Armand Hammer, and Ayn Rand, as well as expertly rendered case studies from her private practice as a psychotherapist, Martinez-Lewi shows how to: - understand where narcissistic behavior comes from; u learn to spot narcissistic traits, even in the early stages of relationships; - realize why attempting to change a narcissist is fruitless; and - protect yourself from the narcissist's opportunism, manipulative behavior, and lack of empathy.

Modern Art Despite Modernism Jan 25 2020 Essay by Robert Storr. Foreword by Glenn D. Lowry.

Some of My Lives Aug 24 2022 Rosamond Bernier has lived an unusually full life—remarkable for its vividness and diversity of experience—and she has known many (one is tempted to say all) of the greatest artists and composers of the twentieth century. In *Some of My Lives*, Bernier has made a kind of literary scrapbook from an extraordinary array of writings, ranging from diary entries to her many contributions to the art journal *L'OEIL*, which she cofounded in 1955. The result is a multifaceted self-portrait of a life informed and surrounded by the arts. Through the stories of her encounters with some of the twentieth century's great artists and composers—including Pablo Picasso, Leonard Bernstein, Max Ernst, Aaron Copeland, Malcolm Lowry, and Karl Lagerfeld—we come to understand the sheer richness of Bernier's experiences, interactions, and memories. The result is pithy, hilarious, and wise—a richly rewarding chronicle of many lives fully lived.

[The Life and Works of History's Greatest Artists : Leonardo da Vinci, Michelangelo, Rembrandt and Pablo Picasso | Biography Book for Kids Junior Scholars Edition | Children's Biography Books](#) Dec 28 2022 Art is more than just its aesthetic appeal. In this ebook, we're going to learn about some of history's greatest artists like Leonardo da Vinci, Michelangelo, Rembrandt and Pablo Picasso. Grab a copy and start reading today.

[Behavior and Medicine](#) Nov 22 2019 Help medical and other health care students successfully prepare for behavioral science foundation courses and examinations: Comprehensive, trustworthy, and up-to-date Quick access to information in case examples, tables, charts etc. Art and poetry humanize and enliven the material Includes USMLE-style review Q & As The latest edition of this popular textbook on the behavioral and social sciences in medicine has been fully revised and updated to meet the latest teaching recommendations by the National Academy of Medicine (NAM). It is an invaluable resource for behavioral science foundation courses and exam preparation in the fields of medicine and health, including the USMLE Step 1. Its 23 chapters are divided into five core sections: mind-body interactions in health and disease, patient behavior, the physician's role, physician-patient interactions, and social and cultural issues in health care. Under the careful guidance and editing of Danny Wedding, PhD, Distinguished Consulting Faculty Member, Saybrook University, Oakland, CA, and Margaret L. Stuber, MD, Professor of Psychiatry and Biobehavioral Sciences at UCLA, nearly 40 leading educators from major medical faculties have contributed to produce this well-designed textbook. The following unique features of *Behavior and Medicine* make it one of the most popular textbooks for teaching behavioral sciences: Based on the core topics recommended by the NAM Numerous case examples, tables, charts, and boxes for quick access to information Resources for students and instructors, including USMLE-style review Q & As Specific "Tips for the Step" in each chapter guide learning The use of works of art, poetry, and aphorisms "humanize" the material Comprehensive, trustworthy, and up-to-date Competitive price

The Fantastic Jungles of Henri Rousseau Apr 20 2022 A child's biography of French artist Henri Rousseau, who spent his life as a toll collector, but created unheralded masterpieces in his spare time.

Make a Masterpiece -- Picasso's Three Musicians Oct 22 2019 Re-create Picasso's *Three Musicians* or make your own new masterpiece using elements of the original artwork. This sticker book provides the painting's background with the main objects removed and transformed into individual stickers.

Just Behave, Pablo Picasso! Mar 02 2023 A tribute to the modern artist master explains how he rebelled creatively against his many critics and disregarded the opinions of his contemporaries to paint according to his own inspiration. Illustrated by the artist of the best-selling *Library Lion*.

[Aesthetic Dining: The Art Restaurant Around the World](#) Jun 10 2021 - For the first time, a global guide to the Art Restaurant - a place where great art and memorable food meet - Interviews with chefs, restaurateurs and artists, including Tracey Emin, Mark Hix and Julian Schnabel - Richly illustrated with images of the art in its context "I went to Noma and interviewed Ren (Redzepi). We were talking about art and food but the restaurant was

closed. Everybody asked me how was the food, what did you eat - and he basically gave me some marmite. The best marmite I've ever had." - David Shrigley This is the definitive guide to Art Restaurants - a new way to appreciate food. Christina Makris, collector of art and a Patron of The Tate and RA, takes the reader on a tour of 25 of the world's greatest art restaurants, from New York to Hong Kong and Cairo to London. Makris traces their stories, details the art highlights, and meets artists, restaurateurs and chefs including Mark Hix, Vik Muniz, Julian Schnabel and Tracy Emin. A captivating guide to where great art and memorable food meet.

The Divorce Culture Sep 01 2020 the author's Atlantic Monthly article "Dan Quayle Was Right" ignited a media debate on the effects of divorce that rages still. In this book she expands her argument, making it clear Americans need to strengthen their resolve with regard to divorce prevention, new ways of thinking about marriage, and a new consciousness about the meaning of commitment. 240 pp. Author tour. Radio satellite tour. 60,000 print.

The Common Core in Grades K-3 Jan 05 2021 The Common Core in Grades K-3 is the second in a series of comprehensive tools to tap into the vast flow of recently published books for children and teens, offering recommendations of exemplary titles for use in the classroom. Currency meets authority, brought to you by the editors of the highly regarded review sources School Library Journal and The Horn Book Magazine. This guide includes hundreds of selections for grades K-3 published since 2007 recommended by The Horn Book Magazine. The titles are grouped by subject and complemented by School Library Journal's "Focus On" columns, which spotlight specific topics across the curriculum. Providing context for the guide, and suggestions on how to use these resources within a standards framework, is an introduction by Common Core experts Mary Ann Cappiello and Myra Zarnowski. These educators provide perspective on the key changes brought by the new standards, including suggestions on designing lessons and two sample plans. Following the introduction, you'll find a wealth of books, by category. (Note that the guide is Dewey-Decimal based, so you may want to dig around, for example, in "Social Sciences" to find some titles that you might first seek in "History" or "Science.") Each section includes a listing of the top titles with brief, explicit annotations, and key bibliographic data. "Focus On" articles are appended to appropriate categories to support in-depth curricular development. Each of these articles includes a topic overview and list of current and retrospective resources (including some fiction) and multimedia, enabling educators to respond to the Common Core State Standards call to work across formats.

When Pigasso Met Mootisse Nov 27 2022 Pigasso, a talented pig, and Mootisse, an artistic bull, live across the road from one another, but when conflicts arise they build fences that ultimately become modern art masterpieces. Includes biographies of the real-life artists, Henri Matisse and Pablo Picasso.

Using Paired Text to Meet the Common Core Nov 03 2020 Teaching students to make connections across related texts promotes engagement and improves reading comprehension and content learning. This practical guide explains how to select and teach a wide range of picture books as paired text--two books related by topic, theme, or genre--in grades K-8. The author provides mini-lessons across the content areas, along with hundreds of recommendations for paired text, each linked to specific Common Core standards for reading literature and informational texts. In a large-size format for easy photocopying, the book includes 22 reproducible graphic organizers and other useful tools. Purchasers also get access to a Web page where they can download and print the reproducible materials.

Life with Picasso Oct 26 2022 Françoise Gilot's candid memoir remains the most revealing portrait of Picasso written, and gives fascinating insight into the intense and creative life shared by two modern artists. Françoise Gilot was in her early twenties when she met the sixty-one-year-old Pablo Picasso in 1943. Brought up in a well-to-do upper-middle-class family, who had sent her to Cambridge and the Sorbonne and hoped that she would go into law, the young woman defied their wishes and set her sights on being an artist. Her introduction to Picasso led to a friendship, a love affair, and a relationship of ten years, during which Gilot gave birth to Picasso's two children, Paloma and Claude. Gilot was one of Picasso's muses; she was also very much her own woman, determined to make herself into the remarkable painter she did indeed become. Life with Picasso, written with Carlton Lake and published in 1961, is about Picasso the artist and Picasso the man. We hear him talking about painting and sculpture, his life, his career, as well as other artists, both contemporaries and old masters. We glimpse Picasso in his many and volatile moods, dismissing his work, exultant over his work, entertaining his various superstitions, being an anxious father. But Life with Picasso is not only a portrait of a great artist at the height of his fame; it is also a picture of a talented young woman of exacting intelligence at the outset of her own notable career.

Who Was Pablo Picasso? Oct 14 2021 Over a long, turbulent life, Picasso continually discovered new ways of seeing the world and translating it into art. A restless genius, he went through a blue period, a rose period, and a Cubist phase. He made collages, sculptures out of everyday objects, and beautiful ceramic plates. True Kelley's engaging biography is a wonderful introduction to modern art.
