Cars. Vehicle shoppers can benefit from the what they've come to expect from the Edmunds name: true market values for trade-ins, private party and dealership-highlighted yearly model changes, and in-depth advice. The BMW Century profiles one hundred years of BMW car and motorcycle manufacturing a decade at a time with gorgeous photos and detailed text. If being a grown-up were as simple as holding down a job, buying a reliable car, finding the home of your dreams and living happily ever after, there'd be no need for this true story. But our mid-thirties author's unorthodox approach and complete failure to accept the world as defined by adults was never going to make it quite so straightforward - especially when Brexit threw a spanner in the works. "If you liked the works of Bill Bryson, Pete McCarthy or Tony Hawks, you will enjoy this." - Amazon Review by Ian S Set against the backdrop of his ever-swelling grumpiness and the growing realization that he might never actually become a millionaire, this book follows him and his trusty hatchback as they travel by road from England to Vienna, seizing the chance to live in Europe before it closed to Brits forever. It's a journey that takes him to Cyprus and Venice, Slovenia and Surrey, Belgium and Bonn. "A hybrid of Victor Meldrew and Tony Hancock, with attitude!" - Direct Reader Comment
