What type of retirement did you select? Retirement with no work? Phased-in retirement with phased-out work? Retirement with part-time work? Or did you select no retirement with continued work? Regardless of which type of retirement you selected, it is the right retirement for you. You are now entering a new phase in your life journey that will last 20 years on average. In many instances it will last a lot longer with many of you living a retirement that equals, or even exceeds, that of your work life. Regardless of the type of retirement you have chosen or how long it lasts, it will be more rewarding if you take charge and create short- and long-term retirement goals as a guide for your daily life. The time will fly by just like it did when you were working. In order to help you with the next phase of your life journey, Create Your Own Rewarding Retirement has been designed as a companion text to Discover the Right Retirement for You in which

you discovered the type of retirement that was best for you. This book goes beyond that to help you create and complete your goals after you retire. The reader has several choices as to how to use this book. You can use it as a workbook by completing all of the chapter worksheets and creating your retirement goals; or you can use it as a history book to chronicle your journey as you create and complete each goal; or you can use it as a storybook about the retirement expectations and experiences of people just like you. Each of choices will be of value to you. Ideally this book is intended to be used in all three ways and it is recommended that you do so to achieve the maximum value from it. Remember that you, and you alone, have the ability to make an ordinary retirement into an extraordinary one. If you've been fighting with your Florida garden, you're doing it wrong! Since you're reading this, I will assume that you are looking for a way to achieve success, peace, and happiness in your life. Well, I believe you

have come to the right place. Most definitions of success focus on attaining wealth. While I will not discount the importance of that, my definition of success also includes being in harmony with your nature, being happy with your relationships, and being satisfied with your vocation. Some people instinctively know how to achieve success. Consequently, they have figured out 'how' to create their own world. Maybe you've met some of these people. What they all seem to have in common is a fulfillment within themselves, their mates and especially with their calling. Unfortunately, most people do not share that feeling of success especially as it relates to their job or career. If this is a concern for you, then maybe it's time to consider changing the way you've managed your work life. Let me be frank. The intent of this book is to help you find success by teaching you 'how' to Create Your Own World. Although you can apply the concepts for Creating Your Own World to many facets of life, however, since a satisfying work life is so essential for happiness, much of what I will focus on is 'how' to discover a rewarding work life, often referred to as your 'Calling'. To achieve success, I believe you need to become enlightened in three distinct areas. First, you need to understand applied psychology, attitudes and how your conscious and sub-conscious minds work. Next, you need to know 'how' to harmonize with your true nature. In other words 'finding your calling'. By finding your 'calling', I mean discovering the career you should have, experiencing the peace you should embrace, and doing those activities that you conclude are enjoyable. Finally, to help you discover and actualize your calling you need a successful process. Give me your undivided attention and I will show you exactly what you need to do to discover and achieve an exciting career, and a wonderful life. "This guide is for business owners, managers, and HR professionals who need to create (or update) a legal and plain-English employee handbook. It provides legal information, practical suggestions, and best practices on wages, hours, and tip pools; at-will employment; time off; discrimination and harassment; complaints and investigations; health and safety; drugs and alcohol; workplace privacy; and email and social media"-- Midway through our lives, we wonder how we ended up here - secretly wishing

we could set flame to everything and walk away in slow motion, leaving all our responsibilities, boring routines, and demanding bosses behind. But this is adulthood. This is how it has to be. And there is no way to start life over again. Or is there? In the style of choose-your-own-adventure stories, CREATE YOUR OWN MIDLIFE CRISIS will give you the chance to try all the roads not taken: To take your mother to a nightclub, turn to page 68. To buy a motorcycle, turn to page 74. To agree to a swingers' night, turn to page 82. To quit this stupid job, go to page 108. Whether it's an affair with a younger man, ayahuasca, or just telling your boss to shove it, choose from countless hilarious and surprising outcomes. Filled with Gaudí's whimsical designs, this sticker book lets kids flex their creative muscles in the style of one of the world's favorite architects. Antoni Gaudí is among history's most recognized and beloved architects. His masterpiece, the still-uncompleted Sagrada Família basilica of Barcelona, is one of the most visited monuments in Spain. But this Catalan architect is especially inspiring to children, who marvel at the nontraditional forms he employed in his buildings and designs. Using pages of colorful stickers to inspire learning and creativity, this entertaining book will encourage young readers to build their own Gaudí-like creations while teaching them much about the architect's life and accomplishments. Create your own adventure on the high seas! In this fast-paced book you are the protagonist and it's up to you to make the decisions that will guide the story! All you know about yourself is that your name starts with "J" and you were orphaned as a young child. Sailing the ocean trying to earn your keep, you will deal with shifty crewmates, the lure of treasure, crazy creatures, and the risk of death! Cozy up in bed and read to yourself or gather 'round the campfire and read aloud--it will be sure to entertain! These days, photographs live on hard drives and DVDs in the company of several thousand other images, coming to light on a computer screen only for a short moment, if ever. In that respect our computer is a one-image-at-a-time exhibition of our photographic work. But as photographers, we like to print our best images, frame and show them at home or at an exhibition, or present a collection of prints in a portfolio. This book will guide you through the process of creating a printed and bound portfolio of your photographs, or even a bookstore-quality coffee table book. Learn about every step of the process, from selecting a book publishing service all the way through designing and proofing your photo book. You'll get practical advice on how to work with software provided by services such as Blurb or Viovio, and will learn about relevant concepts of book design, color management, and digital printing. Create your Own Photo Book is the perfect guide for the aspiring amateur photographer as well as the seasoned pro. Nothing is "Beyond Belief" Imagination is the key to creating a new reality! Whatever you can imagine, you can implement.

Whatever you believe to be actually creates the world you see. Life doesn't just happen to you. It responds to you and the thoughts that you are creating on a continuing basis. Although thoughts are not tangible, they are programmable and powerful. Thoughts can transform the abstract into the absolute. This book is about creative visualization or wishcraft which is a way of thinking that can change your life. The principles proposed in this book can propel you from poverty to prosperity and jumpstart your JOY as you learn how to transform your thoughts into reality. The process starts with a dream, a desire, or even just a wish. Wishes come in all sizes. One can wish small or one can wish big or tall. One can even choose not to wish at all, but wishing is really the key to creating a new reality. Everything that you can conceive of already exists or you couldn't even conceive of it. Creative visualization simply makes the invisible visible! Your beliefs are the key to making the invisible materialize. Predicting the future actually becomes possible once you realize that you can create your own future by propelling your dreams into reality. The world can be yours to have and to hold once you take control of your own destiny. That doesn't mean that you can control the events that will happen in your life, but you can control how you envision those events. Those visualizations can either empower you to excel or cripple you in crisis. If you want your life to change, try doing something strange. If you want your life to be different, do different, think different. Sometimes all that you need to change is your mind and your beliefs! Stop setting limits on your life! Become part of the cycle of life which is to Dream, desire, create and inspire..... Create Your Own Religion is a call to arms--an open invitation to question all the values, beliefs, and worldviews that humanity has so far held as sacred in order to find the answers we need to the very practical problems facing us. Writer, philosopher, and professor of comparative religion, Daniele Bolelli, leads the reader through three thousand years of mythology, misogyny, misinformation, and the flat-out lies about "revealed truth" that continue to muddle our ability to live a peaceful life, free of guilt and shame and the ultimate fear of death. "Our worldviews are in desperate need of some housecleaning," says Bolelli. "We enter the 21st century

still carrying on our backs the prejudices and ways of thinking of countless past generations. What worked for them may or may not still be of use, so it is our job to make sure to save the tools that can help us and let go of the dead weight." A valuable tool for those who wish to create their own fashion label, this guidebook is a must-read as it covers a wide range of topics such as garment making, business models, branding, operations and marketing. It lays out important considerations to be aware of prior to investing your resources. The author, Nour Elmir, is an award-winning Australian designer and consultant with 10 years of experience in the industry. She studied and worked in Paris and has consulted brands internationally. She understands the challenges of undertaking such as business venture which led her to create this successful publication. This book/DVD contains a stunning collection of decorative patterns that paper crafters and artists will find both versatile and easy to use.
