**“A powerful meditation on the undying nature of love and the often cruel beauty of one’s own fate. This is a novel you simply must read!” —Andre Dubus III, New York Times bestselling author of Townie From Simon Van Booy, the award-winning author of Love Begins in Winter and The Secret Lives of People in Love, comes a debut novel of longing and discovery amidst the ruins of Athens. With echoes of Nicole Krauss’s The History of Love and Charles Baxter’s The Feast of Love, Van Booy’s resonant tale of three isolated, disaffected adults discovering one another in Greece is the compelling product of an inquisitive, visionary talent. In the words of Robert Olen Butler, Pulitzer Prize-winning author of A Good Scent from a Strange Mountain, “Simon Van Booy knows a great deal about the complex longings of the human heart.” A 2021 National Jewish Book Award Finalist One of Smithsonian Magazine’s Best History Books of 2021 “An uplifting tale, suffused with a karmic righteousness that is, at times, exhilarating.” —Wall Street Journal “A gripping narrative that reads like a page turning thriller novel.” —NPR In the summer of 1942, the Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the forbidding Bialowieza Forest. They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a**

wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story.

**ABOUT THE BOOK** Sarah's Key by Tatiana de Rosnay tells two simultaneous narratives. One story tells the experiences of Sarah, a young Jewish-French girl living in Paris with her family during World War II. The parallel story revolves around the character of Julia Jarmond, an American journalist living in Paris with her husband and her daughter, Zoe. As much as the book focuses on the parallel narratives of Sarah and Julia, Sarah's Key also contains an overarching story of France. These three foci fatefully intersect during an event known as the Roundup of the Vel' d' Hiv' on July 16, 1942, when French policemen and civil servants rounded up nearly 10,000 Jewish people. These people were sent first to internment camps in France, and then later on to their deaths at the infamous concentration camp, Auschwitz.

**MEET THE AUTHOR** Cheryl Lavin Rapp has been an award-winning journalist for over 30 years. As a reporter for the Chicago Tribune and now the Chicago Sun-Times, she has covered everything from the Oscars, Emmys, and Tonys to sexual abuse by priests, and gays in the military. She's interviewed everyone from Harry Kissinger to Jennifer Aniston. In addition to her thousands of feature stories, Lavin has written the popular relationship column, TALES FROM THE FRONT, since 1984. Readers share their stories of dating disasters and happy-ever-after, make-ups and break-ups. In sum, Lavin Rapp writes about lifestyles, dating, relationships, pop culture and entertainment. The enactment of the German extermination policies that resulted in the murder of six million European Jews depended upon many factors, including the cooperation of local authorities and police departments, and the passivity of the populations, primarily of their political and spiritual elites. Necessary also was the victims' willingness to submit, often with the hope of surviving long enough to escape the German vise. The Years of Extermination, the completion of Saul Friedländer's major historical opus on Nazi Germany and the Jews, explores the convergence of the various aspects of this most systematic and sustained of modern genocides. In this unparalleled work—based on a vast array of documents and an overwhelming choir of voices from diaries, letters, and memoirs—the history of the Holocaust has found its definitive representation. The New York Times bestseller with more than 1 million copies sold worldwide Inspired by the incredible true story of one Jewish family separated at the start of World War II, determined to survive—and to reunite—We Were the Lucky Ones is a tribute to the triumph of hope and love against all odds. “Love in the face of global adversity? It couldn't be more timely.”

—Glamour It is the spring of 1939 and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows closer. The talk around the family Seder table is of new babies and budding romance, not of the increasing hardships threatening Jews in their hometown of Radom, Poland. But soon the horrors overtaking

Europe will become inescapable and the Kurcs will be flung to the far corners of the world, each desperately trying to navigate his or her own path to safety. As one sibling is forced into exile, another attempts to flee the continent, while others struggle to escape certain death, either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight. Driven by an unwavering will to survive and by the fear that they may never see one another again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere. An extraordinary, propulsive novel, *We Were the Lucky Ones* demonstrates how in the face of the twentieth century's darkest moment, the human spirit can endure and even thrive. From the internationally bestselling author of *Sarah's Key* comes the riveting story of the remarkable woman who walked beside Moses. Although she is a Cushite by birth—one of the people of the lands to the south—Zipporah grew up as the beloved daughter of Jethro, high priest and sage of the Midianites. But the color of Zipporah's skin sets her apart, making her an outsider to the men of her adopted tribe, who do not want her as a wife. Then one day while drawing water from a well, she meets a handsome young stranger. Like her, he is an outsider. A Hebrew raised in the house of the Egyptian Pharaoh, Moses is a fugitive, forced to flee his homeland. Zipporah realizes that this man will be the husband and partner she never thought she would have. Moses wants nothing more than a peaceful life with the Midianites, but Zipporah won't let Moses forget his past—or turn away from his true destiny. She refuses to marry him until he returns to Egypt to free his people. When God reveals himself to Moses in a burning bush, his words echo Zipporah's, and Moses returns to Egypt with his passionate and generous wife by his side. A woman ahead of her time, Zipporah leaps from the pages of this remarkable novel. Bold, independent, and a true survivor, she is a captivating heroine, and her world of deserts, temples, and ancient wonders is a fitting backdrop to an epic tale. **In the spring of 1944, I realized that I was not going to survive the war... A first novel written by PEN Discovery Award Winner Risa Miller, *Welcome to Heavenly Heights* describes a group of American Jews who have left the United States, not just to move to Israel, but to live in a settlement on the West Bank. Miller conjures a culture and a movement--part religion, part pipe dream--viewed through the pinhole of one ragged apartment building's door: its families, their dinners, their weddings, their marriages, their sorrows. While bombs can be heard at the edges of these pages, it is inside the settlement, Heavenly Heights where Miller's delicate, understated prose limns the lives of these tender souls. "An upside-down, funhouse treat. You'll lick it up." - USA Today In 1913, little Malka Treynovsky flees Russia with her family. Bedazzled by tales of gold and**

movie stardom, she tricks them into buying tickets for America. Yet no sooner do they land on the squalid Lower East Side of Manhattan when Malka is crippled and abandoned in the street. Taken in by an Italian ices peddler, she manages to survive through cunning and inventiveness. As she learns the secrets of his trade, she begins to shape her own destiny. She falls in love with a gorgeous, illiterate radical named Albert, and they set off across America in an ice cream truck. Slowly, she transforms herself into Lillian Dunkle, "The Ice Cream Queen" -- doyenne of an empire of ice cream franchises and a celebrated television personality. Yet Lillian Dunkle is nothing like the whimsical motherly persona she crafts for herself in the media. Conniving, profane, and irreverent, she is a supremely complex woman who prefers a good stiff drink to an ice cream cone. And when her past begins to catch up with her, everything she has spent her life building will be at stake. An unforgettable story from one of Brazil's most accomplished and original new voices, this is a profoundly moving portrait of a young woman finding her way back into life. With more than half a million copies of her novels sold, Naomi Ragen has connected with the hearts of readers as well as reviewers who have met her work with unanimous praise. In *The Saturday Wife*, Ragen utilizes her fluid writing style--rich with charm and detail--to break new ground as she harnesses satire to expose a world filled with contradiction. Beautiful, blonde, materialistic Delilah Levy steps into a life she could have never imagined when in a moment of panic she decides to marry a sincere Rabbinical student. But the reality of becoming a paragon of virtue for a demanding and hypocritical congregation leads sexy Delilah into a vortex of shocking choices which spiral out of control into a catastrophe which is as sadly believable as it is wildly amusing. Told with immense warmth, fascinating insight, and wicked humor, *The Saturday Wife* depicts the pitched and often losing battle of all of us as we struggle to hold on to our faith and our values amid the often delicious temptations of the modern world. A woman of limited means and even less experience must confront a vengeful spirit in this haunting novel from the New York Times bestselling author of *The Broken Girls* and *The Sun Down Motel*. 1920s England. Sarah Piper's lonely, threadbare existence changes when her temporary agency sends her to assist an obsessed ghost hunter. Alistair Gellis—rich, handsome, and scarred by World War I—has been summoned to investigate the spirit of the nineteen-year-old maid Maddy Clare, who is said to haunt the barn where she committed suicide. Maddy hated men in life, and she will not speak to them in death. But Sarah is unprepared to confront an angry ghost—real or imagined—on her own. She's even less prepared for the arrival of Alistair's associate, rough, unsettling Matthew Ryder, also a veteran of the trenches, whose scars go deeper than Sarah can reach. Soon, Sarah is caught up in a desperate struggle. For Maddy's ghost is no hoax—she's real, she's angry, and she has powers that defy all reason. Now, Sarah and Matthew must discover who Maddy was, where she came from, and what is driving her desire for vengeance—before she

destroys them all.... An estranged daughter returns home to discover her father's WWII history in a "beautifully written" novel of family rifts and the burdens of racism (Historical Novel Society). Rachel Fleischer has good reasons not to be at her father's deathbed. Foaling season is at hand and her horses are becoming restless. But her horse manager, Malachi—more of a father to Rachel than Marty ever was—convinces her to go. When a stranger at her father's funeral delivers an odd gift and an apology, Rachel is drawn into the epic story of her father's World War II experience and the scandal that would cast a shadow on his life. As she learns about his time as a Jewish sergeant in charge of a platoon of black soldiers in 1940s Alabama, she finally begins to free herself from the past and choose a life waiting in the wings. "Prepare for Singer to keep you up all night ricocheting between a present day horse farm, family traumas, and the unthinkable racism in the military during WWII. The long arm of war travels through generations in this emotional drama." —New York Times bestselling author Jacqueline Sheehan

Attempting to overcome the loneliness of her daily life, she begins to write letters to Armand, her beloved late husband. And as she delves into the ritual of remembering, Rose is forced to come to terms with a secret that has been buried deep in her heart for thirty years. Tatiana de Rosnay's *The House I Loved* is both a poignant story of one woman's indelible strength, and an ode to Paris, where houses harbor the joys and sorrows of their inhabitants, and secrets endure in the very walls... This stunning new novel from Tatiana de Rosnay, author of the acclaimed New York Times bestseller *Sarah's Key*, plumbs the depths of complex family relationships and the power of a past secret to change everything in the present. It all began with a simple seaside vacation, a brother and sister recapturing their childhood. Antoine Rey thought he had the perfect surprise for his sister Mélanie's birthday: a weekend by the sea at Noirmoutier Island, where the pair spent many happy childhood summers playing on the beach. It had been too long, Antoine thought, since they'd returned to the island—over thirty years, since their mother died and the family holidays ceased. But the island's haunting beauty triggers more than happy memories; it reminds Mélanie of something unexpected and deeply disturbing about their last island summer. When, on the drive home to Paris, she finally summons the courage to reveal what she knows to Antoine, her emotions overcome her and she loses control of the car. Recovering from the accident in a nearby hospital, Mélanie tries to recall what caused her to crash. Antoine encounters an unexpected ally: sexy, streetwise Angèle, a mortician who will teach him new meanings for the words life, love and death. Suddenly, however, the past comes swinging back at both siblings, burdened with a dark truth about their mother, Clarisse. Trapped in the wake of a shocking family secret shrouded by taboo, Antoine must confront his past and also his troubled relationships with his own children. How well does he really know his mother, his children, even himself? Suddenly fragile on all fronts as a son, a husband, a brother and a father, Antoine Rey will learn the truth about his family and himself the hard way. By turns thrilling, seductive and destructive, with a lingering effect that is bittersweet and redeeming, *A Secret Kept* is the story of a modern family, the invisible ties that hold it together, and

the impact it has throughout life. A film is now in production, to star Melanie Laurent (*Inglourious Basterds*, *Now You See Me*), Laurent Lafitte (*The Crimson Rivers*, *Little White Lies*), and Audrey Dana (*Roman de Gare*, *The Clink of Ice*) and will begin shooting in April! From the internationally best-selling author of *Sarah's Key* Tatiana de Rosnay comes an irreverent yet heartfelt collection of short stories that examines our most intimate and forbidden desires Late nights at the office... Hotel rooms and secret rendezvous... Lingering perfume... Sizzling texts... What takes place in Paris when husbands and wives tangle with infidelity? In this compulsively readable collection, Tatiana de Rosnay paints a portrait of forbidden loves in many shades - sometimes tragic, sometimes humorous, sometimes heartfelt, always with a dry wit and unflinching authenticity. A *PARIS AFFAIR* will take you on a vacation overseas, into the hidden lives of husbands, wives, boyfriends and girlfriends, where illicit desire wars with duty, and where a French take on romance will surprise you every time. Now a bestselling author, when he was twenty-four years old, he stumbled upon a troubling secret about his family-a secret that was carefully concealed. But now, years later, Nicolas must reexamine everything he thought he knew, as he learns that, however deeply buried, the secrets of the past always find a way out. "The tension of Nicholas's unsustainable half-truths and the gradual parceling out of his father's secrets will keep readers in de Rosnay's thrall, hoping redemption will come. Readers in real life should anticipate de Rosnay's latest with all the fervor Nicholas's fans show in awaiting his."-*Shelf Awareness* "de Rosnay's fans...will not be disappointed."-*Library Journal* From the internationally bestselling author of *Sarah's Key* comes Tatiana de Rosnay's *Flowers of Darkness*, a riveting and emotionally intense novel, set in a near future Paris, where a woman confronts past betrayal and present mystery Author Clarissa Katsef is struggling to write her next book. She's just snagged a brand new artist residency in an ultra-modern apartment, with a view of all of Paris, a dream for any novelist in search of tranquility. But since moving in, she has had the feeling of being watched. Is there reason to be paranoid? Or is her distraction and discomfort the

result of her husband's recent shocking betrayal? Or is that her beloved Paris lies altered outside her windows? A city that will never be quite the same, a city with a scar at its center? Stuck inside, in the midst of a sweltering heat wave, Clarissa enlists her beloved granddaughter in her investigation of the mysterious, high tech building even as she finds herself drawn back into the orbit of her first husband who is still the one who knows her most intimately, who shares the past grief that she has never quite let go. Staying true to her favorite themes—the imprint of the place, the weight of secrets—de Rosnay weaves an intrigue of thrilling suspense and emotional power. "I've loved every one of Susanna's books! She has bedrock research and a butterfly's delicate touch with characters—sure recipe for historical fiction that sucks you in and won't let go!"—DIANA GABALDON, #1 New York Times bestselling author of *Outlander* Master of intricate paranormal historical fiction, Susanna Kearsley illuminates a multi-generational Italian romance, where the theatre only scratches the surface of the drama—and the danger. In 1921, infamous Italian poet Galeazzo D'Ascanio wrote his last and greatest play, inspired by his romance with his muse, actress Celia Sands. But on the eve of the premiere, Celia vanished, and the play was never performed. Two generations later, Alessandro D'Ascanio plans to stage his grandfather's masterpiece and has offered the lead to a promising young English actress, also named Celia Sands—at the whim of her actress mother, or so she thought. When Celia arrives at D'Ascanio's magnificent, isolated Italian villa, she is drawn to the mystery of her namesake's disappearance—and to the compelling, enigmatic Alessandro. But the closer Celia gets to learning the fate of her predecessor, the more she is drawn into a web of murder, passion, and the obsession of genius. Though she knows she should let go of the past, in the dark, in her dreams, it comes back... Hints of the paranormal and the passion of the Italian stage will draw readers of Diana Gabaldon, Kate Morton, and Kate Mosse, into the romance of Susanna Kearsley's lush historical fiction.
