Our digital library saves in combination countries, allowing you to get the most less latency period to download any of our books in the manner of this one. Merely said, the PAINLESS THE STORY OF SAMANTHA SMITH 3 BY DEVON HARTFORD is universally compatible in the manner of any devices to read.

Getting the books PAINLESS THE STORY OF SAMANTHA SMITH 3 BY DEVON HARTFORD now is not type of challenging means. You could not single-handedly going once book amassing or library or borrowing from your contacts to door them. This is an extremely simple means to specifically get lead by on-line. This online publication PAINLESS THE STORY OF SAMANTHA SMITH 3 BY DEVON HARTFORD can be one of the options to accompany you following having supplementary time.

It will not waste your time. recognize me, the e-book will no question publicize you further business to read. Just invest little epoch to approach this on-line notice PAINLESS THE STORY OF SAMANTHA SMITH 3 BY DEVON HARTFORD as skillfully as evaluation them wherever you are now.

Samantha is running for class president against the most popular girl in school. Drake, a juvenile mad scientist that she babysits for makes her a "greatness potion." Instead of helping her, it turns her into a frog! Celebrate your favourite New Yorkers - alongside the fashion, cocktails, and sassy attitude - with this fabulously illustrated 500-piece jigsaw puzzle. It first aired in 1998, but Sex and the City still resonates today. The hit romance/comedy/drama, based on Candace Bushnell's book of the same name, pushed the envelope in its celebration of female friendships, sexuality, and personal empowerment. This unofficial jigsaw puzzle is a fun, fitting tribute to one of the most iconic television series of all time. When a multimillionaire is injured in a car accident, Sam ends up taking care of him. Xander is an international entrepreneur, one of the Sterne brothers and an infamous playboy with shining blond hair. Sam is a single mother who's survived a tremendous ordeal. She promises herself that she'll never do something so stupid as falling in love with a multimillionaire playboy. But will Sam be able to keep her cool when faced with his gorgeous body? Her resolve crumbles when his kindness and overwhelming charm shine through... "A hugely absorbing first novel from a writer with a fluid, vivid style and a rare knack for balancing the pleasure of entertainment with the deeper gratification of insight. More, please." —Maggie

Shipstead, The New York Times Book Review (Editors' Choice) "A story about Russia, the United States, friendship, identity, defection, and deception that is smart, startling, and worth reading regardless of when you were born." —Kathryn Schulz, New York Magazine "Holt's beguiling debut... in which there is no difference between personal and political betrayal, vividly conjures the anxieties of the Cold War without ever lapsing into nostalgia." —The New Yorker Sarah Zuckerman and Jennifer Jones are best friends in an upscale part of Washington, D.C., in the politically charged 1980s. Sarah is the shy, wary product of an unhappy home: her father abandoned the family to return to his native England; her agoraphobic mother is obsessed with fears of nuclear war. Jenny is an all-American girl who has seemingly perfect parents. With Cold War rhetoric reaching a fever pitch in 1982, the ten-year-old girls write letters to Soviet premier Yuri Andropov asking for peace. But only Jenny's letter receives a response, and Sarah is left behind when her friend accepts the Kremlin's invitation to visit the USSR and becomes an international media sensation. The girls' icy relationship still hasn't thawed when Jenny and her parents die tragically in a plane crash in 1985. Ten years later, Sarah is about to graduate from college when she receives a mysterious letter from Moscow suggesting that Jenny's death might have been a hoax. She sets off to the former Soviet Union in search of the truth, but the more she delves into her personal Cold War history, the harder it is to separate facts from propaganda. You Are One of Them is a taut, moving debut about the ways in which we define ourselves against others and the secrets we keep from those who are closest to us. In her insightful forensic of a mourned friendship, Holt illuminates the long lasting sting of abandonment and the measures we take to bring back those we have lost. A baby's first year is filled with an endless stream of new experiences, contributing profoundly to their physical, mental, and emotional development. Typically at the age of one-year an infant has the motor skills and ability to sit on their own for the first time and their uninhibited gaze provides a window into a distinct personality that will endure throughout their lifetime. It is these individual natures that photographer Edward Mapplethorpe expertly captures. The culmination of a twenty-year project by one of today's top-commissioned and internationally-recognized photographers of baby portraits, ONE features a series of 60 photographs that catch the fleeting, yet universal, moment of life when a child reaches one year of age. There is something remarkable in the innocent faces of the children portrayed in this book that serves to underscore our common humanity. The luxuriously printed duotone photographs in ONE are accompanied by essays from esteemed contemporary authors Adam Gopnik, Susan Orlean, Francine Prose, and Andrew Solomon. Patti Smith contributes an original poem while Dr. Samantha Boardman writes the introduction. Contributions from such diverse luminaries emphasize the widespread appeal such innocent, unguarded beauty has for so many people. Illustrator Gijbert van Frankenhuyzen and wife Robbyn team up again for another wildlife tale drawn from their encounters with the animal kingdom. Told in journal form and rendered in beautifully detailed artwork, the van Frankenhuyzens give a "day in the life" view as the fox Samantha begins her journey from injured kit to independent adult living on her own. Always respecting

the boundaries between the wild and the human ways of life and based on years of work as licensed wildlife rehabilitators, Gijbert and Robbyn recommend readers "do not try this at home." Saving Samantha is Gijbert's fourteenth book with Sleeping Bear Press. He has also illustrated the best-selling *The Legend of Sleeping Bear*, *The Legend of Leelanau*, and most recently *The Edmund Fitzgerald: Song of the Bell*. He and Robbyn live with their daughters in Bath, Michigan, on a 40-acre farm. Samantha Slade, a resourceful babysitter, accepts a new job, unaware that her charges will be Lupi, a werewolf, and Drake, a vampire. Written in a light-hearted manner for kids and teens, this divorce survival guide for kids is authored by two teens who share tips and tricks they learned over more than ten years, while moving from mom's to dad's house. They decided to write it after realizing that when their friend's parents were divorcing, they were the 'go-to' divorce kids for advice...and they realized they were sharing the same information each time. So, they wanted to share the information with all kids that are going through this difficult time, but in a kid-to-kid kind of way. In an easy to read format you'll find tips for what to expect, getting used to two homes, dealing with the divorce drama, what to do when you don't know what to do, and tips for sharing homework and school information between parents and teachers. So many things you didn't have to think of when your parents were together! Most importantly, this book shows kids that they're not alone and others have successfully survived their parents divorce. So why go through it with trial and error when you can read this brief guide and get all the tips you'll need to survive?! Deliberately kept short so you can get back to your friends, facebook, twitter and everything else kids do today! In November of 1982, ten-year-old Samantha Smith of Manchester, Maine was terrified by the idea of nuclear war. Following her mother's suggestion, the fifth-grader wrote a one page letter to Yuri Andropov, the newly-appointed leader of the Soviet Union, pleading for peace between their two countries. What happened next was straight out of a fairy tale. After excerpts from Samantha's letter were published in a communist newspaper, the small-town girl who loved animals and softball became a famous international figure and promoter of world peace, appearing in newspapers and on talk shows, and receiving thousands of letters from around the world. At the invitation of Andropov, Samantha and her parents spent two weeks during the summer of 1983 touring the Soviet Union, and were followed by reporters and cameras every step of the way. Samantha Smith, with her big blue eyes and dimpled grin, soon became America's sweetheart and a friend to the Soviets as she toured Lenin's tomb, attended the Moscow Circus, and enjoyed swimming and singing at Camp Artek. Samantha returned home to a hero's welcome complete with a parade, but just when her life was getting back to normal, Samantha found herself in the spotlight once again. First, the globetrotting young girl was a special guest speaker at a peace symposium in Kobe, Japan, and then she became the host of her own Disney Channel television special in which she travelled to Washington D.C. to interview Democratic presidential candidates. Before starting seventh grade, Samantha was offered the chance to audition for a weekly tv series, and won the role of Robert Wagner's daughter on a new television show called Lime Street. In August of 1985, 13-year-old Samantha and her father Arthur were flying

home during a break in filming when their plane suddenly crashed less than a mile from the airport, instantly killing everyone on board. The entire world mourned the loss of Samantha Smith, the "littlest diplomat." Samantha's mother Jane formed the Samantha Smith Foundation in order to carry on her daughter's legacy. Many tributes have been made in both the Soviet Union and the United States to honor the memory of Samantha Smith, including a mountain peak, a bronze statue, a rare diamond, a postage stamp, and even an elementary school. The summer of 2018 will mark the 35th anniversary of Samantha's historic trip. Features Samantha Smith Elementary School, located on the Pine Lake Plateau in Washington and part of the Lake Washington School District. Includes a School history, photos of the facilities, School and District mission statements, a listing of staff beliefs, budget and demographic statistics, a School calendar, and a profile of the School's namesake. Offers information on the Parent Teacher Association (PTA), School achievements, volunteer opportunities, and classroom activities. Posts contact information via mailing address, telephone number, and e-mail. Samantha and Christos ARE BACK!!!! "I've never given my heart to anyone, agápi mou. You are my first. And you will be my last. You are my forever." - Christos Manos, in RECKLESS (The Story of Samantha Smith #2) Now that Samantha Smith has confronted the demons from her dark past in FEARLESS, she's excited to jump into adulthood with newfound confidence and friends Romeo, Madison, and Kamiko. Samantha passionately hopes that her dreams of becoming an artist are more than girlish fancy. All she has to do for them to come true is change her major from Accounting to Art, but she fears her parents will fly off the handle when she reveals her intentions. Christos Manos, the ultimate bad-boy boyfriend, is committed to staying by Samantha's side, nurturing her and helping her discover her potential, no matter what obstacles are thrown in her way. When Samantha's life starts to unravel, Christos is the only person she can turn to for the emergency support she needs. But Christos is fighting his own dark demons, tangled secrets he's kept hidden from the beginning. Samantha will be tested to the limits of her resilience, and must discover how truly Fearless she can be in the name of love. WARNING!! The steam factor in RECKLESS will be significantly steamier than it was in FEARLESS. One day, I was in my room, and I was thinking, and I was like, God if only you would drop an idea in me that will make me financially buoyant for a lifetime. Unluckily for me, I just got sacked after only three months of getting a new job. I was PERPLEXED and frustrated until the day I prayed in my heart, and the Holy Spirit said, Hey Sammy, pick up your pen. I was like, "Pick up my pen?" You wouldn't believe it; but that pen I picked up that day, made me financially established up until now... Until you believe in God and have complete faith in Him, you might struggle to stand out in life. I made the MONEY I never made in several years in one year all because of some powerful prayers I prayed... This led me to ask God, "Won't You even wait for me to call before You answer?" His reply was, "No. There is a company of people who, before they call, I answer, and while they are yet speaking, I am on the line to perform." You can provoke HEAVENLY response without utterance. You can secure divine financial interventions without crying your eyes out. The violent prayers in this book do not cancel or take the place of speaking and making

UTTERANCES in prayer; it is only an extra depth in communicating with God. It is knowing how to position yourself in the realm of answers without tears. A realm where God contends with all that fight with you, without you having to ask Him. It is a realm where God silences all the PARASITES eating up your financial blessings. It is a realm where you can reach heaven and receive from heaven - a realm where you compel things to happen on their own accord. So, winning the financial war is not only a function of INTERCESSIONS, supplications, and prayers of agreement; other direct avenues to God, bring you victory without a sweat. I call it operating God's private lines - the violent prayer frequency. If you want to be a SUCCESSFUL thinker, there is a need to separate yourself from the noise and row of activities and create quietness around you. It's time to work on your IMAGINATION so that you can be free from all frustrations. Your vision is a pace-setter for your destiny; it determines how far you go in life. That means you must put a leash on your mind, so it doesn't lead you to destruction. Let me be honest with you; financial breakthrough will never be possible if you don't conceive financial BUOYANCY in your mind. Whatever your DESIRE from God, act it, and God will respond. If He responded to Ahab (that wicked king), how much more will He respond to you, the son of His love? If you believe that when you pray according to His will, God hears you and that if He hears, you have received your PETITION, then act it. Stop looking sorrowful and mournful, because no good thing will He withhold from you. After praying these prayers, don't tell me you are jobless and then stay at home all day, SLEEPING. You should get up every morning, dress up faster than those who have jobs and be on your way out. If anybody asks where you are going, say, "I'm going to work." You have PRAYED to God for a job, and He has heard you, but the job won't come to you on your bed, you have to go for it. Don't tell me you are broke after you have prayed to be financially stable. When you pray these prayers, believe it will come to pass.. If you desire to be strong, and you say you are strong, then look strong. Act wealthy, and you will be prosperous. When you allow God's Word to determine your actions, you can't miss divine intervention. Don't only confess your desires; act it! Let it show in everything you do. All the Violent prayers in this book will grant direct access to God. However, they call for self- discipline, and COMMITMENT, to operate in them. You will never have to sweat again to get answers to command financial breakthroughs and issues troubling your life, in Jesus' name. In 1982, amid the nuclear paranoia that engulfed the US and the Soviet Union, Samantha Smith, a fifth grader from Manchester, Maine, wrote a letter to the Kremlin asking the Soviet leader if he was going to start a war. When Pravda, the biggest Soviet newspaper, published her letter—and Samantha received an unprecedented invitation to visit the Soviet Union —her family embarked on a historic journey that helped transform the hearts and minds of two nations on a collision course. Today, a nuclear war seems like a possibility once again. The story of a young American girl's letter to the Soviet leader and her innocent curiosity about the other side of the Iron Curtain holds an important lesson for every American: to never stop questioning the status quo, and to recognize that the responsibility for the preservation of peace is not only the purveyance of the government. America's Youngest Ambassador provides insights

into a forgotten era and has an important message for young people who strive to be more involved in facilitating change, both locally and worldwide. Juxtaposing Samantha's narrative with that of her own childhood in the Soviet Union in the 1980s, Lena Nelson explores the consequences of government propaganda on both sides of the ocean and reveals how Samantha Smith's journey in the summer of 1983 helped melt the hearts of the Soviets and thaw the ice of the Cold War. Drawing on interviews conducted in both the US and Russia with key players in the events of those days, among them Samantha's mother Jane, Nelson blends storytelling, anecdotes, and analysis of Soviet-American relations to tell the story of this unprecedented moment in history. *Collecting The Story of Samantha Smith #1-3 Three full-length novels: Fearless, Reckless, and Painless* At the age of sixteen, Samantha Smith's innocence was shattered in the blink of an eye. She kept the pain to herself for three years, burying her terrible secret beneath black clothes and black makeup, afraid to tell anyone. The price for her silence was the loss of her happiness and all of her friends. After moving from stuffy Washington D.C. to laid back San Diego, where Samantha is now a freshman at San Diego University, she is determined to find new friends and reclaim her optimistic spirit. Having thrown away her goth exterior, she hopes that her new sunny look will heal her wounds. Dreaming of adventure, she wishes to escape the humdrum middle-class existence that has repressed her fiery nature for as long as she can remember. But her parents are pressuring her to major in Accounting because it's the safe thing to do. Samantha secretly considers ditching the business major to study Art, a choice that would horrify her parents if they ever found out. When Samantha crosses paths with a troubled, handsome, tattoo-clad bad boy, her life spins into overdrive, and Samantha finds herself juggling more adventure than she ever dreamed possible. The strange odysseys of two young women animate this "hypnotic and glowing" American gothic novel that blurs the line between the real and the supernatural (Gregory Maguire, *The New York Times Book Review*). *A New York Times Editors' Choice A Paris Review Staff Pick* Ruth and Nat are seventeen. They are orphans living at *The Love of Christ! Foster Home* in upstate New York. And they may be able to talk to the dead. Enter Mr. Bell, a con man with mystical interests who knows an opportunity when he sees one. Together they embark on an unexpected journey that connects meteor sites, utopian communities, lost mothers, and a scar that maps its way across Ruth's face. Decades later, Ruth visits her niece, Cora. But while Ruth used to speak to the dead, she now doesn't speak at all. Even so, she leads Cora on a mysterious mission that involves crossing the entire state of New York on foot. Where is she taking them? And who—or what—is hidden in the woods at the end of the road? "[A] gripping novel...The narratives, which twist together into a shocking dénouement, are marked by ghost stories."—*The New Yorker* Samantha is an assistant attorney general who can solve complex legal cases when she's in the manic phase of her bipolar disorder. At night, she poses as a cam girl, displaying erotic poses for her anonymous internet fans. She recently left her abusive husband, and is determining whether to get a divorce or make up on account of her eight-year-old son. Her most recent case is fraught with peril and she risks her life to solve it. The deep sea covers over 60% of the surface of the earth, yet

less than 1% has been scientifically investigated. There is growing pressure on deep-sea resources and on researchers to deliver information on biodiversity and the effects of human impacts on deep-sea ecosystems. Although scientific knowledge has increased rapidly in recent decades, there exist large gaps in global sampling coverage of the deep sea, and major efforts continue to be directed into offshore research. *Biological Sampling in the Deep Sea* represents the first comprehensive compilation of deep-sea sampling methodologies for a range of habitats. It reviews the real life applications of current, and in some instances developing, deep-sea sampling tools and techniques. In creating this book the authors have been able to draw upon the experiences of those at the coal face of deep-sea sampling, expanding on the existing methodological texts whilst encompassing a level of technical detail often omitted from journal publications. Ultimately the book will promote international consistency in sampling approaches and data collection, advance the integration of information into global databases, and facilitate improved data analyses and consequently uptake of science results for the management and conservation of the deep-sea environment. The book will appeal to a range of readers, including students, early-career through to seasoned researchers, as well as environmental managers and policy makers wishing to understand how the deep-sea is sampled, the challenges associated with deep survey work, and the type of information that can be obtained. ****SOON TO BE A MAJOR NETFLIX FILM**** Every ending is also a new beginning . . . On the night before they leave for college, Clare and Aidan have only one thing left to do: figure out whether they should stay together or break up. In twelve hours, they'll be heading to opposite ends of the country, and they're anxious to resolve things before they go. But the quiet night they had planned quickly turns into an unexpected adventure, a roller-coaster ride through their past that leads to family and friends, familiar landmarks and unexpected places, hard truths and surprising revelations. . . . And as the clock winds down and morning approaches, so does their inevitable goodbye. The question is, will it be goodbye for now or goodbye forever? Full of wisdom, heart, and hope, Jennifer E. Smith's irresistible novel explores what happens when life and love lead in different directions. font size="+1" Praise for Jennifer E. Smith: 'A sweet story of summer love' Sunday Express 'Packed with fun and romance, this uplifting You've Got Mail-style story is totally charming' Closer 'A gorgeous, heartwarming reminder of the power of fate' New York Times Book Review Can private health insurance fill gaps in publicly financed coverage? Does it enhance access to health care or improve efficiency in health service delivery? Will it provide fiscal relief for governments struggling to raise public revenue for health? This book examines the successes, failures and challenges of private health insurance globally through country case studies written by leading national experts. Each case study considers the role of history and politics in shaping private health insurance and determining its impact on health system performance. Despite great diversity in the size and functioning of markets for private health insurance, the book identifies clear patterns across countries, drawing out valuable lessons for policymakers while showing how history and politics have proved a persistent barrier to effective public policy. This title is also available as Open Access on

Cambridge Core. A biography of the young girl who, as a result of a letter written to Soviet leader Yuri Andropov, visited the Soviet Union as an ambassador of peace. Includes advice on setting and reaching goals. A heartwarming and lavishly illustrated picture book to remind young readers that even in the darkest of times, "words change worlds." When Cate the caterpillar discovers a dried-up garden and the grumpy critters who call it home, it's up to her to show Davey Dung Beetle, Pete Potato Bug, and Walter Worm how to make it bloom. Can Cate teach them to use the magic of friendship and the power of positive thinking to bring their garden back to life? Samantha encounters trouble in the form of Drake and Lupi's pet monster, Bubbles, when the creature destroys Jones Park while under the influence of Drake's invisibility formula. FEARLESS is the first in a series of full length novels. After moving from stuffy Washington D.C. to laid back San Diego, Samantha Smith hopes to shed her troubled past and reinvent herself as a freshman at San Diego University. Her parents are pressuring her to major in Accounting, because it's the safe thing to do. But Samantha really wants to try something more adventurous, and secretly dreams of ditching the business major to study Art instead. When she crosses paths with a handsome tattoo-clad bad boy, her life is turned upside down, and Samantha finds herself with more adventure than she ever dreamed possible. CONTENT WARNING: Due to sexual situations and strong language, this novel may not be appropriate for readers under 18. "V is for Vodka..." Sad Panda is sad. Being in quarantine doesn't help. Luckily, Sad Panda and his red balloon have come up with a whole alphabet of activities to keep themselves from going insane! From spending their stimulus checks on pizza, to stocking up on toilet paper and facing the existential dread slowly creeping in on them at night, Sad Panda and his red balloon have been through it all. See their adventures and more in this book, told through pictures and quotes. This book makes great gift for anyone bored and stuck inside. Adults will love the pandemic humor and kids can appreciate Sad Panda because, let's face it, he's pretty darn cute. Note: This book contains a reference to alcohol. At last! The exciting, steamy, action packed conclusion to the Story of Samantha Smith! PAINLESS follows Samantha through the remainder of her first year in college at sunny San Diego University. Oh, and what about that hot hunk Christos Manos? When we last left him, his life balanced on the brink of disaster. What is going to happen to him? You'll have to read PAINLESS to find out! Find out what happens to Samantha, Christos, Romeo, Kamiko, Madison, Jake, and everyone else in PAINLESS, the third and final volume of the series! This book is full of surprises!! WARNING!! Once again, the steam factor in PAINLESS is much higher than in FEARLESS (book 1), but similar to RECKLESS (book 2). Set of three Samantha Smith postage stamps, purchased in Moscow, USSR by the donor in 1986, when she was on tour with Russian Travel Bureau from the U.S. This book will show you how to harness sustainable thinking to move forward with confidence into the unknown. A ten-year-old from Maine describes her trip to Russia at the invitation of Yuri Andropov after writing him a letter expressing her fears about a nuclear war. This popular textbook provides a comprehensive but accessible coverage of health economic principles and applications. It provides an introduction for those with no previous knowledge of economics, but also more

advanced material suitable for those with a background in economics. Now into its second edition, Barbara McPake and Charles Normand have incorporated developments in economic evaluation and economics of health systems from recent research and experience while retaining an accessible approach and style. The book starts with a section on basic economic principles as applied to health and health care, and goes on to discuss economic evaluation in health care, the economics of health systems and health care finance. Examples and illustrations are taken from a wide range of settings and world regions, reflecting the authors' belief that the same principles apply, and that it is useful to have some understanding of how different countries organise the health system. It provides an understanding of the performance of different health systems from the insurance based approaches in the United States to government funding that is common in Canada and most countries in Europe, and the mixed systems that operate in most low-income countries. This book is ideal for students in public health and related courses, for health care professionals and those studying health economics at a more advanced level. "Sleeplessness gets the Susan Sontag illness-as-metaphor treatment in this pensive, compact, lyrical inquiry into the author's nighttime demons." —Kirkus Reviews In 2016, Samantha Harvey began to lose sleep. She tried everything to appease her wakefulness: from medication to therapy, changes in her diet to changes in her living arrangements. Nothing seemed to help. *The Shapeless Unease* is Harvey's darkly funny and deeply intelligent anatomy of her insomnia, an immersive interior monologue of a year without one of the most basic human needs. Original and profound, and narrated with a lucid breathlessness, this is a startlingly insightful exploration of memory, writing and influence, death and the will to survive, from "this generation's Virginia Woolf" (Telegraph). "Captures the essence of fractious emotions—anxiety, fear, grief, rage—in prose so elegant, so luminous, it practically shines from the page. Harvey is a hugely talented writer, and this is a book to relish." —Sarah Waters, New York Times-bestselling author "Harvey writes with hypnotic power and poetic precision about—well, about everything: grief, pain, memory, family, the night sky, a lake at sunset, what it means to dream and what it means to suffer and survive . . . The big surprise is that this book about 'shapeless unease' is, in the end, a glittering, playful and, yes, joyful celebration of that glorious gift of glorious life." —Daily Mail "What a spectacularly good book. It is so controlled and yet so wild . . . easily one of the truest and best books I've read about what it's like to be alive now, in this country." —Max Porter, award-winning author of *Lanny Describes Samantha Smith's historic trip to the Soviet Union at the invitation of Soviet leader, Yuri Andropov, and her subsequent travels and speeches promoting peace and understanding among nations. From popular TV correspondent and writer Rocca comes a charmingly irreverent and rigorously researched book that celebrates the dead people who made life worth living. Dragons of New Orleans. In this magical tale for beginner readers a child's creativity comes to life as he explores the imagined life of dragons. Set against the backdrop of New Orleans the delightful illustrations by the talented Samantha Smith engage readers and parents with vibrant colors. Bruce Dear's whimsical passages lead us through an adventure*

across the city. Over 40 dragons inhabit this book, can you find them all? Suitable for ages 3-5 "The law says I can't love her. I don't care what the law says. I'm gonna love her anyway." -Lion Maxwell FEEL THE BEAST. The night the EMTs wheeled Lion Maxwell into my Emergency Room turned my life upside down. Although he was bloody and battered from defending his title as the reigning cruiserweight champion of Mixed Martial Arts, his cocky grin lit up the room. And every cell in my body. Our fiery chemistry was off the charts. The ER staff sensed it. Lion's entourage and his drooling groupies sensed it too. SHE SAID SHE DIDN'T WANT ME. SHE WAS WRONG. If the two of us had been alone, I might have done something entirely unprofessional and completely unethical right there in the exam room. But I was his attending physician. A sexual or romantic relationship with him was grounds for my termination or worse, revoking my medical license. I wouldn't risk my career on a moment of passion. It didn't stop that arrogant caveman from doing everything he could to get me into his hospital bed. WANTING HIM WOULD RUIN ME... After denying his advances for weeks, the last thing I expected were the wild nights he would be spending in my bed. It was supposed to be nothing more than a secret fling. I knew it couldn't last. He was still my patient. What we were doing was wrong. If anyone found out, it could ruin my life. But we couldn't let go. We were bound to each other on some primal level that consumed us. Sometimes love is tragic. Sometimes two people aren't meant to be together. But sometimes, two people overcome all adversity and build a love that lasts forever. Deep in my heart I knew that Lion Maxwell could be my forever love. As long as we kept our love a secret. I wish I'd known beforehand that some secrets are too hard to keep... ***Broken Lion is a scorching hot standalone romance with an HEA and no cheating. This book is a photo journey through Americas bar bathrooms. Discovering the hidden gems of advice and opinion from the sharpie wielding bathroom dwellers who feel loose with words a few drinks into the day or night. A child's bed tells it like it is! Bed has something to say. Bed knows you do not like bedtime. And Bed gets it. But look ... YOU are not so great, either ... Bed is fed up. Bed's patience is wearing thin. For years, Bed has put up with the kicking, the jumping and the storing of all manner of stinky items. But enough is enough. Now it's time to consider Bed's feelings ... Hearing Bed's side of the story just might get kids to want to go there!
