And as hard as it is, pun intended, I've learned better than to fuck with the playthings at my club. It only leads to trouble. But being twenty-seven, well-hung, and a millionaire, coupled with a brand of kink that makes most romance novels look like nursery rhymes, it's a magnet for pussy. The one exception

to that rule seems to be the tight-assed reporter named Lola who joins Second Circle seeking answers about the girl who went missing from my club last year. PPS: The ladies are waiting! A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series....I am the type of woman who always plays it safe. In my professional life as a public relations "fixer", and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and

to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness. He always gets what he wants. The seasoned seducer, who probably charms the panties off of every woman he meets. Diego is handsome. Arrogant. Dangerous. Far more dangerous than anyone I've ever met. And with one look from across a crowded room he has me; hook line and sinker, I'm his for the night. Diego is not a man to mess with, I know that. I just can't seem to resist his kiss, his touch. But can I trust him with my heart, with my body? I'm being hunted for something I may or may not have seen, and Diego is my only way out of a world of death and destruction. If only I can believe his dark promises. Isabell Dionysus is a witch and she needs to find a man. Not just any man, but a man attuned to magic, a man who will fulfill the agreement her great-grandmother made with the fairies long ago and save her humanity. But time's running out and the luring spell she cast has brought her a man who's perfect for her in every way but one. He wants nothing to do with magic. For most of David Pennyfield's life he's managed to deny his gifts until a week ago when his magic sight returned. He's desperate to banish all magic from his life before it drives him crazy like his mother. But when Isabell, The Witch of Seven Isles, tells him sex magic with her is the only way to get what he wants, David isn't sure which he wants more...a magic-free life or Isabell Unlock the secret to becoming a true alpha male and begin your path to unstoppable self-confidence! WANTING HIS STUDENT I shouldn't want her, but I do. Alicia Liu is the most gorgeous woman I have ever met, and I want to make her mine. But there's one problem. She's my student. Is that going to stop me from claiming her? Not for long... ***A sweet and sexy short story with an obsessed alpha male, instalove, and a happy ending!***

Excerpt: "Leave them," I bark. I'm going to give her some real food and going to give her a real bed to sleep on, not that crappy air mattress. I'm going to take care of her, not giving a d**n whether or not it's appropriate. "But--" Impatient, I seize her hand and drag her out of the room. She shivers. "Are you going to report me to the staff?" A frown comes onto my face. She thinks I'm going to tattle on her? Does she think I'm a heartless b*****d? Then again, I have been growling at her (albeit unintentionally). She is probably scared of me. "I'm not going to get you in trouble," I say, only half-growling this time. "Um, then can you let go of my hand?" I look at our intertwined hands, cursing mentally. Professors aren't supposed to touch their students, and we're definitely not supposed to hold their hands. Still, I don't want to let go of her. The ultimate billionaire boxed set! Enjoy three sizzling romance novels from USA Today bestseller Ember Casey. The idea of Alpha Female tends to come associated with Slut, VIP Hooker or Bitch; but although all these definitions may apply, they don't define, not even close, the meaning of being an Alpha woman; and it's for this reason that women are becoming confused about the way men choose them, while a few skilled females get quality men and keep them forever with knowledge that the majority lacks and wishes to possess. Clearly, a sign that society has changed and women are now the active part of the seduction world; also a glimpse of the future to come, while an evidence of the importance of this book, in which the main idea is that women must be active; there's no other way. If women want to be happy they must be responsible for their own happiness. The Alpha Female is the future and this book was written based on years of interviews with them and those who saw their lover being taken by one. Reason why it allows to precisely distinguish the obvious difference between women that can't get a boyfriend and those that have many at the same time or always get the one they want. It's, therefore, with the best intention that all the secrets are here exposed, as with them the reader can finally open to a new world of possibilities, discover her own happiness and achieve a fulfilling relationship with someone rightful and caring. Want to become irresistible to women, a center of attention, and an object of desire? The ultimate goal for every man is to attract the woman he needs and the women he wants. The extent of a man's happiness depends solely on the kind of women he can attract daily. A woman is the only reason a man can change for good, take responsibilities, and be pushed to achieve things bigger than his own imagination. Women do not just add meaning to life; they create life, the life we all dream of. A man can never dream of a fabulous life in his future without including a woman or something that relates to women's existence. The men that choose to ignore this fact about the importance of women tend to become miserable in the end. Women are

to be loved and cherished; this love becomes a strong emotion that keeps us on the definite radar. For the love of women, we become fools for love but always make the right decisions because, in the end, love is the only thing that matters. Success, riches, and wealth are the definitions of success that are often contemplated when it comes to attracting women. Success defines you as a man; it makes you charming and powerful. Women love men with power, success, phenomenal demeanor, and care. How to keep the seduced? The charm to attract and keep women resides in the possession of few men. These men may not be physically attractive, but they possess a personality that makes every woman fall. They can attract your girlfriend and they know what they are doing. They know the right button to push to get any woman to bed. They take charge and know the right words to say and at the right moment to keep women coming back. These “supermen” are not familiar with the three magic words. They make women tell them, but they don’t say it. They confuse women everywhere they go, although they keep one that takes care of them, these ones they love dearly. These men have not studied the laws of attraction; they’ve just discovered the ways to effectively keep women excited, to be suspicious and curious about their exceptional personalities. These men have found the essence of life because with these skills they also get the best jobs, influence the right people and accumulate more than enough money to keep them alive, comfortable, increasing their chances of getting the most beautiful women. Some of them have capitalized on these skills so well, they are now the wealthiest, and they control a lot of things that concern society. There is a power accumulated within themselves that makes them extremely influential without trying too hard to be. They seem light-hearted and easy-going, but in the end, accomplish the most complex goal. This book will be about everything you ever wanted, this attractive gem. Some of the ideas from these experts might seem extreme and controversial but they are practical; people like you have used them in simple ways and have achieved the life they want, attracting the women they want anywhere. To make women fight to have you, take advantage of this book and join the real alpha male train. We all need this information to keep our relationship strong and interesting" (Brock Kennedy); "I wanted a relationship, but always ended up in heartbroken. To find love, I followed relationship gurus, traveled and meditated, but nothing worked. Gradually, I figured out that my problem comes from the loss of who I am. I want to be a happy and attractive woman, but I was unconsciously being rude and rough to the opposite sex. This book waked me up and I realized that I was exactly the woman no man wants to be with. After applying the principles described about Alpha Women, I started receiving help from male friends and customers and my life gets easier wherever I go. However, this book is not only about playing tricks to get what you want. It's about taking responsibility for our own happiness. Girls, read this book! Embrace who you are and be an Alpha Woman, not for men or anyone in the world, but for yourself!" (Faith Zimmer, CEO of Solar Creation). The concept of Alpha Female hasn't been so explored and referred to as what happens to Alpha Male. Therefore, isn't easy to find a common agreement about how an Alpha Woman should look like or behave. As most perspectives taken into consideration portray a negative image of what it means to be active as a woman, most end up waiting, dreaming, forgetting and giving up fighting for their rights. And, as the world evolves and changes, the gap between reality and common believes expands, leading many to despair and suffering. The need for women to be active and persistent in chasing their happiness has never been so important as now. But, in order to be fulfilled, a woman needs to become responsible for her own happiness. The role of women needs to evolve with the rest of the world, and even though women have learned this lesson well in many other areas of life, not much has changed in the field of seduction, relationships and love. But, active women take their genes into the next generation, while passive women are being drawn to extinction. The study of what it means to be an Alpha

Female is not only related to behavior, appearance and relationships, or even happiness, but the whole future of mankind, because these are the women that will be ahead of their time. Nowadays, men tend to become more passive and selective, allowing their behavior to evolve with their new status, which in most cases represents a minority. And, a decrease in the number of men available leads women to problems related to competition between themselves and selection of the best available. Therefore, it becomes important to know where and how to find one, but also keep him and know which is worth choosing and having. Alpha Females have learned to be smart, quick and effective, in finding and choosing the man they want, not necessarily because they want to, but because they recognize the emergency of doing so, in order to avoid what other women reject. But, they have a clear advantage that won't share with other women, due to their typical competitive attitude, reason why a woman won't ever write a good book about this topic and all the best have been written by men, even though rarely covering a complete magnitude of the Alpha panorama, which as men they can't fully understand. This book shows the path in the most complete form possible, and many women have succeeded with its application since the first edition was published. But, it's because these same women couldn't succeed with the application of many other bestsellers, that this one in particular distinguishes itself as the most efficient available today. The job posting had forgotten to mention that the position was for a live-in nanny. Please tell me that this is a nightmare. I need the money, yes. But am I willing to live under the same roof as my cowboy billionaire boss in exchange for it? Probably... not. Okay, maybe I should accept the 24-hour nanny position. Just hear me out. The arrangement feels wrong but it's for a good cause. It will help him get his daughter's custody. Besides, I enjoy drooling over him. Even though crushing on my billionaire boss could cost me my job. But how do I keep my distance from him while we live in the same house? Especially with his piercing eyes undressing me every single day? If you are feeling insecure about how to approach and date the woman you want, keep on reading... I've been banned more than 5 times, nearly always in less than 2 weeks, and for one reason only – I was picking all the women I wanted from many online platforms. Most of these websites were not for dating, and many of the women I met had boyfriends or husbands, but this didn't stop them from contacting me and go out on a date. In this book, I reveal the secret that allowed me to pick-up dozens of beautiful women from many websites, and that allowed acquaintances to do it faster than me from Facebook and other more popular platforms. The secrets here revealed are so effective that quickly draw the attention of everyone, both jealous men and competitive women. In the end, it's a race against time, while the men try to put you out of the competition in every way they can, and women make you so popular that you start receiving invitations to talk privately online and go on dates with those you haven't had to say whatsoever. This is about a female magnet that works every single time, even though it will eventually make you get banned as well. When she discovers her potential employer, Adrian Capitoline, is the man of every woman's dreams--a sexy, mysterious, billionaire--she thinks she's encountered a miracle. She's quick to become his live-in maid, and delighted when a sizzling romance begins to develop between the two of them. Until night falls, and Marie must learn that even the gentlest man has a beast--and that she might very well like it. As Marie fully embraces the nature of her sexual awakening with the man of her dreams she soon finds that she must come to terms with her desires for the monster within him. At the hands of a beast so powerful, she finds herself helpless, and can't manage to admit to herself how much she loves it. Fully embracing her life with both sides of her lover: in control during the day and losing it each night, she revels in her erotic relationship with her employer. When Adrian questions her strength of conviction, she decides to take her power back in the same way the wolf has taken it from her. Their steamy and passionate dynamic is short-lived, however, when they suddenly find themselves face to face

with a dark and ominous figure from Adrian's past. Marie is faced with the reality of her worst nightmares coming to light, and Adrian must reach inside of himself to find the strength to end the madness once and for all--even if it means he loses everything, and everyone, that he's ever cared for.
