**Love After Death** Apr 23 2020 This book explores one of the central questions that has haunted husbands and wives and lovers over the millennia of history: What kind of afterlife might they expect for their love once one or both of them have died? Focusing on the evolution of id **Healing Your Traumatized Heart** Aug 28 2020 Dealing with grief in a practical manner, this guide offers compassionate tips for those affected by a traumatic death. Included are topics such as coping with family stress, expressing feelings of hurt and anger, dealing with hurtful comments, and exploring feelings of guilt. Each of the 100 suggestions is aimed at reducing the confusion, anxiety, and huge personal void in order to help survivors begin their lives again. Some of the tips include understanding the special characteristics of trauma grief, planting a tree in memory of the person who died, and making connections with others affected by a similar death. **When Someone You Love Dies** Apr 16 2022

**The First to Die at the End** Sep 09 2021 In this prequel to the bestselling phenomenon *They Both Die at the End*, two new strangers spend a life-changing day together after Death-Cast first makes their fateful calls. #1 New York Times bestseller! It's the night before Death-Cast goes live, and there's one question on everyone's mind: Can Death-Cast actually predict when someone will die, or is it just an elaborate hoax? Orion Pagan has waited years for someone to tell him that he's going to die. He has a serious heart condition, and he signed up for Death-Cast so he could know what's coming. Valentino Prince is restarting his life in New York. He has a long and promising future ahead and he only registered for Death-Cast after his twin sister nearly died in a car accident. Orion and Valentino cross paths in Times Square and immediately feel a deep connection. But when the first round of End Day calls goes out, their lives are changed forever—one of them receives a call, and the other doesn't. Though neither boy is certain how the day will end, they know they want to spend it together...even if that means their goodbye will be heartbreaking. Told with acclaimed author Adam Silvera's signature bittersweet touch, this story celebrates the lasting impact that people have on each other and proves that life is always worth living to the fullest. \* A Publishers Weekly Best Book of the Year \*

**The Secrets of Rome** Mar 03 2021 From Italy's popular author Corrado Augias comes the most intriguing exploration of Rome ever to be published. In the mold of his earlier histories of Paris, New York, and London, Augias moves perceptively through twenty-seven centuries of Roman life, shedding new light on a cast of famous, and infamous, historical figures and uncovering secrets and conspiracies that have shaped the city without our ever knowing it. From Rome's origins as Romulus's stomping ground to the dark atmosphere of the Middle Ages; from Caesar's unscrupulousness to Caravaggio's lurid genius; from the notorious Lucrezia Borgia to the seductive Anna Fallarino, the marchioness at the center of one of Rome's most heinous crimes of the post-war period, Augias creates a sweeping account of the passions that have shaped this complex city: at once both a metropolis and a village, where all human sentiment-bravery and cowardice, industriousness and sloth, enterprise and laxity-find their interpreters and stage. If the history of humankind is all passion and uproar, then, as the author notes, "for centuries Rome has been the mirror of this history, reflecting with excruciating accuracy every detail, even those that might cause you to avert your gaze."

**Circle of Love Over Death** Dec 20 2019 In *Circle of Love Over Death*, Matilde Mellibovsky documents the testimonies of mothers whose children were stripped from them in Argentina during the turbulent 1970s. She not only describes the personal anguish of families over the torture, death or "disappearance" of their children, but also shows how the women gave emotional support to each other and the way in which, since 1976, they slowly but surely organized and built an international movement.

**Love & Death** Feb 26 2023 On February 4, 2008, Forrest Church sent a letter to the members of his congregation, informing them that he had terminal cancer but promising to sum up his thoughts on the topics that had been so pervasive in his work-love and death. The goal of life, Church tells us, "is to live in such a way that our lives will prove worth dying for." This moving book is imbued with ideas and exemplars for achieving that goal.

**A Tale from Bali** Aug 08 2021 An evocative historical novel of Dutch imperialism in Bali.

**Songs of Love and Death** Dec 12 2021 A groundbreaking and "wonderful" (Library Journal, starred review) anthology of fantasy, science fiction, and romance from New York Times bestselling and award-winning authors, edited by the acclaimed George R.R. Martin and Gardner Dozois. From epic fantasy, post-apocalyptic America, to faerie-haunted rural fields in 18th-century England, to an intergalactic empire, join star-crossed lovers as they struggle against the forces of magic and fate. A star-studded cross-genre anthology *Songs of Love and Death* features all-original tales from seventeen of the most prestigious names in romance, fantasy, and science fiction.

Contributors include: -Neil Gaiman -Diana Gabaldon -Jim Butcher -Robin Hobb -Marjorie M. Liu -Jo Beverley -Mary Jo Putney -Peter S. Beagle -Jacqueline Carey -Carrie Vaughn -Yasmine Galenorn -MLN Hanover -Kristine Kathryn Rusch -Linnea Sinclair -Cecelia Holland -Tanith Lee -Melinda Snodgrass -Lisa Tuttle

**Love is Stronger than Death** Sep 28 2020 In one of his most penetrating books, Kreeft ponders the meaning of a terminal illness we all have: death. The three vital questions of Life, Death, and God are approached through a variety of human experiences. Kreeft's book is a new statement of the Christian vision: the meaning of our existence, and of death, is the fulfillment of our deepest desire for the infinite joy and love of God.

**A Book about Love & War & Death** Jun 18 2022

**Someone I Love Died** Apr 28 2023 From best-selling and beloved author Christne Harder Tangvald comes an updated and revised edition of her classic book of comfort for grieving children, filled with heart-healing words, fresh watercolor illustrations, and practical resources that help adults guide children through loss. First published in 1988, *Someone I Love Died* has long comforted the hearts of children 4 to 8 who have lost someone close. It gently leads children through grief with age-appropriate words and solid biblical truth that understands a child's hurting heart. The added interactive resources ensure this book will become a treasured keepsake. Once complete, children create a memory book of the loved one's life. And it offers grown-ups a tool that turns what could be a difficult season into a meaningful time of healing.

**Love and Death Among the Cheetahs** Apr 04 2021 Georgie is excited when Darcy announces out of the blue that they are flying to Kenya for their extended honeymoon. It is only after they arrive that she suspects he has actually been sent there on an assignment. She tries not to be angry, because she is, after all, in a paradise! They are picked up in Nairobi and taken to a lovely house in Happy Valley--the center of upper-class English life there. Darcy finally confides that there have been some spectacular robberies in London and Paris, and it is suspected that the thief was a member of the aristocracy and may have fled to Kenya. Georgie is shocked at the completely decadent lifestyle that involves wild parties and rampant infidelity. One of the leading lights in the community, Lord Cheriton, makes a play for Georgie. She rebuffs him. Then he is found dead along a lonely stretch of road. At first it seems to be a lion attack. But why was he on that stretch of road, alone, late at night? It seems the Happy Valley community wants to close the case, but as Georgie and Darcy investigate, almost everyone has a motive to want Lord Cheriton dead.

**Love & Death** Nov 11 2021 A stunning and groundbreaking investigation into the death of one of the great rock icons of our times -- revealing new evidence that points to a terrible conclusion. On Friday, April 8, 1994, a body was discovered in a room above a garage in Seattle. For the attending authorities, it was an open-and-shut case of suicide. What no one knew then, however, and which is only being revealed here for the very first time, is that the person found dead that day -- Kurt Cobain, the superstar frontman of Nirvana -- was murdered. In early April 1994, Cobain went missing for days, or so it seemed; in fact, some people knew where he was, and one of them was Courtney Love. Now a star in Hollywood and rock music, in early 1994 she was preparing to release her major label debut with her band, Hole, and what she knew then, though few others did, was that Cobain was planning to divorce her. *Love & Death* paints a critical portrait of Courtney Love; it also reveals for the first time the case tapes made by Love's own P.I., Tom Grant, a man on a mission to find the truth about Kurt Cobain's demise; and introduces us to a number of characters who feature in various theories about plots to kill Cobain. In addition, Cobain's grandfather goes public, charging that his grandson was murdered. Drawing on new forensic evidence and police reports obtained under the Freedom of Information Act, the book explodes the myths that have long convinced the world that Cobain took his own life, and reveals that the official scenario was scientifically impossible. Against a background of at least sixty-eight copycat suicides since 1994, award-winning investigative journalists Max Wallace and Ian Halperin have conducted a ten-year crusade for the truth, and in *Love & Death* they are finally able to present a chilling and convincing case that each and every one of these suicides was preventable -- and in doing so, they call for this case to be reopened and properly investigated.

**Funeral for a Stranger** Mar 23 2020 I have seen water move rocks. I have seen thistles break through boulders. If water and flowers can move stones, surely love can. Becca Stevens, from *Funeral for a Stranger* In this meditation on living and dying, Becca Stevens shares moving and hilarious stories about her life, love, friends, and our many families. This delicately formed narrative is also a window into the soul of a priest. I loved it and will hold it in my heart with gratitude for years to come. -Phyllis Tickle, author of *The Great Emergence: How Christianity Is Changing and Why* Loneliness finds connections, despair meets celebration, and fear discovers faith. Join Becca on her journey to a funeral for a stranger. God will be there. -Don Schlitz, Hall of Fame songwriter of *The Gambler* With elegant simplicity Becca Stevens escorts the reader to the banks of the deepest spiritual wellspring. Surely she ranks among our most gifted teachers on the things that matter most of all. -Stephen Bauman, author of *Simple Truths: On Values, Civility, and Our Common Good*

**Love Death Love** May 05 2021 This book is for readers who are dealing with grief and pain while facing an end of life experience. An easy-to-read book like this is likely all he or she would want to read at such a time. This is a collection of stories that showcase the experience of a loved one's death and how to best process the emotions felt during that time of grief. The goal is for the reader to begin accepting the journey of death with love. In these pages I express my own experiences and I hope that you can recognize yourself, that you can relate to something that lightens the pain of death and/or allows your loved one to pass over, and that you can cherish your time together.

**I Love Jesus, But I Want to Die** Jan 01 2021 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

**Half In Love With Death** Feb 14 2022 It's the era of peace and love in the 1960s, but nothing is peaceful in Caroline's life. Since her beautiful older sister disappeared, fifteen-year-old Caroline might as well have disappeared too. She's invisible to her parents, who can't stop blaming each other. The police keep following up on leads even Caroline knows are foolish. The only one who seems to care about her is Tony, her sister's older boyfriend, who soothes Caroline's desperate heart every time he turns his magical blue eyes on her. Tony is convinced that the answer to Jess's disappearance is in California, the land of endless summer, among the street culture of runaways and flower children. Come with me, Tony says to Caroline, and we'll find her together. Tony is so loving, and all he cares about is bringing Jess home. And so Caroline follows, and closes a door behind her that may never open again, in a heartfelt thriller that never lets up.

**Angel Catcher for Kids** Dec 24 2022

**Love Knows No Death** Jul 27 2020 It is often said that that one never completely recovers from the loss of a loved one and the shock of bereavement leaves an indelible scar on one's soul that remains forever. Despite this, most bereaved people do return to living productive and meaningful lives, understanding that such pain is unavoidable and part of the human experience. However, in some cases the negative feelings and emotions do not subside over time and what psychologists refer to as "complicated grief" takes hold. This is a serious and debilitating condition that can take a toll on emotional and physical well-being. The good news is that, with appropriate help and support, even sufferers of complicated grief can transform their lives. This workbook is an essential part of the method known as "Love Knows No Death," an innovative approach to grief transformation. This counseling approach, which integrates both written and video lessons, reflects an "unbelievable truth" that the human mind, consciousness and personality do not end with the death of the physical body. In other words, your deceased love one is not, in fact, deceased. As one progresses through the workbook it becomes apparent that there is no religious agenda. The reality that we survive death is based upon established evidence and not blind faith, and the reader is encouraged to do their own reading, learning and thinking. The entire approach is based upon education and not preaching. This innovative approach to grief transformation is based upon established techniques of cognitive therapy. In other words, "The way you feel depends entirely on the way you think." When we learn to think "non-negatively" and replace negative, unrealistic and distorted thoughts with more balanced, neutral and realistic ones, dramatic results can be attained. The chapters and videos in this approach will take readers on a journey of exploration as they examine possible stumbling blocks, what really dies at death, and learn about the substantial evidence for life after life. Some of the phenomena examined include the powers of the mind, deathbed visions, near death experiences, apparitions, mediumship and instrumental trans-communication. Mental health professionals are coming to realize that patients who believe that their deceased loved ones still survive do better than those who do not believe in survival. The "Love Knows No Death" approach recognizes that vague hope or wishful thinking does not have the power to transform grief. Such transformation can only come from "knowing," which can be attained only through personal experiences, thorough examination of the evidence, and changing the way we think. Those who put the effort into diligently following this workbook may very well experience life changing effects. The "afterlife perspective," once integrated into the grieving process, will allow you to lead a better life and truly honor those who have passed before you.

**I Remember Death By Its Proximity to What I Love** Oct 22 2022 The long form poem is a practice of poetics in joy, gratitude, sadness, resilience and pain. This literary work serves as a practice of self-reflection and accountability in the wake of the prison system. This poem is dirge work acknowledging unjust atrocities, but reveling in our human resilience.

**The Angel in My Pocket** May 25 2020 A woman born to privilege as part of a well-known New England family discusses how she learned to live again after losing her young daughter to a rare genetic disease and found ways to reconnect with her in the afterlife through clairvoyants.

*They Both Die at the End* Jan 13 2022 Adam Silvera reminds us that there's no life without death and no love without loss in this devastating yet uplifting story about two people whose lives change over the course of one unforgettable day. #1 New York Times bestseller \* 4 starred reviews \* A School Library Journal Best Book of the

Year \* A Kirkus Best Book of the Year \* A Booklist Editors' Choice \* A Bustle Best YA Novel \* A Paste Magazine Best YA Book \* A Book Riot Best Queer Book \* A BuzzFeed Best YA Book of the Year \* A BookPage Best YA Book of the Year On September 5, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: They're going to die today. Mateo and Rufus are total strangers, but, for different reasons, they're both looking to make a new friend on their End Day. The good news: There's an app for that. It's called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure—to live a lifetime in a single day. In the tradition of Before I Fall and If I Stay, They Both Die at the End is a tour de force from acclaimed author Adam Silvera, whose debut, More Happy Than Not, the New York Times called “profound.” Plus don't miss The First to Die at the End: #1 New York Times bestselling author Adam Silvera returns to the universe of international phenomenon They Both Die at the End in this prequel. New star-crossed lovers are put to the test on the first day of Death-Cast's fateful calls.

*A Love to Die for* Nov 30 2020 Some called it a jealous rage. Some called it evil. She called it a love to die for.

*I'm Glad My Mom Died* Mar 15 2022 #1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

*Someone I Love Died* Jan 25 2023 *Someone I Love Died* is a creative, child-friendly program designed for use with elementary school children, filled with illustrations and original exercises to foster healing, self-understanding, and optimal growth.

**The Game of Love and Death** Sep 21 2022 Not since *The Book Thief* has the character of Death played such an original and affecting part in a book for young people. Flora and Henry were born a few blocks from each other, innocent of the forces that might keep a white boy and an African American girl apart; years later they meet again and their mutual love of music sparks an even more powerful connection. But what Flora and Henry don't know is that they are pawns in a game played by the eternal adversaries Love and Death, here brilliantly reimagined as two extremely sympathetic and fascinating characters. Can their hearts and their wills overcome not only their earthly circumstances, but forces that have battled throughout history? In the rainy Seattle of the 1920's, romance blooms among the jazz clubs, the mansions of the wealthy, and the shanty towns of the poor. But what is more powerful: love? Or death?

*The Drama of Love and Death* Feb 20 2020

**Someone I Love Died by Suicide** Mar 27 2023 This newly revised edition of the book is designed for adult caregivers to read to surviving youngsters following a suicidal death. The story allows individuals an opportunity to recognize normal grieving symptoms and to identify various interventions to promote healthy ways of coping with the death of a special person. Although the language used in the book is simplistic enough to be read along with children and ultimately stimulating family discussion, it can be beneficial to all who have been tragically devastated by suicide. It is recommended for this book to be utilized in conjunction with therapy.

**Your Own Path Through Grief** Feb 02 2021 This workbook is designed to help you through the process of grief through recovery. The workbook consists of sixty pages of education about the impact of grief, coping skills, self-care tips, and guidance to help your work through grief toward a goal of recovery and the future after a loss.

This workbook is your steady companion to you as healing begins. It can be used by individuals working through their grief, therapists working with clients, and in groups. This is not your traditional approach to grief - my focus is always about understanding what grief does to our functioning, coping with it, finishing what was not done at the time of the death, and taking the lost loved one into a future defined by the griever. The goal is to do the grief work to completion, and to create a life you choose after a loss you didn't ask for. Each page in this book is dedicated to helping you with insightful prompts. The large pages (8.5 x 11) have ample space to write in and hold your memories in a safe place. In fact, I designed it specifically to be a workbook that you can use, one that gently walks your though the recovery process at your own pace. This workbook provides you with the support you need as you heal from your loss.

**In Love With Death** Jul 19 2022 Death is the inevitable fate of every single person on earth. How do we accept the inevitability of our own death? How do we live our lives with meaning? Will money lead us to happiness? Satish Modi examines these questions is a moving, powerful, thought-provoking work based on his own reflections as well as the experiences of people from all walks of life. The result is a fascinating book that teaches us that whoever we are and whatever our aspirations in this life, it is important for each and every one of us to accept our own passing. In doing so we can free ourselves to live as well and fully as possible, guided by the principles of goodness, love and compassion.

*Love & Death* Jan 21 2020 Nearing his final days, a beloved Unitarian minister meditates on life, love, and death: “The goal is to live in such a way that our lives will prove worth dying for.” On a February day in 2008, Forrest Church sent a letter to the members of his congregation, informing them that he had terminal cancer; his life would now be measured in months, not years. He went on to promise that he would sum up his thoughts on the topics that had been so pervasive in his work—love and death—in a final book. Church has been justly celebrated as a writer of American history, but his works of spiritual guidance have been especially valued for their insight and inspiration. As a minister, Church defined religion as “our human response to the dual reality of being alive and having to die.” The goal of life, he tells us “is to live in such a way that our lives will prove worth dying for.” *Love & Death* is imbued with ideas and exemplars for achieving that goal, and the stories he offers—all drawn from his own experiences and from the lives of his friends, family, and parishioners—are both engrossing and enlightening. Forrest Church's final work may be his most lasting gift to his readers.

*Good Night, I Love You* Jun 06 2021 In the wake of her husband's abrupt and unexpected death, Jené Ray Barranco was suddenly forced to grapple with being a single mother to three grieving teenagers while feeling a deafening silence at the center of her relationship with God. To cope with her intense heartache, she began writing on a daily basis to create purpose from her pain. *Good Night, I Love You* compiles those thoughts, and explores with raw and honest prose the author's journey as a widow and shares what she has learned about grief, marriage, parenting, faith, living a meaningful life, and utter dependence on God. Here is a book that will speak to anyone who has ever loved a husband or wife or child.

**Living When a Loved One Has Died** Aug 20 2022 When someone you love dies, Earl Grollman writes, "there is no way to predict how you will feel. The reactions of grief are not like recipes, with given ingredients, and certain results. . . . Grief is universal. At the same time it is extremely personal. Heal in your own way." If someone you know is grieving, *Living When a Loved One Has Died* can help. Earl Grollman explains what emotions to expect when mourning, what pitfalls to avoid, and how to work through feelings of loss. Suitable for pocket or bedside, this gentle book guides the lonely and suffering as they move through the many facets of grief, begin to heal, and slowly build new lives.

*Love, Death & Rare Books* Nov 23 2022 As times change for the book business, a rare book dealer lives through appraisals, auctions, danger, drama, love, and loss, in this thoughtful novel. Chas. Johnson & Sons, a rare bookstore in Chicago's Hyde Park, has been in Gabe Johnson's family for generations. It's where he learned to love Romantic poetry, and where he found a romance of his own with Olivia. Geared toward a colorful community of serious collectors, the shop has survived competition from big chains, and even a violent attack for stocking *The Satanic Verses*. But by the time Gabe takes over, Olivia is gone, and the world of books has changed. Internet sellers and gentrifying rents force him to close. Down but not out, Gabe decides to reopen on the shores of Lake Michigan. Secretly, he hopes this new beginning will also be a return into Olivia's arms. But just as he finds her again, Gabe faces yet another threat to the store—and everything else he holds most dear.

**Advice for Future Corpses (and Those Who Love Them)** May 17 2022 A NEW YORK TIMES BOOK CRITICS' TOP 10 BOOK OF THE YEAR “In its loving, fierce specificity, this book on how to die is also a blessedly saccharine-free guide for how to live” (The New York Times). Former NEA fellow and Pushcart Prize-winning writer Sallie Tisdale offers a lyrical, thought-provoking, yet practical perspective on death and dying in *Advice for Future Corpses (and Those Who Love Them)*. Informed by her many years working as a nurse, with more than a decade in palliative care, Tisdale provides a frank, direct, and compassionate meditation on the inevitable. From the sublime (the faint sound of Mozart as you take your last breath) to the ridiculous (lessons on how to close the sagging jaw of a corpse), Tisdale leads us through the peaks and troughs of death with a calm, wise, and humorous hand. *Advice for Future Corpses* is more than a how-to manual or a spiritual bible: it is a graceful compilation of honest and intimate anecdotes based on the deaths Tisdale has witnessed in her work and life, as well as stories from cultures, traditions, and literature around the world. Tisdale explores all the heartbreaking, beautiful, terrifying, confusing, absurd, and even joyful experiences that accompany the work of dying, including: *A Good Death*: What does it mean to die “a good death”? Can there be more than one kind of good death? What can I do to make my death, or the deaths of my loved ones, good? *Communication*: What to say and not to say, what to ask, and when, from the dying, loved ones, doctors, and more. *Last Months, Weeks, Days, and Hours*: What you might expect, physically and emotionally, including the limitations, freedoms, pain, and joy of this unique time. *Bodies*: What happens to a body after death? What options are available to me after my death, and how do I choose—and make sure my wishes are followed? *Grief*: “Grief is the story that must be told over and over...Grief is the breath after the last one.” Beautifully written and compulsively readable, *Advice for Future Corpses* offers the resources and reassurance that we all need for planning the ends of our lives, and is essential reading for future corpses everywhere. “Sallie Tisdale's elegantly understated new book pretends to be a user's guide when in fact it's a profound meditation” (David Shields, bestselling author of *Reality Hunger*).

**Kinds of Love, Kinds of Death** Jul 07 2021 A mob boss hires an ex-cop to find his mistress's killer in “the kind of tight lipped, hard mouthed story . . . which Chandler initiated and which Bogart immortalized” (Kirkus Reviews, starred review). Six months ago, Mitchell Tobin lost his career—and with it, his identity. An honest cop drummed out of the force because of one terrible mistake, Tobin has spent six months watching his savings dwindle and his family fall apart. But no matter how badly he needs work, he doesn't want anything to do with Ernie Rembeck, a crime boss whose mistress has just turned up dead. The killer can only be someone inside the organization, and Rembeck wants him identified. Tobin agrees, under assurances that nothing illegal will be asked of him, but he soon finds that without a badge, right and wrong are nothing but words. Mitch Tobin is about to take on every heavy in the New York mob scene. He's finally found a purpose, but his safety is in serious jeopardy.

**Obit** Jun 25 2020 After her mother died, poet Victoria Chang refused to write elegies. Rather, she distilled her grief during a feverish two weeks by writing scores of poetic obituaries for all she lost in the world. In *Obit*, Chang writes of “the way memory gets up after someone has died and starts walking.” These poems reinvent the form of newspaper obituary to both name what has died (“civility,” “language,” “the future,” “Mother's blue dress”) and the cultural impact of death on the living. Whereas elegy attempts to immortalize the dead, an obituary expresses loss, and the love for the dead becomes a conduit for self-expression. In this unflinching and lyrical book, Chang meets her grief and creates a powerful testament for the living.

*Die, My Love* Oct 30 2020 Longlisted for the Man Booker International Prize 2018. A manic, bruising stream of conscious portrayal of a mother and wife struggling to maintain both a normal life and her sanity.
